## **Jesus And The Eyewitnesses Jesus And The Eyewitnesses:**

*Jesus and the Eyewitnesses* Richard Bauckham, 2008-09-22 Noted New Testament scholar Bauckham challenges the prevailing assumption the accounts of Jesus circulated as anonymous community traditions instead asserting that they were transmitted in the name of the original eyewitness **Jesus and the Eyewitnesses, 2nd ed.** Richard Bauckham, 2017-04-28 A groundbreaking work in New Testament studies expanded and updated Winner of the 2007 Christianity Today Book Award in Biblical Studies this momentous volume argues that the four Gospels are closely based on the eyewitness testimony of those who personally knew Jesus Noted New Testament scholar Richard Bauckham challenges the prevailing assumption that the Jesus accounts circulated as anonymous community traditions asserting instead that they were transmitted in the names of the original eyewitnesses In this expanded second edition Bauckham is adding a new preface three substantial new chapters that respond to critics and clarify key points of his argument and a comprehensive new bibliography Science, Reason, and Faith Fr. Robert Spitzer, SJ, 2023-09-18 Built into our very nature is a desire to know about the world around us The big questions of human existence are inescapable Who am I Why am I here and where am I going Why is there evil in the world What is the meaning of life This yearning for truth ultimately leads us to our Creator God knows the longings of the human heart and he reveals himself to us through creation through Scripture and ultimately through the Incarnation Because God the Son became man we have a person to look to in our pursuit of truth Jesus Christ himself who is Truth Christ helps us see that truth is not just the object of science and reason but what animates the mysterious and loving power of faith In Science Reason and Faith Fr Robert Spitzer SJ explores in depth the Bible and the intersection of three realms that the secular world tells us are separate and incompatible Fr Spitzer draws the modern reader's attention to the many seeming conflicts between science reason and Catholic teaching By tackling these difficult questions he shows that it is precisely through the integration of science reason and faith that we can truly discover ourselves our world and our God A Trustworthy Gospel Daniel B. Moore, 2024-03-29 The trustworthiness of the Gospels rests not only on claims of inspiration but also on eyewitness testimony And our confidence in that testimony is directly related Daniel Moore contends to when the first Gospel was published Therefore it is incumbent upon Christians to consider whether an effective case can be made for asserting that the first Gospel was published within several years or perhaps a decade of the resurrection To this end this book offers a series of arguments demonstrating that an early publication of Matthew is reasonable defensible and preferable over the popular view that several decades passed before Gospels were published These arguments include a reasonableness argument that the early church had the means motive and opportunity to produce a Gospel an argument from the church fathers which also resolves supposed conflicts exegetical arguments from Galatians apologetic motivational arguments from Christian scholars over the last several centuries arguments based on ancient perspectives on aging memory and on the obligation of orators to write concerns which would have motivated the apostles to publish early and an explanatory power

argument Ultimately the author will encourage the reader to view Matthew as the Messiah's royal chronicler

*Remembrance of Things Past?* Michael J. Thate, 2013 In this book Michael J Thate offers an experiment in reception criticism in its consideration of the formation and reception of the historical Jesus discourse He also attempts to historicize *Leben Jesu* Forschung within debates and narratives of secularization These two foci guide the book through its two parts First Thate explicates Schweitzer's dominant archival function in *Leben Jesu* Forschung while aiming to make fragile the grand architect's receptive hegemony Then he combines critical memory theory and other theoretical readings of the material in an attempt to refocus the study of the historical Jesus as early Christian memory politics in the service of identity explication He attempts to problematize Schweitzer's legacy of a tidy systematic approach in which much of historical Jesus scholarship continues to operate

*Jesus in an Age of Neoliberalism* James G. Crossley, 2014-10-20 *Jesus in an Age of Neoliberalism* analyses the ideology underpinning contemporary scholarly and popular quests for the historical Jesus Focusing on cultural and political issues the book examines postmodernism multiculturalism and the liberal masking of power The study ranges across diverse topics the dubious periodisation of the quest for the historical Jesus biblioblogging Jesus the Great Man and western individualism image conscious Jesus scholarship the Jewishness of Jesus and the multicultural Other evangelical and mythical Jesuses and the contradictions between personal beliefs and dominant ideological trends in the construction of historical Jesuses *Jesus in an Age of Neoliberalism* offers readers a radical revisioning of contemporary biblical studies

**Christian Origins and Greco-Roman Culture** Stanley E. Porter, Andrew W. Pitts, 2013 In *Christian Origins and Greco Roman Culture* Stanley Porter and Andrew Pitts assemble an international team of scholars whose work has focused on reconstructing the social matrix for earliest Christianity through the use of Greco Roman materials and literary forms Each essay moves forward the current understanding of how primitive Christianity situated itself in relation to evolving Hellenistic culture Some essays focus on configuring the social context for the origins of the Jesus movement and beyond while others assess the literary relation between early Christian and Greco Roman texts

