It's not about religion; it's about an actual loving and fulfilling relationship. The problem with religion is that it never gets to the core; it's just public behavior modification. We make nice facades, but deep down inside, we're dying. With a relationship, it's not man seeking God; it's God seeking man. We're purified from the inside out through His grace and mercy. It's about sacrifice. It's about understanding. It's about love. Chasing Freedom will help you learn how to ground yourself in the truth and discover a more fulfilled life in Christ. Through a heartbreaking testimony of how a young girl started thriving as a young Christian woman, discussions on basic Christian living, and answers to social issues, you can rediscover the promise of new life and grasp onto hope. Growing in Awareness, **Building Faith Brick by Brick** Emily Slichter Given, 2014-09. Engages children with multiple learning styles using a familiar medium: LEGO bricks. Building Faith Brick by Brick offers a culturally relevant, hands-on way to explore faith stories with a broad range of ages. It grew out of one congregation's realization that there was a large group of first-grade boys who needed to engage in a new way of interacting with the biblical story. Knowing how much LEGO bricks continue to be popular with children, the author dug deep into the well of creativity and an enormous bin of little plastic building bricks to meld together a new way of teaching the stories of God. This book offers the methodology as well as 30 Old Testament and 24 New Testament stories with lesson plans.
