Jesus and His Father Trevor Galpin, 2019-07-16 Loyola Kids Book of Jesus, His Family, and His Friends Loretta Pehanich, 2024-07-30 Create a Friendship with Jesus Loyola Kids Book of Jesus His Family and His Friends takes readers on a faith filled journey to uncover a deeper connection to Jesus By emphasizing themes of family love and loyalty this book will help children relate to Jesus in meaningful and genuine ways and more importantly understand how Jesus is relevant and present in their lives today With discussion ideas and Scripture passages integrated throughout this book is ideal for individual reading as well as for use in group settings classrooms and families The inviting design beautiful illustrations and imaginative approach to storytelling beckon children into a world of discovery and connection to the very heart of faith and family Jesus's Identification with the Marginalized and the Liminal Bekele Deboch Anshiso, 2018-05-06 The first century Judaic understanding of the identity and nature of the Messiah has been a much debated topic among biblical scholars and preachers alike So too has the messianic identity and nature of Jesus himself Bekele Deboch informs these debates with fresh evidence outside the traditional scriptural references to miracles and supernatural identifications by demons and God himself as well as earthly identification by human beings With thorough narrative criticism and analysis of contemporaneous literature this book brings insightful new conclusions that transform our understanding of the biblical messianic identity revealed in the person of Jesus Jesus not only self identified with the marginalized and liminal but also experienced extreme marginality himself to the point of shameful death on a tree Jesus church around the world has the responsibility to herald his messianic identity and salvation to the marginalized of today Bekele Deboch has followed Christ's example of walking with the marginalized and makes here a powerful case for the church to do the same **The "Friend" in His Family: Or, a Familiar Exposition of Some of the Religious Principles of the Society of Friends; with Brief Biographical Notices of a Few of Its Early Members. [By James Boorne.]** , 1865 Our Ancient Ancestors' Lost History Reconstructed William Lucas, 2018-12-17 Most of the researchers archaeologists anthropologists and many more who have appeared on the History Channel's Ancient Aliens have admitted their belief that extraterrestrials created humanity And those creators were none other than the Anunnaki those who came from heaven of the Sumerians Why has no one realized the Anunnaki needed someone to create bodies for them It is obvious they couldn't use the bodies they used on higher worlds on our earth People don't realize the Sumerians were just as much in the dark as people of today are The Anunnaki came to our planet over two hundred thousand years before the Sumerians time and those Anunnaki are the same beings that the Western world's Bible calls sons of God in Genesis 6:4 where it's stated that the sons of God gave children to the daughters of men The Urantia Book claims that surgeons from a higher universe came to our planet and took genes from the most advanced humans and with bioengineering created bodies for those sons of God in Genesis 6:4 This is where all the confusion originates Instead of the Anunnaki creating the humans humans bodies were created for the Anunnaki They came to help civilize humanity There

were one hundred of these sons of God that came fifty men and fifty women The Bible often calls both men and women sons of God there s no distinction Hebrew 12 6 7 This happened during the time of Lucifer s rebellion Sixty of the sons of God rebelled along with Lucifer they are the ones that had children by humans with bodies made of human genes In the book of Enoch they are referred to as Watchers and fallen angels emphasizing that they were from higher worlds or heaven **The 'Friend' in his family; or, A familiar exposition of some of the religious principles of the Society of friends [by J. Penn Sr.,2021-12-01 Early on in my study it became evident that Mark was not simply recounting the healing incidents that Jesus had performed Mark looked at the healing miracles of Jesus through the lens of God s perspective What was significant to Mark and what captured my spiritual imagination was his

interpretation of the healing miracles He made it clear to the readers that Jesus clearly understood the redemptive implications of his mission as the Jewish healer redeemer Jesus fully embraced his Messianic mission to bring salvation to the Hebrew people He would become the perfect sacrificial lamb of God to bring about the restoration of fallen humanity In and through him God s good creation would be restored Through Jesus sacrificial death God would create a new covenant of grace which could be acceptable to both Jews and Gentiles The healing miracles demonstrated the defeat of sin sickness death and the evil influence of Satan s demonic forces Jesus did this by not only removing our sins but also taking the consequences of our sins upon himself nailing them to the cross All of Jesus healing miracles were interpreted similarly I found Mark s gospel both inspiring and informative allowing me to see the heart love compassion and mind of God for His creation

Glorious Grace Richard Goswiler,2019-05-01 Amazing grace how sweet the sound A familiar refrain right Do those words resonate with you Well rightly understood the word grace is one of the grandest words in the Christian vocabulary and is certainly one of the most glorious themes in the Bible This book attempts to explain the reasons why Against the backdrop of sinful humanity and the natural distortions of grace the author presents the ingredients for a thoroughly biblical understanding of grace Why is this so important Because it is from that premise alone that we are enabled to fully grasp the absolute necessity of God s grace in our salvation and the power of the grace that operates in the believer s soul It is because grace alone is the divine purpose pattern and power in the Christian s life And the inevitable result is a fruitful lifestyle that brings fullness to us blessing to others and glory to God Yes grace is amazing indeed

Jesus Was Susy Flory,Scott Johanningsmeier,2025-09-23 This is a book that brings Jesus out of the headlines and back into our hearts Pastor Josh Burtram and Will Wright hosts of the Faithful Politics podcast It s easy to fall into the trap of perceiving God in our own image We expect Jesus to fit into the molds we create and we see him through our own biased filters This skewed vision of our Savior is damaging both to us and to nonbelievers But how do we remove our cultural and personal blinders in order to see Jesus for who he really was Tapping into the expertise of nineteen unique theologically trained voices Jesus Was illuminates the personality actions and character of Jesus as found in the biblical accounts of his life on earth These concise and insightful reflections help us recognize our misconceptions so that we can clearly see the One we follow and experience the incredible life and heart changes that come with knowing him fully In this refreshing and insightful book we are confronted with who Jesus actually was the real deal according to Scripture This Jesus wants to remake us in his image and not the other way around Nijay K Gupta Julius R Mantey Professor of New Testament Northern Seminary
