Jesus The Seer The Progress Of Prophecy:

Jesus the Seer Ben Witherington III, 2017-10-01 Increasingly scholars recognize that prophetic traditions expressions and experiences stand at the heart of most religions in the ancient Mediterranean world This is no less true for the world of Judaism and Jesus Ben Witherington III offers an extensive cross cultural survey of the broader expressions of prophecy in its ancient Mediterranean context beginning with Mari moving to biblical figures not often regarded as prophets Balaam Deborah Moses and Aaron and to the apocalyptic seer in postexilic prophecy showing that no single pattern describes all prophetic figures The consequence is that different aspects of Jesus s activity touch upon prophetic predecessors his miracles on Elijah and Elisha his self understanding as the Son of Man on Daniel and 1 Enoch his warnings of woe and judgment on the writing prophets in Judean tradition and his messianic entry into Jerusalem on Zechariah 9 Witherington also surveys the phenomenon of apocalyptic prophecy in early Christianity including Paul Revelation the Didache Hermas and the Montanist movement *Jesus the Seer* is a worthy complement to Witherington s other volume on Jesus *Jesus the Sage* Fortress Press 2000

Blomberg, 2012-07-16 Craig Blomberg surveys the contemporary critical approaches to the parables including those that have emerged in the twenty years since the first edition This widely used text has taken a minority perspective and made it mainstream with Blomberg ably defending a limited allegorical approach and offering brief interpretations of all the major parables

The Ending of the Canon Külli Töniste, 2016-02-25 Revelation studies have been typically characterised by two very different types of study emanating from academia and the church Academia has been engaged in historical critical and source critical studies which typically dissect the text Whilst the methods used in the church treat Revelation as scripture and keep the text intact these approaches often lack the tools for sound interpretation Töniste observes the need for a more holistic and thoughtful methodology to study Revelation Töniste develops an approach that respects Revelation as a part of Christian scripture composed by and for the church whilst simultaneously making use of respected modern academic methods that support unity literary canonical and narrative criticism intertextuality and canonical location to arrive at theologically sensible and satisfying interpretations The basic key to unlocking the mysteries of Revelation lies in its abundant use of intertextuality an area that remains still under researched This integrated methodology is explored through a reading of Revelation 21-22

Two Views on Women in Ministry Zondervan, 2010-02-23 The role of women in positions of worship and church leadership is one of the most divisive and inconclusive biblical debates *Two Views on Women in Ministry* furnishes you with a clear and thorough presentation of the two primary exegetical arguments so you can better understand each one s strengths weaknesses and complexities Egalitarian equal ministry opportunity for both genders represented by Linda L

Belleville and Craig S Keener Complementarian men and women fill distinctive ministry roles represented by Craig L Blomberg and Thomas R Schreiner This revised edition brings the exchange of ideas and perspectives into the traditional Counterpoints format Each author states his or her case and is then critiqued by the other contributors The fair minded interactive Counterpoints forum allows you to compare and contrast the two different positions and form your own opinion concerning the practical and often deeply personal subject of women in ministry The Counterpoints series presents a comparison and critique of scholarly views on topics important to Christians that are both fair minded and respectful of the biblical text Each volume is a one stop reference that allows readers to evaluate the different positions on a specific issue and form their own educated opinion

Letters and Homilies for Hellenized Christians, Volume 2 Ben Witherington III,Ben Witherington,2008-01-09 In the

first of three volumes Witherington extends his innovative socio rhetorical analysis of New Testament books to the later Pauline and non Pauline corpora placing each text within its socioreligious milieu and illuminating the particular issues that confronted each congregation as well as the rhetorical strategies employed by each author in addressing those issues Throughout Witherington shows his thorough knowledge of recent literature on these texts and focuses his attention on the unique insights brought about through socio rhetorical analysis that either reinforce or correct those gleaned from other approaches Strikingly based on his rhetorical analysis that either reinforce or correct those gleaned from other approaches Strikingly based on his rhetorical analysis of the Pastorals he makes the case for Luke as Paul s amanuensis for these letters He also makes a strenuous argument against New Testament pseudepigrapha from back cover

