## **Jesus Call To Discipleship Understanding Jesus Today:**

**Jesus' Call to Discipleship** James D. G. Dunn, 1992-06-26 The latest book in the successful Understanding Jesus Today series Dunn explores the original meaning of discipleship in the early Church and then discusses what discipleship should mean for Christians today

*The Call to Discipleship* Karl Barth, 2003-11-01 In this brief essay drawn from Church Dogmatics Barth articulates what it means to follow Jesus in faith He emphasizes that discipleship involves a detachment from the authority of possessions foregoing the pursuit of personal glory challenging the fear and use of force the dissolution of self evident personal attachments and a better righteousness which goes beyond actions to intentions and practices piety in secret The command of Jesus is issued with all the freedom and sovereignty of grace against which there can be no legitimate objections of which no one is worthy for which there can be no preparation which none can elect and in the face of which there can be no qualification

**Did Jesus Teach Salvation by Works?** Alan P. Stanley, 2006-09-20 This book investigates the role of works in salvation in the Synoptic Gospels Jesus was all too aware of people who claimed to believe in Him and yet proved to be not truly born again e g John 2 23 25 8 31 46 A profession of faith made at some point during one's life is no guarantee that heaven awaits that person Such professions or conversion experiences must be followed by changed lives if faith is to be shown to be genuine saving faith Hence Jesus teaches that regardless of one's profession if one does not demonstrate a changed life produced by God one will not enter into heaven Such a judgment will be made when Jesus returns and judges every person according to his or her works While this may seem contradictory to some more well known passages ruling out the role of works in salvation e g Rom 3 21 4 25 Gal 2 16 21 Eph 2 8 9 there is every good reason to understand that Jesus' teachings complement such passages The works that admit one into heaven are not works produced by the flesh before conversion but works produced by God after conversion They will fundamentally be characterized by a life of discipleship love for others and endurance in faith and obedience and will therefore serve to confirm that one indeed did have a relationship with God during one's life Hence Jesus did teach salvation by works However God is the one who produces the works and they occur after conversion Thus salvation is not one's initial conversion but one's final entrance into heaven

*Following Jesus Christ* John K. Goodrich, 2019-11-19 A Comprehensive Guide to Discipleship in the New Testament and Today's World Although the concept of discipleship is an integral part of New Testament teaching it has largely faded from discussion in both the academy and the local church To revive and reclaim this teaching for believers in the twenty first century editors John Goodrich and Mark Strauss have assembled an expert team of scholars to uncover what every New Testament book teaches about discipleship providing a comprehensive biblical picture In addition other contributors explore discipleship in the context of the local church spiritual formation and the life of the mind Together these essays point the way forward for becoming more like Jesus Christ and helping others do the same in our personal and corporate lives An impressive roster of scholars who have addressed a vital but often neglected topic in both the church and

in the academy Rich with insight Following Jesus Christ represents a major advance in this essential area of study Craig A Evans Houston Baptist University We are treated here to a survey of what discipleship means in the New Testament from experts in the field and we also see some of the wider dimensions of discipleship in this important work All those wanting to understand discipleship will find this to be a valuable resource Thomas R Schreiner The Southern Baptist Theological Seminary

A Portrait of Jesus T. A. Prickett, 2010-07 The impulse to publish these sermons came to me after I had successfully published my book For Our Age of Anxiety based on the Sermon on the Mount All of these sermons were first written and preached while I was pastor of the Seven Hills Baptist Church in Owensboro Kentucky where I served for thirty four years As I considered the idea of publishing a follow up book of sermons from the remaining chapters of Matthew I went to my files and began the process of selecting the sermons to be included After I had selected these sermons I began to see that they could be put together under the theme of a portrait of Jesus This book features sermons that focus on the early days of the ministry of Jesus particularly as they related to the ministry of John the Baptist They also shed some light on the temptations of Jesus in the desert on the call of those who would be his first disciples and what is involved in being a disciple of Jesus then and now Some of the sermons are based on the miracles of Jesus thus revealing the compassion of Jesus These sermons also deal with the idea of the Kingdom of God showing some of the principles and characteristics of the Kingdom The last two sermons are about the person of Jesus It is my hope that these sermons will indeed help the reader to draw his or her own mental and spiritual portrait of Jesus

