Jig By Campbell Armstrong:

Jig Campbell Armstrong, 2015-02-17 A British counterterrorism agent forms an extraordinary alliance with the IRA's most skillful assassin in this international bestselling thriller A leaky old ship has reliably ferried tons of important freight from America to the Old Country in its decades of service to the Irish Republican Army from automatic rifles to deadly assassins Now it is berthing with especially precious cargo couriers holding briefcases filled with millions of crisp American dollars In one blinding firefight the shipment is hijacked The terrorists trust only one man to go after their money Jig the dancer their most reliable assassin who kills without harming the innocent Hot on Jig's trail is Scotland Yard's renegade detective Frank Pagan who suspects an inside job The dark path of hunter and hunted takes the two men through the minefields of the IRA's war and across the Atlantic to America where Pagan and Jig are forced to postpone their duel and work together to solve a savage puzzle Jig is the 1st book in the Frank Pagan Novels but you may enjoy reading the series in any order Jig by Campbell Armstrong Campbell Armstrong, 1987 **Jig** Campbell Armstrong, 1988 **Brainfire** Campbell Armstrong, 1995 Thriller by the author of Jig and Mambo The world is caught up in a terrifying game involving murder torture mind control and a countdown to a nightmare *The Campbell Armstrong Collection Volume One* Campbell Armstrong, 2018-05-08 A pair of chilling horror novels from the international bestselling author who writes much better than King or Straub The Village Voice Writing as Campbell Black international bestselling author Campbell Armstrong proves he's as adept at evoking horror as he is at plotting heart stopping thrillers The Wanting When Max and Louise Untermeyer rent a house in a California vacation town they figure it will be a perfect escape from the city especially for their twelve year old son Denny Their neighbors Dick and Charlotte Summer are a nice elderly couple who dote on Denny with sweets and gifts But as the days go by Louise begins to notice a disturbing change in her son His innocence seems to be draining away replaced by something unhealthy even perverse As Louise tries to reach her son she's about to discover this town holds a terrible secret A superb storyteller obviously every bit as talented as Stephen King Times Record News Letters from the Dead A battered Ouija board promises entertainment for the renters of a broken down beach house on the Virginia shore But when they play thirteen year olds Lindy and Tommy receive sinister messages and their mothers encounter even more disturbing visions in the tiny gloomy town nearby Something evil happened here long ago and one of the vacationers is about to be drawn into the grip of possession by a frightening force that may prevent them all from ever returning home A satisfying dank and creepy chiller about a haunting and possession in and around an isolated beach house Kirkus Reviews *Jigsaw* Campbell Armstrong, 1995 One winter evening during rush hour a bomb explodes in a crowded train in the London underground More than 100 people are slaughtered In the absence of any terrorist claims come distressing questions Who planted the device And why *Demons, Hamlets and Femmes Fatales* Jayne Steel, 2007 The book provides a lively discussion of the ways in which popular fiction appropriates the figure of the Provisional IRA activist and the political conflict within the north of Ireland It

looks at how authors recreations or transformations of Irish republicanism might reveal self referential images that are ultimately a product of national identity and or gender identity An important focus of the book interrogates British fascination and fixation with the Provisional IRA and its terrors The many novels discussed in this study include Gerald Seymour Harry s Game Campbell Armstrong Jig Bernard MacLaverty Cal Mary Costello Titanic Town Jennifer Johnston Shadows on our Skin Deidre Madden One by One through the Darkness *Heat* Campbell Armstrong,1997 The sequel to Jigsaw The world of Frank Pagan Special Branch s counter terrorist agent is being violated He is being observed and recorded Pagan is on the trail of Carlotta a ruthless yet alluring terrorist and his pursuit crosses the line that separates duty from sexual obsession **Asterisk** Campbell Armstrong,2010-05-30 Mambo Campbell Armstrong,1990 Inspector Frank Pagan of Scotland Yard seeks out a deranged terrorist who intends to hijack a cruise missile and blow up Cuba Deadline Campbell Armstrong,2000 **White Light** Campbell Armstrong,1988 Frank Pagan the renegade Scotland Yard detective who appeared in JIG is now caught up in an East West power struggle **Blackout** Campbell Armstrong, **White Rage** Campbell Armstrong,2004 A Lou Perlman mystery *Silencer* Campbell Armstrong,1998 What if the US Federal Witness Protection Program fails to protect its charges What if instead of offering a fresh start all it offers is fear and deadly pursuit Reuben Galindez was a star prosecution witness in the trial of big time arms smuggler Angel Sanchez When Galindez s bullet ridden corpse is discovered floating down river former state prosecutor Amanda Scholes feels compelled to ask some awkward questions Amanda had believed Galindez was safely vanished by the Witness Protection Program with a new identity and a new life Did Galindez foolishly cast loose from those protecting him or has someone infiltrated the high security surrounding the Program in order to exact a brutal form of justice So begins Campbell Armstrong s most compelling and intelligent thriller yet drawing the reader into an underground world of vengeance and corruption where no friend no stranger and no lover can be trusted **Spy Fiction, Spy Films and Real Intelligence** Wesley K. Wark,2013-09-13 This book won the Canadian Crime Writers Arthur Ellis Award for the Best Genre Criticism Reference book of 1991 This collection of essays is an attempt to explore the history of spy fiction and spy films and investigate the significance of the ideas they contain The volume offers new insights into the development and symbolism of British spy fiction *Over the Top* Adrian Flanagan,2018-03-08 Only one person has ever sailed vertically around the world Adrian Flanagan Sailing horizontally is difficult enough crossing thousands of miles of ocean only to get near land at the Capes and battle treacherous currents However hundreds of sailors have still managed it Adrian became obsessed with the idea of sailing vertically around the world as a boy before he even knew whether it was possible Thirty years later he managed it This is his own account of his remarkable adventure It was an epic challenge sailing through the perilous waters around Cape Horn and across the remote hostile stretch of the Russian Arctic He survived being washed overboard capsizing a close encounter with pirates and also managed to treat not one but two dislocated wrists all of this alone a thousand miles or more from anyone who could help

him complete his quest It wasn't all high drama however Adrian experienced moments of awe inspiring beauty being accompanied by a pod of whales and swimming with dolphins This is a timeless and unique story pacily written with a sense of humour but which captures the zeal and determination required to accomplish something nobody else has ever done before
