Jesus Has Two Daddies:

Jesus Has Two Daddies Thomas McMillen-Oakley,2013-08-15 Jesus Has Two Daddies chronicles our quest to start a family in the birthplace of the Republican Party Book Synopsis As teachers when Tom Oakley and Tod McMillen first begin to talk about starting a family they each tried to find as much information as possible as they wanted to learn about the best way to go about this life changing decision There was very little information geared towards gay men so after a few months of searching a little reading and legally changing their names to McMillen Oakley they felt comfortable diving into the adoption process head first They thought they knew everything They were wrong It is said that love makes a family But in this case it was a teenage girl with two moms a couple of lawyers and just three weeks to get ready that made this particular family This is the story of how their family was born first through the private adoption of their daughter and then expanding it with the adoption of their son from foster care three years later Their adoption experience challenges the notion of what makes a family and sheds new light on the world of open adoption and LGBT parenting While Tom and Tod thought they were just adopting a baby girl they got much more And the kids They got two daddies **I Have Two Daddies** Lynn Calvin Plater,2008-12-01 This is a story of a little girl who tells of the love she experiences through the relationships with her earthly and Heavenly Daddies She describes her two daddies and the love they show her She invites you to have a Heavenly Daddy that loves you so much by offering to share her Heavenly Daddy with you Listen to this happy little girl as she talks to you about her two daddies Activities are presented at the end of the book for the children to complete **Will I See My Grandmother Naked In Heaven?** Tom Weaver,2018-07-11 Humorous questions about God Jesus and the Bible [A Journey with Christ](#) Lydia Chola-Waiyaki,2012-07-27 Lydia was seated on her bed reading her Bible on an ordinary August morning oblivious of what she was about to hear and what would become her life from that day forward Her son and nephew rushed into her bedroom Her son was shouting Mum there were two angels at the gate at night Her son was six years old at the time He held her face and said I know the names of the two angels They are called Angel Gabriel and Angel Michael The two boys went on to say that Angel Michael was at the right side of the gate and was holding his sword facing upwards while Angel Gabriel was on the left side of the gate and had his sword pointing downwards She was amazed How did they know the names of these two mighty archangels Instantly she realized that her son had had a supernatural encounter together with his five year old cousin This was the beginning of a series of incredible journeys with Jesus Christ This book records their breathtaking trips to heaven and hell their conversations with God the Father their encounters with angels relatives they met in heaven and even the twenty four elders who worship before the Throne of God all day and all night These accounts will reveal to you how God is using children to bring home the simple truth that the Bible is the Word of God heaven is real and the only way to get there is through Jesus Christ His Son **Jesus and the Culture Wars** C J Conner,2007-08 Jesus and the Culture Wars Reclaiming the Lord s Prayer is an in depth look at the cultural unrest of Christ s time and now From the

radical feminization of our nation's boys to unholy alliances with militant Islam American mainline denominations are leading the charge They aren't the only ones on the wrong side of the culture wars though So were the Pharisees What does it really mean to pray with Jesus Hallowed be Thy Name or Lead Us not into Temptation in a religious context as politically charged as the one we face today Jesus and the Culture Wars offers a fresh perspective on the Lord's Prayer and a call to Christians everywhere to reclaim it from the religious authorities who have taken it hostage Visit www.revcjconner.com to talk about Jesus and the Culture Wars Nothing could be more counter cultural and therefore imperative than unwrapping each petition of the Lord's Prayer one of the most powerful weapons in the Christian arsenal against post modern and other errors CJ Conner has accomplished this feat admirably Dr Uwe Siemon Netto Ph D D Litt Concordia Seminary Institute on Lay Vocation St Louis

The fairy cave: truth in fiction, by Granny Friederica Bodmer, 1884 *The Contender Vol. 7 No. 2* Rev. Raymond Jackson, 1975-03-15 For the basis of our study today we are discussing one of Christ's most profound and puzzling parables recorded in Matt 13 36 Isn't it strange that no other parable of this segment of seven recorded here ever puzzled the disciples as did this second one concerning the wheat and tares growing together

A Purple State of Mind Craig Detweiler, 2008 Our culture has been reeling from divisiveness and strife People have been divided politically into red and blue states morally and spiritually How can you reach across these rifts mend fractured relationships and share the healing love of God You can become a purple Christian a follower of Christ who finds middle ground not to compromise but to converse A purple Christian embodies the love of God and avoids evangelistic clichés encourages creativity and the arts as expressions of God's goodness revels in love and joy but also faces disappointment and doubt honestly advocates for all people not only the unborn but also those lacking education and health care or struggling with poverty helps all people experience the benefits of Christ's reign instead of determining who is in and who is out Christians have become known for what they oppose rather than what they propose faith hope and love A Purple State of Mind dismantles unhelpful misrepresentations of Jesus' life giving message and shows how you can live out the good news in a pluralistic world Book jacket

