Hynd, 2022-02-25 The post Christendom era in the English speaking world has seen a significant reduction in access to political power by the churches a slow loss of their social and cultural influence and a shredding of their moral standing from abuse scandals and other public failings Community Engagement after Christendom directly addresses these challenges proposing a different approach to the relationship between church and society Church agencies today are often entangled in contracting with the state and its private partners to deliver government policy and services This means they can be increasingly vulnerable to external pressure So what resources can they and their agencies draw upon to reshape community engagement in a difficult unsettling context Community Engagement after Christendom proposes a multifaceted approach It begins by reading Scripture afresh through questions shaped by the present situation Douglas Hynd then explores the story of Anabaptist public servant Pilgram Marpeck identifying how his critique of

Christendom can help reshape our understanding today Finally he looks at the current experience of church related agencies and Christian advocacy suggesting fresh imaginative ways forward **The Hidden Faces of Courage** Peter C.

Wilcox,2019-01-16 Mother Teresa said to have courage for whatever comes in life everything lies in that When people think about courage they often think about those who put their lives on the line for us every day like first responders firefighters or police officers But there are so many others who quietly endure with steadfast courage whatever comes their way in life These people are like the anawim in the Old Testament the good kind people whom very few know about but who trust in the Lord He is their strength It is because of their faith in him that they live their lives with courage to face whatever comes their way In over thirty years as a psychotherapist and spiritual director Wilcox has often been amazed at the strength and courage of so many of his clients Some have faced physical disabilities others struggle with mental emotional or psychological problems still others with personal family or career issues These people are what he calls the hidden faces of courage Often they are not well known They certainly receive no notoriety or press Yet they are always there doing the best they can each day This book is an invitation to understand and appreciate the unnoticed courage and strength of ordinary people If we can walk in their shoes it will help us to be courageous for whatever comes to us in life Ministry Matters

Michael Plekon,2024-06-20 Congregations are shrinking and in decline Fewer people are part of communities of faith Michael Plekon s previous book *Community as Church* traced the factors behind this as well as the resurrection of parishes that have reimagined themselves in diverse ways Pastors have played essential roles in such transformation But where are the ordained today *Ministry Matters* is a sustained meditation on the vocation lives and work of pastors today We listen to an ecumenical group of exceptional pastor theologians on how pastors live and serve These include George Keith Nicholas Afanasiev Barbara Brown Taylor C Andrew Doyle Andrew Root Sarah Coakley Samuel Wells Rowan Williams Henri Nouwen Pope Francis David Barnhart and Will Willimon with commentary from Michael Plekon who has served as priest in both western and eastern churches for over forty years Many years of pastoral experience are shared here providing a feast of reflection on the shepherds of God s flock *Congregational Connections* Carroll Anne

Sheppard,Nancy Burton Dilliplane,2011-09-15 *Congregational Connections* challenges both clergy and lay leaders to become deeply sensitized to the demographic reality of six separate generational cohorts being alive at once This is the first time in the worlds history that such a thing has happened to humans and none of us has the reality clear in our minds yet It takes work to analyze consciously what we are seeing when multiple generations are present We discover that we are quite happy when we see the expected three Elders Parents raising kids and the children themselves and we often fail to ask Who isnt here Demographers and marketers have created names for these six cohorts a cohort is a group of people born within a 20 or 25 year span who have some distinctive characteristics In America today we have Builders approximately ages 110 87 Silents 86 68 Boomers 67 51 48 GenXers 51 48 27 Millennials 27 11 and GenZ 10 and under The first three Builders Silents and

