Jim Marrs Our Occulted History:

Our Occulted History Jim Marrs, 2013-02-12 The author of Alien Agenda illustrates how human civilization may have originated with non humans who visited earth eons ago and may still be here For years we ve been taught that human progress has been a long slow climb from the primordial ooze to hunter gatherers to empires But what if that s only part of the story Bestselling author and legendary conspiracy researcher Jim Marrs who has investigated the recent financial crisis the JFK assassination and the national socialist takeover of America now takes on his biggest subject the history of mankind Our Occulted History overturns conventional knowledge and beliefs presenting compelling evidence that the earth once hosted prehistoric civilizations using technologies that very well may have surpassed our own Sound unbelievable Just a few hundred years ago so was the concept that the earth revolved around the sun Marrs sifts through the historical scientific and cultural record showing how numerous ancient texts and tablets tell of visitors from the stars colonizing the earth From the flying vimanas of the Hindu Vedic literature and the flying shields reported by the Romans to the mysterious airships of the 1800s and the UFOs of today he argues that someone other than us is still present on this planet But are these visitors simply observers or do they play a much more active and controlling role Jim Marrs raises this shocking question and more in the provocative and persuasive Our Occulted History The truth is out there and in here [God, School, 9/11 and JFK](#) Bruce de Torres, 2021-05-21 GOD SCHOOL 9 11 AND JFK by Bruce de Torres exposes the lies that are killing us we are poor miserable sinners who deserve God s condemnation and school s incarceration salvation and careers depend on doing what we are told and the truth that sets us free we are eternal love and consciousness creating all we behold The lies of 9 11 and the JFK assassination prove our government was hijacked by elites who strip our rights wage wars of aggression and accumulate unspendable riches as they seek to rule the world The ideals of the American Founding enthrone our sovereignty our right to be free and oversee a transparent and accountable government What is seen by those who die and return suggests eternal life and safety The truth restores our sanity braces us to play this game of life and allows us to love each other as ourselves as we create the solutions that we need **The Impending Midnight Cry** Befekadu Admassu, 2019-12-17 The world is in great turmoil Nuclear cataclysm is a real and present danger and the talk of a third world war has become all too common even among the most influential personalities Political instability is shaking the great nations that once claimed to be bastions of democracy and rule of law Geopolitical rivalry among the superpowers is ripping apart the institutions that ensured relative peace and stability around the globe for the past several decades Moral decline is destroying the nuclear family and the fabric of society particularly in the once Christian West as more people abandon faith and traditional family values Paradoxically we also live in the most technologically advanced age that humanity has ever seen We have the highest level of material wealth information and knowledge governments global and regional organizations schools universities and research centers hospitals doctors and experts in every field of knowledge We have by far the fastest efficient cost effective

and convenient means of communication travel production and distribution as well as health care and entertainment than even our most recent progenitors And yet we are becoming more cruel to each other Our leaders want to take us somewhere but they themselves do not know the destination There appears to be a broad realization that the world is not going in the right direction Many are the calls for change of course and diverse the propositions for direction Are we humans left to our own devices to extricate ourselves from the quagmire into which we have fallen Are we condemned to endless failure Is there a hope for us as individuals families communities and nations The Jewish prophets of old who penned the books of the Bible not only foresaw the storms that would billow throughout the many millennia that followed their times but also assured us of a beautiful and lasting final outcome Their predictions have proved true time and again The most intriguing promise of the prophets was the coming of the Messiah who will rule the world with truth and righteousness The Gospels tell us an even more audacious story that the predictions of the prophets actually came true in the birth of Jesus Christ two thousand years ago The writers of the New Testament have also penned for us the promises of Jesus of Nazareth the only Son of God to come back at the end of the age to establish God's kingdom Could the turmoil we see today be the very birth pangs that will finally usher in the promised kingdom of God

