friends They share their experiences of parenting infertility and abortion One describes accompanying her young husband through his life threatening illness Another tells of her daughter s struggle with an eating disorder Still another reflects on long decline of a parent with Alzheimer s All these writers wrestle with Jewish texts while growing as rabbis as feminists and as interfaith leaders They open their hearts and minds telling when Jewish tradition has helped make meaning and on occasion when it has come up empty The results are sometimes inspiring sometimes provocative Readers will find new insights into God into Judaism and into themselves
