Jesus Neue Testament Geschichte Gnosis:

The New Testament and Gnosis Alastair Logan, Alexander J. M. Wedderburn, 2015-01-29 Important essays on Gnosis and Gnosticism Contributors include Rudolph Pagels Grant and Barrett **Nag Hammadi, Gnosticism, and Early Christianity** Charles W. Hedrick, Robert Hodgson, 2005-10-17 This book acquaints the beginner with the topic of gnosticism and early Christianity and presents to the specialist some of the new frontiers their colleagues are exploring For the beginner there is a concise introduction to gnosticism It covers the issues of origin literature leading ideas and possible links with early Christianity Each contributor has prepared a preface to his or her paper that points to its salient features and explains how the essay fits into the overall subject of the book from the Preface **Gnostic Revisions of Genesis Stories And Early Jesus Traditions** Gerard P. Luttikhuis, 2006 The book examines the critical use of biblical and early Christian traditions in such Christian Gnostic texts as the Apocryphon of John The Nature of the Archons The Apocalypse of Adam The Testimony of Truth The Apocalypse of Peter The Letter of Peter to Philip and the apocryphal Acts of John **The Theology of the First Christians** Walter Schmithals, 1997-01-01 In The Theology of the First Christians Walter Schmithals offers a comprehensive history of the development of religious thought from the preaching of Jesus to the formation of the New Testament canon This well researched volume will be of great interest to New Testament scholars and students **Studies in the New Testament and Gnosticism** George W. MacRae, 2007-09-01 George W MacRae SJ 1928 1985 was an internationally known scholar in the field of New Testament studies He received his doctorate from Cambridge University in New Testament studies taught New Testament at Weston School of Theology and was Stillman Professor of Roman Catholic Studies at Harvard University where he was serving as acting dean of the theology faculty at the time of his death He was a renowned scholar on the Gospel of John Book jacket **Creation and Redemption** John G. Gibbs, 1971 *The Setting of Second Clement in Early Christianity* Donfried, 2014-04-09 Preliminary Material Karl Paul Donfried Chapter One Literary and Historical Problems Karl Paul Donfried Chapter Two Quotations from Authoritative Sources Karl Paul Donfried Chapter Three The Intention of Second Clement Karl Paul Donfried Excursus I The Background of 2 Clem I 4 8 Karl Paul Donfried Bibliography Karl Paul Donfried I Textual Indexes Karl Paul Donfried *History of New Testament Research, Vol. 2* William Baird, 2002-11-01 Stressing the historical and theological significance of pivotal figures and movements William Baird guides the reader through intriguing developments and critical interpretation of the New Testament from its beginnings in Deism through the watershed of the Tübingen school Familiar figures appear in a new light and important previously forgotten stages of the journey emerge Baird gives attention to the biographical and cultural setting of persons and approaches affording both beginning student and seasoned scholar an authoritative account that is useful for orientation as well as research *Nag Hammadi Bibliography 1970-1994* David Scholer, 2020-10-26 This is a sequel to the immensely useful Nag Hammadi Bibliography 1948 1969 which was the first volume to appear in the Nag Hammadi Studies series The volume

provides a complete integration of Supplements I XXIV to the Bibliography as published in Novum Testamentum 1971 1997 with additions and corrections In total the update contains over 6092 entries Nag Hammadi and Gnostic studies continue to be of critical importance for the study of ancient religions in the Graeco Roman world and for the study of the world of early Christianity and the present bibliography provides an indispensable reference tool for work in these fields *The Trial and Crucifixion of Jesus* David W. Chapman, Eckhard J. Schnabel, 2015 The authors of this volume set themselves one task to trace the extra biblical primary texts that are relevant for understanding Jesus trial and crucifixion With that goal in mind the book is built on three major themes 1 Jesus trial interrogation before the Sanhedrin 2 Jesus trial before Pontius Pilatus and 3 crucifixion as a method of execution in antiquity In chronologically sequential order where possible the authors select and arrange an overwhelming amount of extra biblical primary texts 462 to be exact underneath these three categories 75 46 and 341 texts respectively Brian J Wright in Religious Studies Review