**Vox Petri** Gene L. Green, 2019-11-12 Peter stands at the beginning of Christian theology Christianity's central confessions regarding the person of Jesus the cross salvation the inclusive nature of the people of God and the end of all things come to us through the apostle who was not only the church's leader but also its first theologian Peter is the apostle for the whole church and the whole church resonates with his theology We sing his song though we may not have glanced at the bottom of the page in the hymnbook to see who wrote the words and composed the tune Peter is the lost boy of Christian theology a person overlooked as a theological innovator and pillar but his rightful place is at the head of the table If we look closely however we may recognize that he has been seated there all along

**They Were Eyewitnesses** Nancy A. Almodovar, 2021-07-23 For many of today's Christians their go to style of proclaiming the faith is to share their own experiences While this may be a stepping stone to the conversation we should not remain on our subjective and unprovable experiences Rather Christians should use the pattern set forth in the New Testament by the apostles and evangelists the gospel of Jesus who died was buried and rose to life on the third day according to the Scriptures In this book the sermons of the apostles and evangelists will be looked into to see how they both proclaimed and defended the Christian faith giving all Christians the pattern to follow in their own opportunities to share the one true faith

**The Earliest Perceptions of Jesus in Context** Aaron White, David Wenham, Craig A. Evans, 2018-02-22 This volume contributes to the study of the identity of Jesus focusing on how he was originally perceived both by his contemporaries and in the earliest Christian writings The essays include studies of methodology archaeology background individual gospel perspectives gospel relationships intertextuality in the gospels the earliest reception of the Jesus tradition in the post Easter writings of the New Testament and the missiological and pedagogical implications of Jesus teaching John Nolland is the reason for this volume and his important writings on the gospels are its backdrop The contributors who include N T Wright Craig Evans Darrell Bock Rainer Riesner and Roland Deines pay tribute to Nolland's work and ideas by drawing on his writings and by exploring questions and issues close to his heart

**Jesus and Christian Origins** Ben Wiebe, 2019-02-26 There has been a varied range of studies on Jesus Though now it seems there is a pause and perhaps opening to new orientation with the aim not simply to cover old ground or repeat past mistakes This is a study of Jesus and Christian origins with a primary focus on the Gospels There have been comprehensive and important contributions like N T Wright's *The New Testament and the People of God* At the same time more defined studies have appeared The purpose here is not to develop particular New Testament themes as such Rather in

this volume the writers take up Gospel related topics in the context of the early church in order to illuminate specific baselines for New Testament interpretation and to discern directions toward a new paradigm There is much to do The need to take account of reception history and so of the external evidence for the New Testament documents also eyewitness and oral tradition as embodied in the Gospel accounts The genre of the Gospels with reference to biography or history has its own importance The reception and authority of the Gospels in the early church marks another baseline Jesus in his Jewish context and in relation to emerging Christianity is also a critical baseline for interpretation

Websites **Torah in the New Testament** Michael Tait, Peter Oakes, 2009-01-01 A collection of papers delivered at the Manchester Lausanne Seminar of June 2008 on a crucial theme in biblical studies Nova Et Vetera , 2008 *The Resurrection of Jesus Christ, with an Examination of the Speculations of Strauss in His 'New Life of Jesus' ...* Robert Macpherson (D.D.), 1867 Eyewitness Frank Ball, 2008-07-01 The Bible has sold more copies than any other book and continues to sell year after year Continuing in its footsteps is the Eyewitness series written for the average person Flash back to first century AD One man appeared who shook up the world Four men testified to what they saw and heard The details of Jesus life were recorded by four of his closest followers Each account is written from a different perspective and only one of the four tells the events in chronological order Therefore for centuries the accounts have been told in out of sequence fragments Eyewitness compiles the information from the Gospels and hundreds of other Bible verses into one chronological story laid out like a story without reference or verse The result is a seamless combination of the four gospel books that will appeal to customers across the board even those who would not normally purchase a Bible Multiple bindings and an aggressive advertising and marketing campaign will insure this line carries strong sales for years to come **Climate and Christ** Edward P. Echlin, 2010 Describes climate change and suggests ways in which people can mitigate it Also describes evolution and proposes that Christian ecology must integrate evolution The Resurrection of Jesus Christ Robert Macpherson, 1867 **Introduction to the Literary Art of the Gospel of John** Paul Jaesuk Jo, 2022-05-24 The Gospel of

John is a magnificent book. Intricate fabrics interweave its beautiful robe and its material is a finely twisted linen of many colors. Throughout the history of the church, interpreters have long been captivated by its loveliness and power. Many modern interpreters, however, would not hesitate to call it puzzling, confusing, or ridden with riddles at least. What is John is therefore a fascinating question that lingers. During the last half century, literary theories have been brought into the study of the Fourth Gospel with varying degrees of success. New analytical lenses are cast over the Gospel to render its secrets, but it feels as if only those who are initiated into its mystery have the knowledge. Reading and rereading strategies are offered, but the path out of the vast labyrinth is difficult to find. The Gospel of John, however, surprisingly reads much like the Old Testament. In fact, its form is deeply imbued in the styles of Old Testament poetry, narratives, and prophets, that when they are properly understood together, John's message comes across clearly. Taking a comprehensive view of the styles of the Old Testament, this book takes you to see John in its grand design.
