Jesus Mit Selbstzeugnissen Und Bilddokumenten:

Jesus ,1999 Jesus ,1968 Jesusüberlieferung und Christologie Gerhard Schneider,2014-04-09 Der vorliegende Band fa t Aufs tze des Bochumer Neutestamentlers zusammen die sich mit Jesus seiner Botschaft und seinem Weg aber auch mit der in der berlieferung der Evangelien sich ausdr ckenden Christologie befassen Eine erste Gruppe von Beitr gen behandelt die Gottesverk ndigung Jesu und das auf ihn zur ckgehende Gebet des Herrn Es folgen Abhandlungen ber Jesu Ruf in die Nachfolge und seine ethischen Weisungen Liebesgebot Verbot der Ehescheidung Die Leidengeschichte Jesu ist Gegenstand weiterer Untersuchungen Dabei steht sowohl die historische R ckfrage als auch die Theologie der Passiongeschichte im Zentrum des Fragens Die vier letzten Studien befassen sich mit explizit christologischen Themen Davidsohn Frage Pr existenz Christologie und Neusch pfung in Christus Insgesamt liegt somit ein Werk vor das aktuelle Aspekte der Jesus Forschung er rtert und zugleich die Anf nge der Christologie ins Blickfeld r ckt **Handbook for the Study of the Historical Jesus (4 Vols)** Tom Holmén,Stanley E. Porter,2011 V 1 How to study the historical Jesus v 2 The study of Jesus v 3 The historical Jesus v 4 Individual studies The Rabbinic Parables and Jesus the Parable Teller David Flusser,2024-04-09 First published in German as Die rabbinischen Gleichnisse und der Gleichniserz hler Jesus in 1981 and now translated into English for the first time this seminal work by Professor David Flusser remains an important and unparalleled contribution on Jesus as a storyteller in the Jewish rabbinic tradition Using a literary approach to study extant rabbinic parables he argues that Jesus parables belong to a genre that exists only in rabbinic literature and the New Testament In order to analyze the theology behind Jesus parables we need to understand them as a first century literary art form In a summary of the book Flusser writes I am firmly convinced with fellow researchers that it is possible to get reasonably close to the original wording of Jesus teaching But this is only the case when the otherwise usual method of literary criticism is applied to the text of the Synoptic Gospels and when moreover one is willing and able to be guided by knowledge of Judaism I certainly admit that the words of Jesus including his parables were edited by Greek redactors and subsequently by the evangelists Nevertheless I believe it is often possible to separate the shell from the nut by applying a better synoptic theory As I have argued several times the parables of Jesus belong to the genre of the rabbinic parables Therefore valid statements about Jesus parables whether these regard their essence or their literary quality can only be made when one has first dealt with the essence and literary form of the rabbinic parables Jewish Jesus Research and its Challenge to Christology Today Walter Homolka,2016-10-05 Historical Jesus research Jewish or Christian is marked by the search for origins and authenticity The various Quests for the Historical Jesus contributed to a crisis of identity within Western Christianity The result was a move back to the Jewish roots For Jewish scholars it was a means to position Jewry within a dominantly Christian culture As a consequence Jews now feel more at ease to relate to Jesus as a Jew For Walter Homolka the Christian challenge now is to formulate a new Christology between a Christian exclusivism that denies the

