## Jesus Christ Directed Guide 6:

A Discourse of the Necessity of Church-guides for Directing Christians in Necessary Faith R. H., Obadiah Walker, 1675

**Fundamentals of Christianity: a Bible Study and Guide** Andrew Barber, 2018-09-15 What is truth Who is God Who is Jesus Christ Who am I What is the meaning of life and death Answers to these questions can be found in Dr Andrew Barber's book *Fundamentals of Christianity A Bible Study and Guide* In this book Christian principles ethics doctrines and beliefs are explored examined and explained using the Holy Bible as the authoritative source This book will guide the reader through the fundamentals of the one true faith Learn about God his works and his will and teach others Grow in your knowledge and discover the mysteries revealed in God's Word for there you will find the answers to your questions problems desires and hopes All topics definitions scriptures and discussions have been derived directly from God's Word the Holy Bible The Sinner's Guide Venerable Louis of Granada, Aeterna Press, 2018-03-22 Two things Christian reader particularly excite the will of man to good A principle of justice is one the other the profit we may derive therefrom All wise men therefore agree that justice and profit are the two most powerful inducements to move our wills to any undertaking Now though men seek profit more frequently than justice yet justice is in itself more powerful for as Aristotle teaches no worldly advantage can equal the excellence of virtue nor is any loss so great that a wise man should not suffer it rather than yield to vice Aeterna Press

**The Churchman's Guide to Faith and Piety. A Manual of Instruction and Devotions. [The Preface Signed: R. B., I.e. Robert Brett.]** R. B., 1862 **Deacon Training** Kate Ward-Turner, 2008-05 Indifference toward deacon development places the church in a precarious state By and large congregations stand to be weakened by deacons who have not discovered the exciting possibilities of the office When pastor and congregation disregard the need to have trained deacons the office is allowed to recede into one of mere honor rather than service established in Christ On the other hand trained deacons or those in training discover exciting opportunities with which the office of deacons is filled They come to perceive the office as one of service rather than honor The church is strengthened exceedingly by their effective and efficient leadership under the sight of the pastor Unquestionable God is looking for a special breed of deacons a New Testament breed who are Spirit filled and qualified To say that deacons are qualified is to say also that they are trained for the work of deacons

**An Introduction to the Bible** Robert Kugler, Patrick Hartin, 2009-07-08 Many current Bible intro volumes focus more on theories about the biblical text than on the text itself They lack the simplicity that has become increasingly crucial as basic biblical literacy has declined Robert Kugler and Patrick Hartin seek to remedy that problem by turning readers back to the text at hand Their *Introduction to the Bible* surveys the content of all the biblical books section by section focusing on the Bible's theological themes *The Complete Topical Guide to the Bible* Martin Hugh Manser, Alister McGrath, J.

Packer, Donald Wiseman, 2017-05-02 *The Complete Topical Guide to the Bible* provides Scripture references definitions and cross references for the study of the Bible by topic The topical approach differs significantly from the lexical approach of a

concordance and a topical guide is an essential supplement to a concordance While a concordance is limited to the connection of biblical passages in which the same word appears the topical approach identifies and connects all of the underlying concepts related to a topic A concordance would not yield John 3 16 for a study of grace because the word grace does not appear in the verse but The Complete Topical Guide to the Bible includes John 3 16 for grace because it is an essential verse on the topic The topics in this resource include biblical doctrinal and historical subjects and they are organized into nine major categories God Jesus Christ the Holy Spirit creation humanity sin and salvation God's people the life of the believer and the last things In addition to the great themes of the biblical message practical issues of Christian living are also included The Baptist Library Charles George Sommers, William R. there has been a steady call for a return to community and tradition particularly in religious communities and in recent Christian theology and ethics The form of contemporary life upheld by modern ideals like freedom and universalism the story goes turns out to divide people from each other and from the communal sources of our traditionally moral values But the call to community too often confuses individualism with individuality assuming that any appeal to individuality as a value or ideal is a rejection of communal goods rather than a mode of promoting those goods What s necessary now is a recovery of the individual that understands individuality to serve community even in resistance to it In *Transforming Faith* Joshua Daniel offers a fresh reading of H Richard Niebuhr s theological ethics that provides an account of individuality and individual creativity as both the fruits and reformers of community What is theologically at stake in Daniel s reconstructive interpretation is the human s existentially resonant relation with God and the christological revitalization of our symbolic and virtuous activity

**Believer's Bible Commentary** William MacDonald, 2008-04-06 Make Bible study a part of your daily life with the thorough yet easy to read commentary that turns complicated theology into practical understanding The second edition of *Believer's Bible Commentary* is a one volume guide that helps the average reader develop basic knowledge of the Bible This commentary written by the late William MacDonald explores the deeper meanings of every biblical book and tackles controversial issues from a theologically conservative standpoint while also presenting alternative views Serving as a friendly introduction to Bible study *Believer's Bible Commentary* gives clarity and context to scripture in easy to understand language Features Introductions notes and bibliographies for each book of the Bible A balanced approach to linguistic studies and useful application Comments on the text are augmented by practical applications of spiritual truths and by a study of typology where appropriate Colorful maps of the Holy Land and other useful study helps Can be used with any Bible translation but is best used with the New King James version
