Jesus King Of Edessa:

Jesus, King of Edessa Ralph Ellis, 2012 Jesus was a king of Edessa 600 pages of gnosis Colour Images This is the book that the Catholic Church has been dreading for the last 1700 years This is the book that will end Christianity as we know it And this is not advertising hyperbole this really is the end of the Christian fairytale We now know who Jesus was Visit his city see the ruins of his citadel gaze upon his statue handle his coins In reality Jesus was a son of King Abgarus of Edessa a king with a small realm a large treasury and even bigger ambitions Thus Jesus true history undermines much of the biblical fairystory that the gospel authors crafted and so Christianity will never be the same again The jacket image shows Jesus wearing his Crown of Thorns the ceremonial crown of the Edessan monarchy We suggest that readers start with Cleopatra to Christ and then King Jesus The wait before arriving at the last episode in the trilogy will be worthwhile for if a book could be valued on its eureka moments then this final book would be priceless The King Jesus Trilogy Latest version v12 1 2024 Book three of the King Jesus Trilogy in four parts Followed by The Grail Cypher [Jesus, King of Edessa](#) Ralph Ellis, 2012-09-01 New 2015 edition Jesus discovered in the historical record This is the book that the Catholic Church has been dreading for the last 1700 years This is the book that will rock the foundations of Christianity as we know it for the biblical Jesus has at last been found in the historical record We now know who Jesus was where he lived and who his family were Visit his city see the ruins of his citadel gaze upon his statue handle his coins In reality Jesus was a son of King Abgarus V of Edessa a princeling with a small realm a large treasury and even bigger ambitions But the wise prince of northern Syria came up against an intractable Rome and his many plans for revolution crumbled to dust As readers might imagine the true history of this region undermines much of the biblical fairy story that the gospel authors crafted and so Christianity will never be the same again The jacket image shows Jesus wearing his Crown of Thorns the ceremonial crown of the Edessan monarchy Jesus was crucified wearing this same crown because he was a king of Edessa In fact Jesus was crucified in the Kidron Valley along with two other leaders of the revolt but was taken down early and survived just as the history of Josephus Flavius relates This is a scholarly study of all the available historical evidence including the Tanakh Talmud Josephus Flavius the Roman historians and venerable Syriac historians like Moses of Chorene and Yohannes Drasxanakertci This is the final book in a trilogy and so we suggest that readers start with Cleopatra to Christ and then King Jesus The wait before arriving at the last episode in the trilogy will be worthwhile for if a book could be valued on its eureka moments then this final book would be priceless Sequel to King Jesus v 10 5 A message to readers from the author A review of this book by Thomas Verenna is now on many web pages Please note that Thomas Verenna is not an academic he is a failed student with a religious axe to grind Verenna has admitted that he has not even read this book and created his poor review from hearsay and rumour Some of Verenna s many errors include Verenna says that Ellis absurdly conflates four kings into one Yet in reality the book does not even mention two of the kings that Verenna cites Verenna says that Ellis does not realize and does mention the fact that

Adiabene and Edessa are two separate locations Yet in reality the juxtaposition between Adiabene and Edessa is the central topic of the entire book Verenna says that Queen Helena was never the Queen of the Jews Yet Queen Helena was a Jewess who saved Judaea from famine furnished the Temple of Jerusalem and owned the largest palace and tomb in Jerusalem Was she not perforce the defacto Queen of Judaea Verenna says that King Abgar bar Manu VI could not be the biblical Jesus as Ellis claims because he lived in the wrong era Yet in reality Ellis never mentions King Abgar bar Manu VI not once As readers can probably see the so called review of Jesus King of Edessa by Thomas Verenna is a travesty designed to undermine scholarly research into the life of Jesus The reality is very different for Jesus King of Edessa can and does prove that the biblical Jesus was actually a well known monarch of Edessa whose real life and times have been effectively erased from history by Josephus Flavius and a succession of later Christian chroniclers

The Letter of Jesus Ross Slane, 2013-02-25
 The letter of Jesus Christ is not something you will find in the Bible it is not something you will find in many places at all but for hundreds of years the Epistle of Jesus Christ to Abgarus King of Edessa was one of the greatest legends of the early church In many ways it sounds like a church conspiracy straight from the pages of the Da Vinci code the reality is however the legend lost popularity as people began to question its authority In this book the origins of the letter along with the actual text of the letter are revealed along with it you will learn about the different theories of the legend its relationship to the Shroud of Turin From obscure history and little known facts to insight into the possible origin of one of the most famous relics of the twentieth century this short book is one not to be missed HistoryCaps is an imprint of BookCaps Study Guides With each book a brief period of history is recapped We publish a wide array of topics from baseball and music to science and philosophy so check our growing catalogue regularly to see our newest books

