*Jesus and the Old Testament* R. T. France, 2000-10      *Knowing Jesus Through the Old Testament* Christopher J. H. Wright, 2014-10-14 We cannot know Jesus without knowing his story And that story began long before Jesus was born in Bethlehem The Gospels tell us clearly that Jesus himself along with his earliest followers understood who he was and what he came to do in the light of the story of Israel as told in the pages of the Old Testament Like them we too will find that our own understanding of both Jesus and the Old Testament is transformed as we see each in the light of the other Engaging with the Scriptures Christopher J H Wright uncovers Jesus self understanding as Son of Man and Son of God following the path and fulfilling the call that God had placed before Israel Through this we discover that the deeper we go into understanding the Old Testament the closer we come to the heart of Jesus In this revised and updated second edition Wright digs deeper into the Old Testament revealing the God whom Jesus embodied Each chapter is followed with questions and exercises which can be used either in personal study or in group discussion      *The Great Argument, Or, Jesus Christ in the Old Testament* William Hanna Thomson, 1884      ***Jesus Christ in the Old Testament*** Anthony Tyrrell Hanson, 2011-05-13      *Seeing Christ in the Old Testament (part 1)* Stephen Kaung, 2012-01-23 The word of God is living and operative Hebrews 4 12a It is living and not just letter because it gives life The Scriptures are operative because they contain not only theological ideas to be pondered but also spiritual realities to be experienced For every scripture is divinely inspired God breathed and profitable for teaching for conviction for correction for instruction in righteousness that the man of God may be complete fully fitted to every good work II Timothy 3 16 17 Ye search the scriptures said the Lord Jesus Christ for ye think that in them ye have life eternal and they it is which bear witness concerning me and ye will not come to me that ye might have life John 5 39 40 It behooves us therefore to diligently read the Bible and meditate on it To encourage God s people to study God s word brother Stephen Kaung delivered a series of messages on the sixty six books of the Bible Commencing in 1983 each Lord s day the survey of one book was shared from the New Testament and a similar sharing from the Old Testament commenced in 1986 Each message is merely a panoramic view of each book of the Bible a tasting of the sweetness of God s word The aim is to provide the saints with some basic understanding in their search of God s word These being spoken messages no acknowledgement of the names of the many commentaries consulted is indicated This survey of the Holy Bible will be published as Volume I and Volume II under the overall title of God Has Spoken with Volume I bearing the subtitle Seeing Christ in the Old Testament and consisting of two physical volumes Part One Genesis to Song of Songs and Part Two Isaiah to Malachi and Volume II bearing the subtitle Seeing Christ in the New Testament May God use these volumes to increase our love for His word      *Five Views of Christ in the Old Testament* Zondervan, 2022-10-25 The authors of the New Testament regularly quote and allude to Old Testament passages that point to the presence person and work of Jesus Jesus himself claimed that Moses wrote about him John 5 46 And on the road to Emmaus Jesus instructed the disciples from Moses and all

the prophets regarding himself Luke 24 27 Though Christians affirm that the Old Testament bears witness to Christ how the Old Testament writers did this is a matter of extensive debate Furthermore Christian biblical scholars also debate the degree to which contemporary interpreters of the Bible can follow the hermeneutics of the New Testament authors in using the Old Testament to point to the person and work of Jesus Christ Five Views on Christ in the Old Testament is the first book to bring together in conversation the major views on how the Old Testament points to Christ Contributors and views include The First Testament Priority View John Goldingay The Christotelic View Tremper Longman III The Redemptive Historical Christocentric View Jason DeRouchie The Reception Centered Intertextual View Havilah Dharamraj The Premodern View Craig Carter Each contributor presents their preferred methodology showing readers how their interpretive approach best explains the biblical data Additionally authors provide case studies of various Old Testament passages that equip readers to better compare the strengths and weaknesses of each of author s approaches This essential resource will help readers learn practical steps to help them read the Old Testament more faithfully as it testifies to Jesus the Messiah

