Stars in the Ring: Jewish Champions in the Golden Age of Boxing Mike Silver, 2016-03-04 For more than sixty years from the 1890s to the 1950s boxing was an integral part of American popular culture and a major spectator sport rivaling baseball in popularity More Jewish athletes have competed as boxers than all other professional sports combined in the period from 1901 to 1939 29 Jewish boxers were recognized as world champions and more than 160 Jewish boxers ranked among the top contenders in their respective weight divisions Stars in the Ring by renowned boxing historian Mike Silver presents this vibrant social history in the first illustrated encyclopedic compendium of its kind American Jewish Year Book 2013 Arnold Dashefsky, Ira Sheskin, 2013-11-25 This book in its 113th year provides insight into major trends in the North American Jewish community examining Jewish education New York Jewry national and Jewish communal affairs and the US and world Jewish population It also acts as an important resource with its lists of Jewish Institutions Jewish periodicals and academic resources as well as Jewish honorees obituaries and major recent events It should prove useful to social scientists and historians of the American Jewish community Jewish communal workers and the press among others For more than a century

the American Jewish Year Book has remained and continues to serve even in the Internet age as the leading reference work on contemporary Jewish life This year s volume with its special reports on Jewish education and the New York community and its updates on Jewish population statistics Jewish institutions and the major Jewish figures who passed in the year past continues this splendid tradition Pamela S Nadell Chair Department of History American University and Co editor Making Women s Histories Beyond National Perspectives The 2013 volume of the American Jewish Year Book impressively demonstrates that Arnold Dashefsky and Ira Sheskin have restored this important resource in all its former glory Bruce A Phillips Professor of Sociology and Jewish Communal Service Hebrew Union College Jewish Institute of Religion Los Angeles Having a current American Jewish Year Book on my shelf is like having a panel of experts on American Jewish life at the ready prepared to give me thoughtful accurate answers and observations on the key issues trends and statistics that define our continental Jewish community today Well into its second century the American Jewish Year Book continues to be an essential resource for serious leaders practitioners and students who seek to ground their work in solid research and up to date data Jacob Solomon Greater Miami Jewish Federation President and CEO **The Triple Package** Jed Rubenfeld, Amy Chua, 2014-02-05 Why do Jews win so many Nobel Prizes and Pulitzer Prizes Why are Mormons running the business and finance sectors Why do the children of even impoverished and poorly educated Chinese immigrants excel so remarkably at school It may be taboo to say it but some cultural groups starkly outperform others The bestselling husband and wife team Amy Chua author of Battle Hymn of the Tiger Mother and Jed Rubenfeld author of The Interpretation of Murder reveal the three essential components of success its hidden spurs inner dynamics and its potentially damaging costs showing how ultimately when properly understood and harnessed the Triple Package can put anyone on their chosen path to success

The Triple Package Amy Chua, Jed Rubenfeld, 2014-02-04 That certain groups do much better in America than others as measured by income occupational status test scores and so on is difficult to talk about In large part this is because the topic feels racially charged The irony is that the facts actually debunk racial stereotypes There are black and Hispanic subgroups in the United States far outperforming many white and Asian subgroups Moreover there s a demonstrable arc to group success in immigrant groups it typically dissipates by the third generation puncturing the notion of innate group differences and undermining the whole concept of model minorities Mormons have recently risen to astonishing business success Cubans in Miami climbed from poverty to prosperity in a generation Nigerians earn doctorates at stunningly high rates Indian and Chinese Americans have much higher incomes than other Americans Jews may have the highest of all Why do some groups rise Drawing on groundbreaking original research and startling statistics The Triple Package uncovers the secret to their success A superiority complex insecurity impulse control these are the elements of the Triple Package the rare and potent cultural constellation that drives disproportionate group success The Triple Package is open to anyone America itself was once a Triple Package culture It s been losing that edge for a long time now Even as headlines proclaim the death

of upward mobility in America the truth is that the old fashioned American Dream is very much alive but some groups have a cultural edge which enables them to take advantage of opportunity far more than others Americans are taught that everyone is equal that no group is superior to another But remarkably all of America s most successful groups believe even if they don t say so aloud that they re exceptional chosen superior in some way Americans are taught that self esteem feeling good about yourself is the key to a successful life But in all of America s most successful groups people tend to feel insecure inadequate that they have to prove themselves America today spreads a message of immediate gratification living for the moment But all of America s most successful groups cultivate heightened discipline and impulse control But the Triple Package has a dark underside too Each of its elements carries distinctive pathologies when taken to an extreme they can have truly toxic effects Should people strive for the Triple Package Should America Ultimately the authors conclude that the Triple Package is a ladder that should be climbed and then kicked away drawing on its power but breaking free from its constraints Provocative and profound The Triple Package will transform the way we think about success and achievement *Mamaleh Knows Best* Marjorie Ingall,2016-08-30 We all know the stereotype of the Jewish mother Hectoring guilt inducing clingy as a limpet In Mamaleh Knows Best Tablet Magazine columnist Marjorie Ingall smashes this tired trope with a hammer Blending personal anecdotes humor historical texts and scientific research Ingall shares Jewish secrets for raising self sufficient ethical and accomplished children She offers abundant examples showing how Jewish mothers have nurtured their children s independence fostered discipline urged a healthy distrust of authority consciously cultivated geekiness and kindness stressed education and maintained a sense of humor These time tested strategies have proven successful in a wide variety of settings and fields over the vast span of history But you don t have to be Jewish to cultivate the same qualities in your own children Ingall will make you think she will make you laugh and she will make you a better parent You might not produce a Nobel Prize winner or hey you might but you ll definitely get a great human being **The Greatest Comeback: From Genocide To Football Glory** David Bolchover,2017-05-18 Shortlisted for the William Hill Sports Book of the Year Award 2017 Longlisted for the Coutts Football Writers Association Award 2018 Before Pep Guardiola and before Jos Mourinho there was B la Guttman the first superstar football coach and the man who paved the way for the celebrated coaches of the modern age More extraordinarily still Guttman was a Holocaust survivor Having narrowly dodged death by hiding for months in an attic near Budapest as thousands of fellow Jews in the neighbourhood were dragged off to be murdered Guttman later escaped from a slave labour camp He was one of the lucky ones His father sister and wider family perished at the hands of the Nazis But by 1961 as coach of Benfica he had lifted one of football s greatest prizes the European Cup a feat he repeated the following year Rising from the death pits of Europe to become its champion in just over sixteen years Guttman performed the single greatest comeback in football history This remarkable story spans two visions of twentieth century Europe a continent ruptured by barbarism and genocide yet lit up by exhilarating encounters in magnificent cities where