Joseph: The Other Father Kathryn Maddox Haddad, Imagine being told by God to guard His Son in a violent world until he is grown How does Joseph choose a city in strange Egypt to hide 2 year old Jesus from Herod's spies Does he dare take 4 year old Jesus to the temple where

Herod the Great's son slaughters thousands How can Joseph protect Jesus with all the skirmishes and killing on roads everywhere with dozens vying to take over as king How does Joseph handle the persecution in Nazareth by people who could count and knew Mary was pregnant before marrying Joseph What does Joseph do with Jesus in Nazareth just three miles from Sepphoris hotbed of zealot protesters when a Roman legate burns the city and crucifies 2000 more zealots in Jerusalem In what ways does Joseph teach Jesus how to be a skilled carpenter in sometimes dangerous situations and avoid being mauled in the mountains when they cut trees for lumber How many times when Jesus was in danger did Joseph cry out God help me protect our Son NOTE A year before Jesus' death he was rejected in Nazareth where they said Isn't this the son of the carpenter In present tense Discussion questions for all chapters are located in the back of the book for book clubs and Bible classes

Parenting without Panic in an LGBT-Affirming World Rachel Gilson, 2024-09-01 Helps parents to teach young children what the Bible says about sexuality proactively and positively in a culture with contrasting ideas and values As Christian parents we long to equip our kids as they venture out into a culture where LGBT identities are affirmed and celebrated We want them to know what God says and to love what God says But it's hard to know where to start That's where this book can help Author Rachel Gilson helps you to teach your children proactively and positively about God's beautiful design for human sexuality gender and relationships This book will help you to provide your children with a Christian framework for sexual ethics rather than letting the culture lay the foundations of their worldview in this area Rachel writes with understanding and clarity to help fellow parents engage with the wider LGBT narrative with faith rather than fear Since she herself experiences same sex attraction but has chosen to follow the Bible's teaching she has put much thought into this topic She reassures us that Jesus gives us everything we need to be faithful disciples in a fallen world and that God works out his perfect purposes despite human sin She also shares her wisdom on how to respond with grace and truth to people with different beliefs in this area This book is ideal for parents of pre school and primary school children

Award of the League of Snohomish County Historical Organizations In 1968 a time of turbulence and countercultural movements a one time television salesman named Paul Erdmann changed his name to Love Israel and started a controversial religious commune in Seattle s middle class Queen Anne Hill neighborhood He quickly gathered a following and they too adopted the Israel surname along with biblical or virtuous first names such as Honesty Courage and Strength The burgeoning Love Israel Family lived a communal lifestyle centered on meditation and the philosophy that all persons were one and life was eternal They flourished for more than a decade owning houses and operating businesses on the Hill although rumors of drug use control of members and unconventional sexual arrangements dogged them By 1984 perceptions among many followers that some Family members especially Love Israel himself had become more equal than others led to a bitter breakup in which two thirds of the members defected The remaining faithful about a hundred strong resettled on a ranch the Family retained near the town of Arlington Washington north of Seattle There they recouped and adapted with apparent social and economic success for two more decades In The Love Israel Family Charles LeWarne tells the compelling story of this group of idealistic seekers whose quest for a communal life grounded in love service and obedience to a charismatic leader foundered when that leader s power distanced him from his followers LeWarne followed the Family for years

attending its celebrations and interviewing the faithful and the disaffected alike He tells the Family s story with both sympathy and balance describing daily life in the urban and later the rural communes and explaining the Family s deeply felt spiritual beliefs The Love Israel Family is an important chapter in the history of communal experiments in the United States

Tkacik,2022-07-01 Jesus calls the church to be a sacrament to the world Sadly many women LGBTQ persons people of other faiths and lay persons experience suffering due to certain words and actions of the Catholic Church At times the language and practices of the church leave some people feeling as if their voices have been silenced their roles limited and their vocations impeded Some often feel underappreciated and disrespected This work explores a vision for the future church which faces these challenges and illuminates possible solutions Every person has gifts given by God for the building up of the church Through a thorough exploration of biblical and church teachings alternative views of these issues provide a path to inclusion for all This book is intended to bring comfort hope and healing to those who have been marginalized It also offers a map for the church as it journeys to be more of what Christ calls it to be In a manner faithful to the gospel reforms for the church are considered that open it to what the Spirit might be saying When is the time for all persons to be valued welcomed empowered and respected Now