universality of God and a pluralism that endangers the specificity of the Christian understanding of God and the uniqueness of religious traditions including that of Christianity **Jesus and Jewish Covenant Thinking** Tom Holmén, 2021-11-22 This book offers the first large scale investigation into the attitude of the historical Jesus towards covenant belief the dominant theme of the Judaism of Jesus day The book intended as part one of a two volume investigation takes its point of departure in a simple question which nevertheless integrally reflects the covenant thinking of the time Was Jesus engaged in trying to find out how to remain faithful to the covenant Current scholarship underlines both the importance of the covenant belief for early Judaism and the need for considering Jesus as being within Judaism Studying how Jesus viewed the covenant leads right to the heart of the matter both illuminating his relation to Judaism and providing a significant still unexamined vantage point for his proclamation **Jesus** David Flusser, 1984 **Jesus the Jewish Theologian** Brad H. Young, 1993-11-01 Jesus the Jewish Theologian establishes Jesus firmly within the context of first century Judaism and shows how understanding Jesus Jewishness is crucial for interpreting the New Testament and for understanding the nature of Christian faith Insights from Jewish literature archeology and tradition help modern readers place Jesus within his original context Particular attention is given to the Jewish roots of Jesus teaching concerning the kingdom of God [Jesus in Twentieth Century Literature, Art, and Movies](#) Paul C. Burns, 2007-07-15 In the twentieth century a number of novelists artists and filmmakers resurrected the life of Jesus genre made so popular in the eighteenth and nineteenth centuries by Renan Strauss and others In addition novelists Norman Mailer Jose Saramago and Ricci have written their own gospels Burns collection taken from a conference at a 2004 regional SBL meeting explores the ways in which these portraits of Jesus continue to fulfill the familiar observation that people tend to depict Jesus in their own image In several of the portraits of Jesus the artists offer a creative response to the realities of the human condition of our time *Jesus and His Contemporaries* C.A. Evans, 2018-12-10 The first part of this book attempts to situate Jesus in his historical and cultural context through comparisons with the prayers parables prophecies and miracles attributed to various Jewish figures of Palestine who are Jesus near contemporaries It is concluded that Jesus teachings and activities do not represent a radical break with the piety and restorative hopes of many of his contemporaries This conclusion stands in tension with some of the recent Jesus research especially emanating from the Jesus Seminar which tends to view Jesus as a Stoic or Cynic philosopher with little interest in the restoration of Israel and the fulfilment of prophecy The second part of the book explores the aims of Jesus and the factors that led to Jesus death This publication has also been published in paperback please click here for details [The Quest for the Plausible Jesus](#) Gerd Theissen, Dagmar Winter, 2002-01-01 Should the dissimilarity between Jesus and early Christianity or between Jesus and Judaism be the central criteria for the historical Jesus Gerd Theissen and Dagmar Winter argue that the criterion of dissimilarity does not do justice to the single most important result of more than two hundred years of Jesus research that the historical Jesus belongs to both Judaism and Christianity The two authors propose a criterion of historical plausibility so that

historical phenomenon under question can be considered authentic so long as it can be plausibly understood in its Jewish context and also facilitates a plausible explanation for its later effects in Christian history This book is a cooperative project between Dagmar Winter and Gerd Theissen and represents the fruit of many years of their research on the historical Jesus

Michael Robbins,2007 The temptations of Jesus cast a spell on readers young and old These temptations are macabre yet triumphant short yet endless ominous and dismal yet sacred and hopeful Scholars have long been obsessed with the attempted seduction of the Saint and the successful sanitation of the Seducer Where else but from Q could such an enchanting narrative derive This book reviews scholarship and examines tradition history to argue that the pericope is more than a wisdom derived scribal legitimation of the Teacher a popular and partially correct theory about the story s origin and function in Q It is a theological summit ascribing a unique sonship to Jesus With diabolic dialogue in such sacred sites as Zion Sinai and the desert protology and eschatology brew to form a muse on both the wilderness testing of Israel and the primeval testing of Adam The brief expedition through the cosmos from desert to empire to sanctuary demonstrates a lordship of evil in the world and thus a need for the reign of God and a context for Jesus sonship sermon prayer miracles exorcisms and even his death and resurrection The tests present an approved champion a Son of God a conflict a tryst with mortality and cosmic evil and a conquest resulting in an enthronement These narratives not supplied by Matthew and Luke are found only in Q

Resurrecting Jesus Dale C. Allison, Jr.,2005-08-18 Jesus remains a popular figure in contemporary culture and Allison remains one of our best interpreters He speaks around the country in a variety of venues on matters related to the study of the Historical Jesus In his new book he focuses on the historical Jesus and eschatology concluding that the Jesus was not a Hellenistic wonder worker or teacher of pious morality but an apocalyptic prophet In an opening chapter that is worth the

price of admission Allison astutely and engagingly captures the history of the search for the historical Jesus He observes that many contemporary readings of Jesus shift the focus away from traditional theological Christological and eschatological concerns In provocative fashion He takes on not only the Jesus Seminar but also other Jesus interpreters such as N T Wright and Marcus Borg

Learning Messiah Edjan Westerman, 2018-09-27 Israel s election calling and history make up a big part of Scripture It could be said that they belong to the DNA of the Bible But why is it then that the Christian narrative about the Messiah Israel and the nations often seemed to have and sometimes even still has a different genetic structure Does Israel together with its election and promises leave God s stage through a side door when Jesus appears on stage Does a changing of roles take place within a different story Does the Messiah function within it as some kind of black hole in which the eternal election and calling of Israel disappear How do we read God s way The Holocaust made us realize that our de Jewishized reading and preaching of Scripture contributed in various ways to this catastrophe And we find ourselves confronted by the question How does the narrative of the Bible then look when the whole of Scripture plays a decisive role and the faithfulness of God toward Israel stays in the center This book presents an answer to these questions calling us to learn to read God s way anew and to walk in it