Boomers are referred to in Congregational Connections as Olders and the second three GenX Millennials and GenZ are referred to as Youngers A great shift in worldview and preferred technologies separates Olders and Youngers Today five of these cohorts the youngest Builders Silents Boomers GenX and the oldest Millennials are playing adult roles in a world that recently seemed to be populated by Elders and Parents raising Children It is making everyone grumpy There does not seem to be psychological room for all these players The March 2011 cover of Philadelphia Magazine pictured a generic texting device with the following text Dear Baby Boomers Just die already Well take Philly from here Thanks XOXO Generation X In congregation after congregation Olders are wondering why the Youngers dont seem to be attending worship regularly Yet when they do come the Olders wish they would make their children stop texting and the parents would stop checking their cell phones Youngers are wondering why Olders want to have all these time wasting repetitive meetings and wont use e technologies to avoid them And why arent they being respected Congregational Connections offers a discussion of who these cohorts are and why they act the way they do Its nine chapters cover How We Got Here Six Different Cohort Experiences The Generational Divide Realities for Congregational Life Worship Christian Formation Programs and Space Community is Congregation and The Way Forward Hope The books aim is not only to have readers become aware of the six cohorts and their different attitudes and needs but also to offer insights through Congregational Moments case studies that let readers see how these realities play out in church life and suggest questions for discussion Why is it happening now In her book The Great Emergence Phyllis Tickle offers us a thesis that we are in the middle of the next Reformation These happen every five hundred years and take about 150 years to roll their paradigm shift of technology and worldview through society The last Reformation was fueled by printing technology that promoted widespread literacy and a worldview shift that supported increasing political democracy and social leveling The one that we are living through now is about electronic technology radio phone television computers internet and who knows and an even flatter social environment Those changes by themselves seem sufficient to make the Second Reformation happen Yet added to their pressures is the arrival of six generational cohorts on the worlds playing field Each cohort has its own identity but Olders and Youngers break into two different sides of the game Whats more by the time the Second Reformation finishes rolling through medical advances may add several decades to the average lifespan Perhaps eight nine or even more generational cohorts will be alive together at its end Right now congre

merely believe in The starting point for Christianity lies within its practice says the author and not in the blind acceptance of a chunk of undigested doctrine The book samples fiction poetry art and music combined with the wisdom of scripture and theology to help pilgrims make sense of faith in the context of everyday life Shaw reconsiders the central doctrines of Christian faith through the lens of how we practice them She explores five themes dust forgiveness time doubt and love devoting a chapter to each This thematic approach is a way of presenting covertly since it s not revealed until the end of the book the doctrines of Creation and Sin Forgiveness the Trinity Salvation and finally Love **Searching for Sunday** Rachel Held Evans,2015-04-14 Find hope and grace when you are feeling cynical about the church and faith Are you struggling to connect with your church community Do you find yourself questioning the core beliefs that you once held dear Searching for Sunday from New York Times bestselling author Rachel Held Evans is a heartfelt ode to the past and a hopeful gaze into the future of what it means to be a part of the modern church Like millions of her millennial peers Rachel Held Evans didn t want to go to church anymore The hypocrisy the politics the gargantuan building budgets the scandals to her it was beginning to feel like church culture was too far removed from Jesus Yet despite her cynicism and misgivings something kept drawing Evans back to church Evans found herself wanting to better understand the church and find her place within it so she set out on a new adventure Within the pages of Searching for Sunday Evans catalogs her journey as she loves leaves and finds the church once again Evans tells the story of her faith through the lens of seven sacraments of the Catholic church baptism confession holy orders communion confirmation the anointing of the sick and marriage to teach us the essential truths about what she s learned along the way including Faith isn t just meant to be believed it s meant to be lived and shared in community Christianity isn t a kingdom for the worthy it s a kingdom for the hungry the broken and the imperfect The countless and beautiful ways that God shows up in the ordinary parts of our daily lives Searching for Sunday will help you unpack the messiness of community teaching us that by overcoming our cynicism we can all find hope grace love and somewhere in between church *You Have Seen Me and I Am Grateful* Peter C. Wilcox,2023-12-27 In the Gospel of Mark chapter 10 Jesus passes by Bartimaeus a blind beggar Bartimaeus calls out Master let me see again Jesus cures him and gives him back his sight So many things in life depend on the way we see things This book is an invitation to look at the way we see things in life We may not be physically blind like Bartimaeus but each of us can be blind in our own ways Reading through these pages will hopefully give you the opportunity to change the way you look at something that holds you back from growing psychologically and spiritually Using the Scriptures stories and examples from over thirty years as a psychotherapist and spiritual director as well as insights from a variety of authors this book invites us to reflect on our own ways of being blind so that like Bartimaeus we might be able to call out to Jesus Master let me see again **Be Holy** Brian Christopher Coulter,2014-12-30 What does it really mean to be holy These two little words seem to echo throughout scripture 1st Peter quotes Leviticus when we read God s command You shall be holy for I am holy Again in Ephesians when we read

that God chose us in Christ before the foundation of the world to be holy And in the last chapter of the last book of the Bible we read that we are to still be holy Our calling to be holy is a challenging one but living the normal alternative often leads to frustration disappointment and empty overindulgence This invitation to be holy challenges us to live our lives set apart not because God needs us to but because it is a better way for us to experience and live life Brian Christopher Coulter shows us what it means to be holy in today s world and how living into this calling helps us discover and develop our sense of identity belonging and purpose Prepare to be changed and begin living the life God meant for you
