Jesus A Pilgrimage Sparknotes:

Jesus James Martin, 2014-03-11 James Martin's riveting new meditation on Jesus is one of the best books I've read in years on any subject. Mary Karr, author of *Lit*. James Martin, SJ, gifted storyteller, editor at large of *America* magazine, popular media commentator, and New York Times bestselling author of *The Jesuit Guide to Almost Everything* brings the Gospels to life in *Jesus A Pilgrimage* and invites believers and seekers alike to experience Jesus through Scripture, prayer, and travel. Combining the fascinating insights of historical Jesus studies with profound spiritual insights about the Christ of faith, Father Martin recreates the world of first-century Galilee and Judea to usher you into Jesus's life and times and show readers how Jesus speaks to us today. Martin also brings together the most up-to-date Scripture scholarship, wise spiritual reflections, and lighthearted stories about traveling through the Holy Land with a fellow and funny Jesuit visiting important sites in the life of Jesus of Nazareth. The person at the heart of the Gospels can seem impossibly distant. Stories about his astonishing life and ministry, clever parables that upended everyone's expectations, incredible healings that convinced even skeptics, nature miracles that dazzled the dumbstruck disciples, can seem far removed from our own daily lives, hard to understand and at times irrelevant. But in *Jesus*, you will come to know him as Father. Martin knows him: Messiah and Savior, as well as friend and brother. **WINNER OF THE 2016 ILLUMINATION AWARD GOLD WINNER OF THE 2015 CATHOLIC PRESS ASSOCIATION BOOK AWARD**

Knowing God through Journey and Pilgrimage Seung Yeal Lee, 2011-04-01 The Hebrew Christian Scriptures include many allusions to pilgrimage customs and practices yet the information is scattered and requires a considerable amount of reconstruction It is posited that the pilgrimage paradigm including the journey motif has influenced the thought patterns of the writers of both the Old and New Testaments To follow Jesus journey to Jerusalem on the three feasts of pilgrimage in Luke Acts and John and their relevance to the way he revealed himself and taught his disciples this work begins with the creation and patriarchal narratives examining how the pilgrimage paradigm relates to discipleship Reviewing the history of the people of God including the Exodus the Exile and restoration this book establishes the significance of pilgrimage as a paradigm for Israel that eventually shapes Judaism Seung Y Lee points us to a neglected fact that the three feasts of pilgrimage have developed their own characters and meanings for the momentous events in the history of Israel and both Luke Acts and John reflect the significance of the pilgrimage paradigm for Jesus self understanding and his teaching