The letter from Jesus Christ to Agbarus, king of Edessa, and the letter of Agbarus to Christ, tr. from the Ecclesiastical history of Eusebius, together with the miracles of Thaddæus William T. Winghille, 1891

The EPISTLES of JESUS CHRIST and ABGARUS KING of EDESSA Michael Gore, 2012-10-02 THE EPISTLES of JESUS CHRIST and ABGARUS KING of EDESSA Complete with Scripture Commentary covering a letter by Abgarus King of Edessa to Jesus and the replying letter from Jesus This correspondence took place just a few months before the crucifixion its short but amazing this affirmation will build your faith

Mary Magdalene, Princess of Orange Ralph Ellis, Mary Magdalene Princess of the Dutch House of Orange Did Mary Magdalene travel to Provence in France Ralph Ellis follows the trail of mythology and reveals compelling circumstantial evidence that she did and that her presence there has left its mark on the history of the region In addition Ralph suggests that the legacy of Mary Magdalene was bequeathed upon the city of Orange in southern France the city that was central to the Royal Dutch House of Orange and thus central to the entire Reformation and Enlightenment movement The book then goes on to explore the Orange Enlightenment and the Age of Reason the twin religious reforms that created the modern rational and technical world that we live in today But this era of rationality and reason is now threatened by forces of

darkness that seek to extinguish the gains of the Enlightenment Will the twin fundamentalist forces of Environmentalism and Islam take us back to the Dark Ages and into a new era of fear ignorance and oppression In this section Ralph Ellis tackles some ancient and modern taboos with his characteristic hard hitting style each and every politically correct stone is overturned in this robust defence of the intellectual freedoms of the Enlightenment An addendum to the King Jesus Trilogy Version v12 9 Only Apple readers can view the video clips in this book Others may see them at www.edfubooks.com Arles Nimes Orange Mary Magdalene St Maries de la Mer Provence Languedoc Holland Reformation Age of Enlightenment King William Prince of Orange William of Orange Huguenots Luther Church of England *Shards of Illumination II* Ralph Ellis, 2024-03-11 eBook edition with colour images 520 pages of gnosis The Shards series are a compilation of hundreds of posts and articles I have written during 2022 and 2023 Both volumes cover a large selection of topics from alternative biblical exegesis to energy policy criticism to climate deception and to covid idiocy Yet the disinformation and gaslighting continues unabated and has even surpassed the peak of just two years ago When will it end I hear you ask Only when we stand up to it and call it out in public Our new age is not the Anthropocene it is actually the Deceptocene Thus we see Clerics only telling their flocks half of the gospel story Medics refusing to investigate alternative therapeutics Climate scientists amending and cherry picking data The media not investigating alternate facts and data Academics jumping on bandwagons for grant funding Politicians using cherry picked data to their advantage These many deceptions can only be the result of intentional deceit not mere incompetence Although these deceptions are invigorated by bandwagon riders those who seek personal advantage through turning a blind eye to the corruption It is time to stand up to the Woke cry bullies and break through the deception V1 9 2024 eBook colour Volume 2 See Volume 1 also on Google **Jesus Secret** Robert Siblerud, 2012-09 The Jesus Secret is the first fiction book written by Dr Robert Siblerud based on his nonfiction book The Unknown Life of Jesus It is a historical novel about the life of Jesus It is an exciting adventure of two college professors Carl Iverson and Katherine Ralston searching for the truth of what really happened to Jesus Dr Iverson had received an ancient manuscript written in Aramaic at the time of Jesus discovered in Israel The manuscript described Jesus's life after the crucifixion giving evidence that he survived the crucifixion An actual manuscript was found called the Talmud of Immanuel The book provides the evidence that Jesus lived out his life in Kashmir and had a family The excitement comes when powers of the church try to prevent Carl and Katherine from finding the truth The Jesus Secret describes the lost years of Jesus how he survived the crucifixion his family a background on how the church was established and the corruption within the church to hide the truth The final chapters describe what may happen if the truth is discovered After reading the book the reader will have a better understanding respect and love for Jesus the most evolved soul ever to help guide humanity on their spiritual journey *Cleopatra to Christ* Ralph Ellis, 2010-11-04 epub Format Why was the birth of a poor carpenter in the first century AD attended by the Magi the Persian king makers Why was Jesus later known as the King of the Jews Using