Drunk in the Spirit Merrill G. Greene, 2025-07-15 Sloshed Hammered Doing carpet time Sipping godka Videos showing people falling down shaking and spontaneously laughing all in church If one has not grown up in the Charismatic or Pentecostal tradition the concept of being drunk in the Spirit likely seems baffling Yet in recent decades the idea of spiritual intoxication has gained traction What should we think about such odd looking manifestations Does the Bible speak of anything like this How should we discern such things In this book readers will find a sustained analysis of passages from the Bible dealing with these very topics Readers may be shocked at how trances ecstatic episodes and altered states of consciousness are indeed found within the pages of sacred Scripture some of them hidden in one s own cherished stories

Echoes from the Caves: Qumran and the New Testament Florentino García Martínez, 2010-01-01 In spite of the amount of literature on the relationship between the Dead Sea Scrolls and the New Testament no consensus among the scholars has emerged as yet on how to explain both the similarities and the differences among the two corpora of religious writings This volume contains a revised form of the contributions to an experts meeting held at the Catholic University of Leuven on December 2007 dedicated to explore the relationship among the two corpora and to understand both the commonalities and the differences between the two corpora from the perspective of the common ground from which both corpora have developed the Hebrew Bible

Text, Thought, and Practice in Qumran and Early Christianity Orion Center for the Study of the Dead Sea Scrolls and Associated Literature. International Symposium, 2009 The 13 papers comprising this volume represent the fruits of the first Orion Center Symposium devoted to the comparison of the Dead Sea and early Christian texts The authors reject the older paradigm which configured the similarities between Qumran and early Christian literature as evidence of influence from one upon the other They raise fresh methodological possibilities by asking how insights from each of these two corpora illuminate the other and by considering them as parallel evidence for broader currents of Second Temple Judaism Topics addressed include specific exegetical and legal comparisons prophecy demonology and messianism the development of canon and the rise of commentary and possible connections between the Gospel of John and the Dead Sea Scrolls

The Gospel of Mark Ben Witherington, 2001-01-08 This book offers the first sustained attempt to read the Gospel of Mark both as an ancient

biography and as a form of ancient rhetoric Ben Witherington applies to Mark the socio rhetorical approach for which he is well known opening a fresh new perspective on the earliest Gospel Written when the fledging Christian faith was experiencing a major crisis during the Jewish war Mark provides us with the first window on how the life and teachings of Jesus were presented to a largely non Jewish audience According to Witherington the structure of Mark demonstrates that this Gospel is biographically focused on the identity of Jesus and the importance of knowing who he is the Christ the Son of God This finding reveals that Christology stood at the heart of the earliest Christians faith It also shows how important it was to these earliest Christians to persuade others about the nature of Jesus both as a historical figure and as the Savior of the world

The Indelible Image: The Theological and Ethical Thought World of the New Testament, Volume Two

Ben Witherington III, 2010-03-30 In the second volume of his two volume comprehensive overview of the theological and ethical thought world of the New Testament Ben Witherington III focuses on the collective witness of New Testament writers the convergences and divergences of their theological and ethical thought

Psalms Old and New Dr. Ben Witherington III, 2017-06-15 Reading the Book of Psalms in its original context is the crucial prerequisite for reading its citation and use in later interpretation including the New Testament writings argues Ben Witherington III Here he offers pastors teachers and students an accessible commentary to the Psalms as well as a reasoned consideration of how they were heard and read in early Christianity By reading forward and backward Witherington advances the scholarly discussion of intertextuality and opens a new avenue for biblical theology A rare treasure a triumph Philip Jenkins Baylor University A gold mine of exegetically grounded biblical theology Craig Evans Houston Baptist University