Revelation and Concealment of Christ Saeed Hamid-Khani, 2021-03-16 The elusive disposition of John's language has been noted by biblical scholars throughout the history of New Testament studies The Fourth Gospel is seen as so simple to grasp and yet often pointing beyond itself and beckoning the reader to read deeper Various socio linguistic studies have explained this feature as the reflection of the sectarian tendencies in the Johannine Christianity In his study Saeed Hamid Khani questions these approaches as inadequate In turn he examines John's language within an exegetical and theological framework He argues that the Sitz im Leben of Johannine language was an environment in which the Hebrew Scriptures were the dominant conceptual force for both the Jews and the Christians In this context he argues that the essential function of John's enigmatic language is wedded to the Evangelist's purpose in writing the Gospel namely a steadfast focus upon setting forth that Jesus is the Christ according to the witness of Israel's Scriptures It is here in these echoes and thematic allusions to the Scriptures that we find the answer to the function and significance of John's unique language i e Jesus is the Messiah the Saviour of the world and he is the visible image of the invisible God the embodiment of the self revelation of God according to the Scriptures However these truths are concealed from the undiscerning and are only revealed by the spirit of God to those who are born of God

Christ, the Spirit and the Community of God Arie W. Zwiep, 2010 Collection of essays published previously between 1995 and 2010 *Christ the Ideal King* Julien Smith, 2011 A central rhetorical strategy of Ephesians involves the portrayal of Christ as an ideal king who reunites a fractured cosmos and humanity through his reign In this comprehensive study Julien Smith shows how this literary characterization unifies the letter's major themes reconciling humanity with God uniting Jew and gentile establishing ecclesiastical harmony and defeating hostile powers arrayed against the church The author grounds his analysis in a thorough account of the kingly ideal's powerful contemporary cultural resonance which was rooted in the widespread yearning within both Greco Roman and Jewish thought for a golden age inaugurated by a divinely ordained monarch For Ephesians author and audience only Christ the ideal king has power to form identity and transform behavior

Spirits and the Proclamation of Christ Chad T. Pierce, 2011 Originally presented as the author's thesis Ph D University of Durham under the title Christ's proclamation to the imprisoned spirits 1 Peter 3:18-22 in its historical and literary contexts

Shaping the Future Horst Hutter, 2006-01-01 Shaping the Future maps out the ascetic practices of a Nietzschean way of life Hutter argues that Nietzsche's doctrines are attempts and temptations that aim to provoke his free spirited readers into changing themselves by putting philosophy into practice in their lives

Clothing the Body of Christ at Colossae Rosemary Canavan, 2012 What we think of our bodies and what we wear says something about who we are and how we belong This was the same in the ancient world Rosemary Canavan explores the imagery of clothing and body in the first century CE Christian writing An examination of statuary funerary monuments and coins in this geographical location contemporaneous with the letter's writing reveals how clothing and body images were understood This is then placed in dialogue with the metaphorical use of clothing and body in other texts especially the Letter to the Colossians Social identity and rhetorical studies draw on archaeological epigraphical iconographical and literary sources to formulate a new approach to biblical interpretation aptly named visual exegesis

The Death of Jesus Alexander J. M. Wedderburn, 2013 The death of Jesus and its interpretation present both exegetes and theologians with a puzzle For Jesus himself seems to have left his followers few clues and the story of his passion is ambivalent embracing both his reluctant self surrender in Gethsemane and his reproachful cry on Golgatha Some of the various motifs and images used by his followers to explain this event were taken over by Paul despite the opposition he saw between the message of the cross and any human wisdom Yet what meaning do two of the central themes of his soteriology the corporate representative role of Christ and the language of righteousness and justification hold for us today Or does Paul offer just as little help here as Jesus himself did

Critical and Exegetical Hand-book to the New Testament Heinrich August Wilhelm Meyer, 1884

Christ as the Telos of Life Bradley Arnold, 2014-08-27 Bradley Arnold examines Paul's argument in his letter to the Philippians He looks particularly at how this argument is structured similarly to the pattern of thinking in ancient moral philosophy utilizes athletic imagery within this argumentative framework and employs a rhetorical practice known as vivid description

Jesus the Christ Walter Kasper, 2011-10-06 Here at last is a reissue of Kasper's major work with a brilliant new introduction surveying recent developments in Christology Kasper assesses the Christological enterprise in the Church from the earliest down to the most recent times which can be recommended without hesitation to teacher and serious student The book also provides a solid theological basis for preaching This may also be described as a work of Christian serenity but one which is not indifferent to current problems It is the fruit of the deep peace which all men can gain from contemplation of Jesus the Christ As Karl Rahner has said this book is modern in the very best sense of the word Synthesising biblical philosophical and traditional material the book remains essential reading for specialists and is used widely for courses on Christology the very basis of Christian theology itself