many strands of contemporary evidence Ralph Ellis has pieced together a historical jigsaw puzzle demonstrating that the biblical Jesus was directly descended from Cleopatra VII the most famous queen of Egypt But this is not all for in piecing this story together it would seem that Jesus also had an aristocratic Roman and royal Persian ancestry too and it is the latter bloodline element that explains the appearance of Persian Magi at his birth Sequel to Jesus Last of the Pharaohs Followed by King Jesus L *The Doctrine of Addai and the Letters of Jesus and Abgar* Jacob A. Lollar, 2023-11-10 The Doctrine of Addai tells the story of how Christianity came to the Syrian city of Edessa It incorporates and adapts a correspondence between Jesus and the Syrian king Abgar who wrote to Jesus requesting healing from a long term illness In his response Jesus promises to send him an apostle Addai sometimes called Thaddaeus who will heal Abgar s disease and establish Christianity in his kingdom The exchange between Jesus and Abgar and Edessa s subsequent evangelization by Addai functions as a founding myth for Christianity in the region which likely did become Christian under a later King Abgar in the early third century But the activities and interactions of Addai in Edessa reflect a later time the fifth century when Christians in the East were embroiled in a conflict over reforms enacted by the Bishop Rabbula These complexities of Syrian Christian history are all made clear in the introduction and rich commentary that accompanies this updated English translation of the Doctrine of Addai and related texts including early witnesses to the Abgar Jesus Correspondence in papyri and inscriptions and selections from the Ecclesiastical History of Eusebius of Caesarea the Acts of Thaddaeus and the Acts of Mar Mari

confirms that the gospel s St Paul Saul was actually Josephus Flavius the historian However this novel identification has exposed new information and new perspectives on the life of Jesus who was actually a real king of Judaea Quote Priests and kings were anointed hence the title christ or messiah often signified the same as king Commentary on the Bible Adam Clarke 1832 Contrary to orthodox perceptions King Jesus and Queen Mary Magdalene were the richest couple in Syrio Judaea The Romans wanted to impose taxes on Jesus and Mary an imposition that provoked the Jewish Revolt King Jesus fought and lost that war and so he was crucified reprieved and sent into exile in a Roman prison in England In those remote lands King Jesus became known as King Arthur and his twelve disciple knights of the Round Last Supper Table This identification of Jesus as a wealthy royal warrior hero of first century Judaea may sound bizarre but that is what the texts say All research and quotations are from original sources including the New Testament Tanakh Talmud Josephus Origen Eusebius Irenaeus Herodian Suetonius Tacitus Clement and many others besides This is a secret history that has been deliberately concealed from us for two millennia for those feet in ancient times did indeed walk upon England s mountains green Sequel to Cleopatra to Christ Followed by Jesus King of Edessa v 9 5 **Calmet's Great Dictionary of the Holy Bible** Augustin Calmet,1812 *The ^AApocryphal Gospels* Bart Ehrman,Zlatko Plese,2011-07-21 The Apocryphal Gospels is a collection of texts and new translations of the gospels that were not included in the New Testament Bart D Ehrman and Zlatko Plese leading scholars of early Christianity of the University of North Carolina have compiled 42 English translations of texts and textual fragments from the original Greek Latin and Coptic For the first time this book includes non canonical Gospels from the early centuries of the church in an original text and facing page translation edition This will be a pivotal source of reference for scholars and graduate students of the New Testament early church history antiquity and late antiquity and ancient Greek Latin and Coptic languages *The Grail Cypher* Ralph Ellis,2015-09-21 The secrets of Arthurian history revealed New Testament Apocrypha Wilhelm Schneemelcher,Robert McLachlan Wilson,2005-07-28 Translation of Neutestamentliche Apokryphen *Shards of Illumination I* Ralph Ellis,2022-02-04 Shards of Illumination Volume I 550 pages of gnosis Academic disinformation appears to be reaching a peak Was it always this way and only now with increased connectivity can we see their duplicity Or are we living in a new era of deception The new age is not the Anthropocene it is actually the Deceptocene Thus we see Clerics only telling their flocks half of the gospel story Medics refusing to investigate alternative therapeutics Climate scientists amending and cherry picking data The media not investigating alternate facts and data Academics jumping on bandwagons for grant funding Politicians using cherry picked data to their advantage Are these academic deceptions the result of intentional deceit or sheer incompetence To be sure there are any number of incompetent scientists historians and clerics but I get the impression that much of this is due to deliberate falsification and fraud The world is awash with duplicity and deceit and it is time to break through the deception Volume I V1 3 Colour See also Volume 2 **Calmet's Dictionary of the Holy Bible, by the Late Mr. Charles Taylor ...
