Jesus Was An Airborne Ranger Find Your Purpose Following The Warrior Christ:

Jesus Was an Airborne Ranger John McDougall, 2015-04-21 The Raid that Rescued Us The Mission that Defines Our Lives You are trapped behind enemy lines You feel it every day Powerful forces want to destroy you and those you love Completely surrounded you see no means to escape Sadly the Jesus we often picture is too timid to help more like a daytime talk show host than a dangerous Rescuer Who would follow much less risk everything for such a leader Get ready to see Jesus like you've never seen him before a battle scarred Combatant who stared death in the face and won This is no Sunday school Jesus meek and mild This is the Warrior Christ who has descended from the heavens defeated the Enemy and rescued humanity Now he calls us to continue his mission and fight for others our families our communities and the world In Jesus Was an Airborne Ranger Army Chaplain John McDougall offers an alternative to the soft gentle caricature of Jesus Only the Warrior Christ can impact our broken world And only in following him can you find the life of purpose you've always wanted **SUIT UP** It's time to enter the fight with the first and greatest Airborne Ranger The views expressed in this book are those of the author and do not reflect the official policy or position of the U S Army the Department of Defense or the U S government

Jesus and John Wayne Kristin Kobes Du Mez, 2020-06-23 NEW YORK TIMES BESTSELLER The paradigm influencing Christianity Today that is fundamentally transforming our understanding of white evangelicalism in America Jesus and John Wayne is a sweeping revisionist history of the last seventy five years of white evangelicalism revealing how evangelicals have worked to replace the Jesus of the Gospels with an idol of rugged masculinity and Christian nationalism or in the words of one modern chaplain with a spiritual badass As acclaimed scholar Kristin Du Mez explains the key to understanding this transformation is to recognize the centrality of popular culture in contemporary American evangelicalism Many of today's evangelicals might not be theologically astute but they know their VeggieTales they've read John Eldredge's *Wild at Heart* and they learned about purity before they learned about sex and they have a silver ring to prove it Evangelical books films music clothing and merchandise shape the beliefs of millions And evangelical culture is teeming with muscular heroes mythical warriors and rugged soldiers men like Oliver North Ronald Reagan Mel Gibson and the Duck Dynasty clan who assert white masculine power in defense of Christian America Chief among these evangelical legends is John Wayne an icon of a lost time when men were uncowed by political correctness unafraid to tell it like it was and did what needed to be done Challenging the commonly held assumption that the moral majority backed Donald Trump in 2016 and 2020 for purely pragmatic reasons Du Mez reveals that Trump in fact represented the fulfillment rather than the betrayal of white evangelicals most deeply held values patriarchy authoritarian rule aggressive foreign policy fear of Islam ambivalence toward MeToo and opposition to Black Lives Matter and the LGBTQ community A much needed reexamination of perhaps the most influential subculture in this country Jesus and John Wayne shows that far from adhering to biblical principles modern white evangelicals have remade their faith with enduring consequences for all Americans **Knowing God and Understanding**

the Enemy R.J. Wilkowski,2024-06-11 Author R J Wilkowski spent nearly two decades struggling with his faith and belief system studying a large variety of ideas beliefs and evidence throughout human history both biblical and nonbiblical He developed a list of questions centering on spirituality He wanted to know why life is so hard Who is God really What does God want from us And how do we know if it s God who is speaking In *Knowing God and Understanding the Enemy* he seeks to answer these questions while showing God is much more than just a spiritual guide to help you maneuver through life Wilkowski describes the types of struggles people experience He explains the different facets of the living God how he relates to you and the varied forms in which he works in your life Finally Wilkowski addresses the devil s schemes to destroy anything that resembles Christ He tells how Satan has been using the same tactics for millennia to bring fear shame and doubt into your life *Knowing God and Understanding the Enemy* discusses how to avoid Satan s tactics and truly know and trust the love and power of the living God **Valor and Vulnerability** Robert C. Dykstra,Ryan LaMothe,2025-04-10

Intimacy vulnerability precarity resiliency and loss are ingredients of any life though they take on particular shape and tone when we listen to the experiences of boys and men The voices and stories of men and boys are invitations for pastoral ministers and theologians to understand and respond to their joys struggles and sorrows as well as to recognize and affirm their courage and strengths In this book thirteen scholars in pastoral theology from diverse backgrounds and perspectives collaborate in engaging art literature the social sciences and cultural artifacts to explore the intersection of masculinity and religious life in rich and varied forms Their aim in part is not only to deepen and appreciate wide ranging experiences of boys and men but also to attend and respond to systemic realities that contribute to or undermine their flourishing *The Coming Jesus and the Anthropocene* Ryan LaMothe,2024-02-22

Melting glaciers and icecaps massive forest fires enormous storms extensive and prolonged flooding and desertification of large tracts of land are realities we currently face and will continue to struggle with as a result of climate change Our climate crisis invites if not demands a critical evaluation of our political religious economic and cultural narratives and rituals that give rise to our ways of relating to one another to other species and to planet Earth This book argues that the climate emergency exposes deep problematic roots of Western religious and political paradigms and apparatuses that undergird ideas of and methods for human flourishing In particular Western religious and political philosophies have produced and maintained a radical rift between human beings and other species as well as beliefs about human dominion over other species and the earth These ideas and practices are responsible for the colonization of Nature and for climate change Understanding these sources invites a radical reimagining of our religious ideas and practices Specifically this book proposes a coming Jesus a form of life that traverses the rift while denying human and divine dominion for the sake of recognizing and respecting the singularities and flourishing of all species **I**

Pledge Allegiance David Crump,2018-02-01 What does it really mean for Christians to live as faithful kingdom citizens in today s world Bitter partisan conflict State sanctioned torture Economic injustice Ethical corruption Even a cursory glance

over daily news headlines shows a stark contrast between the American political state and the kingdom of heaven Where then does the Christian s ultimate allegiance lie In I Pledge Allegiance David Crump issues a clarion call to Jesus s twenty first century disciples stirring them up to heed God s word and live out their kingdom citizenship here on earth Closely examining the ethical teachings of Jesus and his apostles in the New Testament and using real world examples to illustrate the vital issues at stake Crump challenges Christians to embrace the radical counterintuitive upside down way of Jesus a way of living and thinking that turns the world s values on their head smashes through stale political and cultural conventions and welcomes God s kingdom into the very heart of our shared society

The Christian as Imitator of Christ

Francis Kofi Achampong,2025-04-25 Two and a half billion people worldwide profess to be Christians These include people who espouse ideas about White Christianity Chris tian nationalism Christian libertarianism racial segregation and racial purity It also includes people who see assistance to the poor as handouts that perpetuate poverty The latter group includes people who espouse ideas about accountable individualism where people are expected to pull themselves up by their own bootstraps and become self sufficient as a sign of faith in God s grace and a perversion of crucicentrism which takes the position that it is compassionate to allow poor people to suffer because it can drive them to the cross and salvation in Christ