**Christ in the Old Testament** Douglas Van Dorn, 2019-11-05 Few subjects are as important yet ignored or misapplied as the one addressed in this book Jesus Christ is the absolute center and focus of the totality of God s word Many people confess this belief since Jesus himself taught it Luke 24 27 John 5 39 Christians have done well to see this on one or two levels Yet truly understanding just how primary he is as an actor even in the Old Testament is something few have considered In this revised and expanded edition of *From the Shadows to the Savior* 2015 Douglas Van Dorn helps us see the light of Christ that emerges from the dark hallways of Scriptures that so many find outdated unintelligible and irrelevant for today s Church Learn how Christ is found in such things as prophecy typology and the law Then come in for a deeper study of how the Person himself is actually present walking speaking and acting beginning in the very first book of the Bible Learn how words such as Word Name Glory and Wisdom are all ideas that the Scripture itself attaches to Christ who in the OT is called The Angel of the LORD Then see if such ideas don t radically change the way you think about all of God s word in this truly life changing summary of Christ in the Old Testament This edition contains three new chapters Christ the Power Christ the Face and Christ the Shepherd has been reworked to make sections even clearer contains new resources and study questions It is the perfect book for a study guide on Christ in the Old Testament A certain kind of delight comes over the Christian when he or she discovers glorious truths in the Bible that were somehow missed or misinterpreted throughout one s life I experienced this many times in reading Pastor Van Dorn s insightful work Surely Christ is found throughout the Old Testament and his ministry precedes his achievements through the Incarnation Douglas Groothuis Ph D Professor of Philosophy Denver Seminary Author of *Christian Apologetics A Comprehensive Case for Biblical Faith*

*Finding Christ in the Old Testament: Searching Out How the Early Church Supported the Doctrines of Christ from only the Old Testament* William Waddell, PhD., ThD., 2014-10-13 So the modern believer may be encouraged to search out Jesus not only in the New Testament but also in

the Old The early church even though they had only the Old Testament did not lack in Scriptural backing when they preached and taught about Jesus The modern church should be as well armed having both the Old and New Testament at its disposal

**Testament** G. Albert Darst, 2010-09 Christ The Angel of God Christ The Battle Bow Christ A Goodly Cedar Since the time that I accepted Jesus Christ as my Saviour in 1976 I have heard it said that He was the focus of the Bible I have never doubted that I have heard it said that Jesus Christ was the subject of each book of the Bible including the Old Testament I struggled with that not because it was untrue but because no one in my theological circle submitted proof that it was true

This book is proof that Jesus Christ can be found in each book of the Old Testament Therefore Jesus Christ is available to become the subject of any book of the Bible if we take this approach to the Scriptures What is the benefit of this approach The Lord Jesus Christ becomes more precious to our souls as we encounter the varied facets of His Person That should be enough but now we can gain new insights into the Godhead and the inspired Word of God This approach provides a fresh reason to study the Bible and a new direction in sermon and lesson preparation Personal and family devotions are given new life in Christ A fresh breeze blows across the pages of the Old Testament The book is arranged for ease of use Section One contains all the designations of Christ arranged alphabetically Section Two contains all the physical aspects of Christ arranged alphabetically Section Three is arranged by the mentions of Christ in each book of the Old Testament Do you have your Bible Do you have this book Begin your journey seeking for the unsearchable riches of Christ     **The Gospel of the Old Testament** Samuel Mather,1834     **Looking for Jesus in the Old Testament** Dennis Dyson,2021-09-24 Can you prove God exists If you read the Bible in its entirety you will know he does Jesus is revealed to us throughout the New Testament but God's plan of salvation can also be found in the Old Testament The Bible is a marvelous book containing many seemingly unconnected stories each exhibiting wonders of their own but you will also find they also are woven into a cohesive whole pointing to one thing Jesus Every word from beginning to end is breathed by God so we can get to know him and his plan to bring us back into his loving arms Every word and I do mean every word is about Jesus In *Looking for Jesus in the Old Testament* you will discover Jesus looking back at you from every page     *Christ in the Old Testament* Rose Publishing,2021-08-03 *Christ in the Old Testament* is a handsome pamphlet that explores the lives of 13 biblical people who prefigured the Messiah This bestselling 14 panel foldout chart examines types parallels and illustrations of Jesus throughout the Old Testament including men such Melchizedek King David Adam Noah Abraham Joseph and many others When viewed through the prism of Christ's life death and resurrection these Old Testament characters and their roles in Old Testament history take on new dimensions Students will discover how their lives can also point to Christ Size 8 5 x 5 5 unfolds to 38 long Fits inside most Bible covers Christ is the key to what God had been pointing to in all the history of God's people One way to see this is to examine parallels between Old Testament people events and things and the life of Jesus in the New Testament *Christ in the Old Testament* pamphlet shows how the Old Testament anticipates reveals promises and foreshadows Christ featuring types and illustrations of Jesus The pamphlet reveals 13 Old Testament men who foreshadowed Jesus A Scriptural time line of their placement in history Summaries of their lives and significance Charts comparing ways their life events and actions paralleled Christ or his coming Life application questions The 13 men in the Old Testament whose life foreshadowed Christ include Adam Noah Abraham Melchizedek Joseph Moses Joshua Samuel David Elijah Elisha Zerubbabel Joshua Throughout the Old Testament God provided glimpses into the character and nature of the Messiah through typologies significant biblical characters whose actions or events symbolically correspond with or contrast to the life