The Significance of Interpersonal Forgiveness in the Gospel of Matthew Isaac Kahwa Mbabazi, 2013-10-21 Isaac Mbabazi makes a major contribution to the field of New Testament by arguing that the relevant Matthean theme of interpersonal forgiveness is quite central to the first Gospel In The Significance of Interpersonal Forgiveness in the Gospel of Matthew he delineates five sets of evidence in support of his argument Beginning with a survey of all Matthean forgiveness and forgiveness related texts he then carries out an in depth exegesis of two key Matthean texts in which the idea of interpersonal forgiveness is explicit Discourse analysis informs his discussion offering valuable insight into Matthew s point of view Mbabazi notes that the forgiveness pattern that emerges from contemporary Greco Roman literature differs remarkably from the pattern found in Matthew where granting forgiveness appears not only as a reasonable act but reluctance or failure to grant it makes the unforgiving person accountable to God

Testament Ethics Frank J. Matera, 1996-01-01 Neither Jesus nor Paul developed a formal ethical system yet each left a moral legacy that forms the core of New Testament ethics In this book Frank Matera examines the ethic found in the teachings of Jesus and Paul He explores the broad range of moral concerns found in these writings and finds an identifiable unity that underlies the ethical teachings of both

**Philip: Apostle and Evangelist** Christopher R. Matthews, 2002-07-01 This study investigates the history of the traditions that coalesced around the name Philip in the New Testament and other early Christian literature It proposes that all of this material ultimately owes its genesis to one historical and literary figure Philip the apostle This proposition is explored through a wide ranging examination of the evidence Luke's redactional employment of traditional materials about Philip the apostle in Acts 8:4-25 and 8:26-40 the evidence of the canonical Gospels the second century perspective on Philip as an apostolic authority figure invoked to legitimate various Christian practices Philip's apostolic authority in gnostic documents for the transmission of the revelatory teaching of Jesus and the Acts of Philip as a witness to the formation of Christian culture in the earliest centuries While historical issues are considered where possible the focus is on the life of the traditions and their reception

**Seeing Jesus - A Disciple's Perspective** Andrew Bernhardt, 2013-01-11 When Andrew first met Jesus he ran home to bring his brother Simon to see him Philip called Nathaneal and the Samaritan woman invited the men of her town to come and see These people were not content with a mere look they were so excited they wanted others to see Jesus also As a follower of Jesus are you satisfied with just seeing him in the pages of scripture or are you so captivated that you want others to see him also Maybe it's been a while since you've had a good look at your Master If so the first part of this book A Gospel Travelogue will help you see Jesus with fresh eyes and encourage you to keep looking on your own Coming to Jesus is easy People have been doing so ever since he walked the earth But the call to follow Jesus is much more difficult The second part What It Means To Follow Jesus explains what Jesus meant when he said If anyone desires to come after me let him deny himself and take up his cross and follow me As you follow Jesus you realize he wants us to see with his eyes Look Pray Go is about the need to see people the way Jesus sees them Only in this way will we have his love and compassion when serving others The last part Discipleship Then and Now compares the way we train disciples today with the way Jesus and his apostles trained disciples There is much we can learn from the New Testament model

**Following the Master** Michael J. Wilkins, 2010-08-03 In the aftermath of the waves of discipleship programs that have swept over the church in the last 30 years clergy and laypersons alike are more confused than ever about what it means to be a disciple of Jesus Christ What should a disciple of Jesus look and act like today What is the relationship between discipleship and salvation between discipleship and sanctification between discipleship and ministry How were disciples of Jesus different from other disciples in the ancient world How did the early church carry out Jesus' agenda in making disciples of all the nations In Following the Master Michael J Wilkins addresses these and many other questions that perplex the church today not by offering another discipleship program or manual but by presenting a

**Disciple** Edward W. Watson,Martin M. Culy,2021-09-02 Modern readers sometimes view the Gospels and other biblical narratives as mere historical accounts of events that occurred long ago Biblical narratives however are intended to do far more than teach us history They are intended to change how we think and how we live In *The Making of a Disciple* Watson and Culy use insights from narrative criticism to show that the message of the Gospel of John is communicated not only through the teachings and deeds of Jesus but also through the actions of the other main characters and the consequences of

their actions As readers observe characters interacting with Jesus they are implicitly encouraged to either emulate or avoid their behavior Coupled with the teachings and acts of Jesus these characters serve as potent tools in the Gospel of John to showcase what it looks like not only to become a disciple of Jesus but also to grow to maturity and experience the fullness of joy that Jesus offers      *The Discipleship Dare* Jess Bousa, 2010-06 Changing the world is risky Jesus risked his life to make the world a better place When was the last time you took a risk for the cause of Christ If you are like most it was not recently As the saying goes The greater the risks the greater the rewards What if the biggest risk in life is not taking any risks for the cause of Christ at all In God's plan to make the world a better place He unleashes us to be adventurous in our everyday lives If your walk with God lacks adventure take the 40 day discipleship challenge and dare others to do the same Book jacket
