Albert Mohler, Jr.,2022-06-14 In Tell Me the Stories of Jesus pastor and theologian R Albert Mohler Jr reveals the unique power of Jesus parables for today s readers showing how they announce the kingdom communicate both judgment and grace and call every human heart toward transformation in the light of God s love He who has ears let him hear The Prodigal Son The Good Samaritan The parable of the mustard seed The stories Jesus told during his earthly ministry are packed with such memorable images and characters

that they now permeate our culture's popular imagination. But what if their familiarity has muted their powerful message causing today's readers to miss their ability to shock and transform. In *Tell Me the Stories of Jesus* renowned pastor and theologian R. Albert Mohler Jr. unlocks the power of Jesus parables for readers today. Jesus perfected the art of telling parables, short stories with a surprising twist and an explosive message that confronted his listeners with surprising and often uncomfortable truths about the human heart and the kingdom of heaven. But two thousand years later, modern readers may not grasp the cultural and historical context that made these stories so compelling for Jesus' original audience. Mohler brings Jesus' stories to life, uncovering the context and allowing readers to hear these stories in all their shocking, paradigm-shifting power. Readers will feel a deeper connection with Jesus by stepping into the shoes of his first-century followers and hearing with fresh ears the stories he shared with his closest followers. They gain a deeper understanding of the gospel through Jesus' own words and see the parables in a new light, experiencing perhaps for the first time their ability to draw people into Jesus' kingdom. Every parable Jesus told contains judgment and grace. They hold up a mirror that reveals the human heart and invites everyone to welcome Jesus' kingdom and reign. Will you have ears to hear their vital message? *Jesus and Well Being* Thomas V. McGovern, 2017-06-29. The author begins and ends with the challenging question that many ask today: How do our lives make sense in light of the life of Jesus? Drawing on Jesus's gospel parables and sayings and Paul's letters, each chapter invites readers to explore the virtues of wisdom, love, justice, courage, temperance, and transcendence. Jesus's 1st-century life deserves our continuing study as we develop a truly mindful spirituality for 21st-century well-being. Professor McGovern's distinguished teaching and scholarly life work is clearly evident as he artistically weaves together so many threads to enable the reader to create their own spiritual tapestries. This book will inspire readers with lifelong traditional commitments as well as those who may currently identify as spiritual but not religious. Thought-provoking ideas. Pragmatic applications. A good story. Transformative. *On the Mystery* Catherine Keller, 2007-11-08. With immediate impact and deep creativity, Catherine Keller offers this brief and unconventional introduction to theological thinking, especially as recast by process thought. Keller takes up theology itself as a quest for religious authenticity. Through a marvelous combination of brilliant writing, story, reflection, and unabashed questioning of old shibboleths, Keller redeems theology from its dry and predictable categories to reveal what has always been at the heart of the theological enterprise: a personal search for intellectually honest and credible ways of making sense of the loving mystery that encompasses even our confounding times. *NKJV, Maxwell Leadership Bible* Thomas Nelson, 2007-09-16.