Frame,2015-05-29 For those who find The Old Testament difficult to comprehend will inevitably find the thorough interpretation of The King James Authorised Version a far better read Although Jesus Christ does not appear in the Old Testament we can see how he is represented even before his time This book contains many examples which are translated for the modern Christian and may encourage you to search for the true meaning of the scriptures yourself We learn for example how the lives of Joseph and Jesus ran parallel even though they lived at different times how they were betrayed and sold to the hands of their enemies **Jesus and Scripture** Steve Moyise,2011-09-01 Steve Moyise an expert on the use of the Old Testament in the New offers a brief but reliable introduction to the use of the Old Testament in the Gospels portrayals of Jesus **Finding Jesus in the Old Testament** David Limbaugh,2015-11-09 A New York Times Bestseller In Finding Jesus in the Old Testament David Limbaugh unlocks the mysteries of the Old Testament and reveals hints of Jesus Christ s arrival through all thirty nine Old Testament books The key to the secrets of the Old Testament Limbaugh argues is the crucial New Testament encounter between the risen Jesus and two travelers on the road to Emmaus With that key and with Limbaugh as a deft guide readers of Finding Jesus in the Old Testament will come to a startling new understanding of the Old Testament as a clear and powerful heralding of Jesus Christ s arrival Limbaugh takes readers on a revealing journey from Genesis through Malachi demonstrating that a consistent message courses through every one of the Old Testament s thirty nine books the power wonder and everlasting love of Jesus Christ Previously published under the title The Emmaus Code *On the Road to Emmaus* Daniel Tomlinson,2014-08-12 The Old Testament is one big picture book That s what the preacher said He continued You see we are all children and we need stories Like a comic book we need illustrations in order to learn what our Father would want us to know The year was 1995 I had been a Christian for over twenty years but I had never heard that For me the secret was out The Old Testament is all about Jesus If we will look we will see that the words of Moses and David the words of Isaiah and Zechariah all point to Christ What a revelation that was to me Christians brothers and sisters the Old Testament is about Jesus It s not about rules and

regulations so much it's not about Jewish history and poetry per se. It speaks, it pictures, it typifies our Lord. It tells of our Savior and friend in a way that makes it impossible for the man or the woman with eyes to see, to think, and to say anything other than Jesus is Lord. In his book *On the Road to Emmaus: Seeing Jesus in the Old Testament*, Dr. Dan Tomlinson examines how that wonderful post-resurrection Bible study may have sounded in looking at Old Testament people, pictures, prophecies, and psalms that illustrated the coming Messiah.

**Beginning at Moses** Michael P. V. Barrett, 2018-08-15

For many Christians today, the Old Testament is difficult to understand, seems outdated, and has questionable relevance. But as Old Testament scholar Michael Barrett points out, all Scripture is inspired by the Holy Spirit, and we must read it by faith, seeing that Christ is the key to unlocking the Old Testament's message. With great knowledge of and contagious passion for the Old Testament, the author shows readers how to identify basic characteristics of Christ and where to look for Him throughout the Old Testament. The author challenges us: God's promise throughout the Bible is that those who seek Him will find Him.

Beginning at Moses and ending with Malachi, we want to be on Christ alert.