great players would strive to win football's holy grail With dark forces rising once again the story of B la Guttman's life asks the question which vision of Europe will triumph in our times **Muscling in on New Worlds** Raanan Rein, David

Hank Greenberg in 1938 Ron Kaplan,2017-04-25 Hammerin Hank Greenberg was coming off a stellar season where he d hit 40 home runs and 184 RBIs becoming only the thirteenth player to ever hit 40 or more homers and one of only four players to have 40 or more home runs and 175 or more RBIs in a season Even with his success at the plate neither Greenberg nor the rest of the world could have expected what was about to happen in 1938 From his first day in the big leagues the New York born Greenberg had dealt with persecution for being Jewish From teammate Jo Jo White asking where his horns were to the verbal abuse from bigoted fans and the media the 6 foot 3 slugger always did his best to shut the noise out and concentrate on baseball But in 1938 that would be more difficult then he could have ever imagined While Greenberg was battling at the plate his people overseas were dealing with a completely different battle Adolf Hitler who had been chancellor of Germany since 1933 had taken direct control of the country s military in February of 38 He then began his methodic takeover of all neighboring countries spreading Nazism and the early stages of World War II and the Holocaust Hank Greenberg in 1938 chronicles the events of 1938 both on the baseball diamond and the streets of Europe As Greenberg s bat had him on course for Babe Ruth s home run record Hitler s Final Solution was beginning to take shape Jews across the US worried about the issues overseas looked to Greenberg as a symbol of hope Though normally hesitant to speak about the anti-Semitism he dealt with the slugger still knew the role he was playing for so many of his people saying I came to feel that if I as a Jew hit a home run I was hitting one against Hitler **The Good Book** Andrew Blauner,2017-03-28 A collection of

How Basketball Can Save the World David Hollander, 2023-02-07 A thought provoking exploration of how basketball and the values rooted in the game can solve today's most pressing issues from the professor behind the popular New York University course NBA and WNBA superstars Hall of Fame players coaches and leading cultural figures have all dropped by New York University Professor David Hollander's course *How Basketball Can Save the World* course to debate and give insights on how the underlying principles of the game can provide a new blueprint for addressing our diverse challenges and showing what's possible beyond the court. Now in *How Basketball Can Save the World* Hollander takes us out of the classroom to present a beautiful new philosophy with contributions by many of his past guests and based on values inherent to basketball such as inclusion and the balancing of individual success with the needs of the collective. These principles move us beyond conflict and confusion toward a more harmonious and meaningful future. *Positionless* In basketball players aren't siloed into just one position or responsibility. In life we can learn to be more adaptive to the challenges we face by embracing a positionless mindset. *Human Alchemy* We talk a lot about team chemistry but team alchemy means the creation of something totally new, a team far greater than the sum of its parts. *Sanctuary Basketball* offers players a critical space to feel safe, free, and expressive. Fostering similar spaces in the real world can encourage people to be their best, happiest, and most productive selves. *Transcendence* Basketball is about defying gravity, becoming weightless, and flying higher than anyone ever has before. By seeking out this principle we can elevate ourselves and those around us to a new plane of experience. Whether you're a seasoned veteran of the game or have never set foot on a court, *How Basketball Can Save the World* will empower you to become more resilient, tolerant, and wise in your relationship with yourself, others, and the world around you.

Great Benny Leonard John Jarrett, 2021-06-28 Benny Leonard was arguably the greatest lightweight champion of all time. With superb boxing skills and potent punching power, he fought over 200 times and suffered just five defeats. He spent his boyhood in a crime-ridden ghetto in Manhattan's Lower East Side and was the greatest of a long line of Jewish boxers to emerge from the slums. Leonard was still only 19 when he knocked out Freddie Welsh to become world lightweight king in 1917. He defended the title eight times and retired as undefeated champion in 1925 to please the only woman he loved, his mother. But the 1929 Wall Street Crash wiped out his fortune, and he was forced to make a comeback at 35. Leonard fought the best of his era: Johnny Dundee, Johnny Kilbane, Rocky Kansas, Jack Britton, Ted Kid Lewis, and Lew Tendler, among them. Apart from being a sublime boxer, Benny was a first-class showman who helped to put boxing on a higher plane. He died as he lived: in the ring, while refereeing a fight, at age 51. This is the definitive account of his remarkable life and career.