The Beast Who Once Was: New Insight into End Times Prophecy Chris Relitz, 2014-04-26 The Bible says that there was a beginning of things and that there will be an end Near the end we will see a hero and a villain arise the son of God will battle the son of Satan The prophecies in the Bible have a great deal to say about this but one prophecy has been overlooked until now I will explain to you the mystery of the beast who once was now is not and yet will come This calls for a mind with wisdom Revelation 17 7 9 Here we are told that the Beast the son of Satan once lived but at one time he was not alive and that he would live again The Beast will seem to recover from a fatal wound Revelation 13 3 Not a nearly fatal wound He will seem to recover from death In the end times he will be seen to rise from the grave in imitation of Jesus Christ Who was the Beast But more importantly why is that mysterious fraternity of Freemasons preparing to come to his aid We will examine their own writings and rituals to confirm that they are devoted to the Beast who once was **DNA of the Gods** Chris H. Hardy, 2014-03-21 An in depth study of humanity s Anunnaki origins and the Anunnaki battle for an intelligent versus enslaved humanity Explains the genetic engineering of humanity by an Anunnaki scientist Ninmah Shows how the concepts of sin and the inferiority of women arose from Enlil s will to keep humanity underdeveloped clashing with Enki s and Ninmah s plan to make us equal in intelligence Reveals how humanity s long history of conflict was shaped by the battle between Enki and his brother Enlil Further developing the revolutionary work of Zecharia Sitchin Chris Hardy shows that the gods of ancient myth visitors from the planet Nibiru created us using their own divine DNA first through DNA extraction from their own ribs marrow and later by direct relations with early human females Drawing upon multiple sacred texts Hardy details the genetic engineering of humanity by Anunnaki scientist Ninmah with the help of Enki and Hermes She reveals how Ninmah s first female human creation Tiamat Eve contained more alien DNA than the earlier male one Adamu and how the biblical Noah represents the perfection of her work Examining the war between Anunnaki brothers Enki and Enlil Hardy reveals how the concepts of sin and the inferiority of women were born out of Enlil s attempts to enslave and then wipe out humanity repeatedly thwarted by Enki and Ninmah The author further explains how the sacred sexuality taught to humans still seen in Tantric practice became suppressed millennia later by the patriarchal concept of original sin and how innocent Eve took the blame for the expulsion from Eden and fall from Grace Showing that the god who created us was not the same god who expelled us from Eden Hardy explains that there will be no apocalypse because the Good Evil duality has never truly existed it has been only enemy gods fighting and implicating humanity in the wake of their own competition for power With a full psychological understanding of how the ancient gods have shaped humanity s ongoing history of conflict we can move

beyond the framework of my Good versus your Evil imposed by Enlil and begin to steer our own planetary destiny **Wars of the Anunnaki** Chris H. Hardy, 2016-07-18 Examines the Anunnaki gods evolving relationships with humanity their power struggles and the details of their nuclear war on Earth Analyzes the crisis and rationale behind the Anunnaki decision to nuke 5 cities in the Jordan plain resulting in the obliteration of Sumerian civilization Draws upon the work of Zecharia Sitchin the Book of Genesis Sumerian clay tablets and archaeological evidence such as ancient radioactive skeletons Examines the Anunnakis lack of higher consciousness their reliance on technology their sacred power objects and sacred geometry and the possibility of Anunnaki bases on Mars in the distant past The detonation of nuclear weapons in the 20th century was not the first time humanity has seen such terrible destruction Drawing upon the work of Zecharia Sitchin the Book of Genesis Sumerian clay tablets and archaeological evidence such as ancient radioactive skeletons Chris Hardy reveals the ancient nuclear event that destroyed the Sumerian civilization and the power struggles of the gods that led up to it The author explains how the Anunnaki came to Earth from the planet Nibiru seeking gold to repair their ozone layer Using genetic engineering they created modern humanity to do their mining work and installed themselves as our kings and our gods Anunnaki god Enki had a fatherly relationship with the first two humans Then Enlil Enki's brother took over as Commander of Earth instating a sole god theocracy and a war against the clan of Enki and humanity for spoiling the Anunnaki bloodlines through interbreeding This shift imposed a blackout not only of the very human nature of the Anunnaki gods but also of humanity's own ancient past on Earth Two of Enlil's attacks against the Enki clan and humanity are described in the stories of the Deluge and the Tower of Babel His final attempt after coercing the Assembly of the Gods into voting yes was the nuclear bombing of 5 cities of the Jordan plain including Sodom and Gomorrah which resulted in the destruction of the Sumerian civilization and the Anunnakis own civilization on Earth including their space port in the Sinai The author reveals how after each attempt humanity was saved by Enki chief scientist Ninmah and Enki's son Hermes The author explores how the Anunnakis reliance on technology and their recurrent wars caused them to lose touch with cosmic consciousness And she reveals how we will be doomed to repeat this dynamic until humanity awakens to our true origins **The "Nonsense"**

cultural life that address this tortured local history The City That Killed the President is a fitful discourse offering a window into Dallas itself a city reluctant to grapple with its past *Off the Hook* Earl Wayne Heflinger, 2018-03-15 The author uses his own personal story of being born into a Christian fundamentalist family with extreme beliefs to paint a vivid picture of what life is like in toxic ideologies such as fundamentalist religion The book has three parts The first describes the spiritual abuse of his childhood due to stifling rules and restrictions inflicted by his parents caught up in their church's teachings on his thought processes and behavior The remarkably poignant stories show in painful detail how his self esteem was crushed how he was never intended to think for himself and how he was made to feel different and totally out of place in the world all by loving but misguided parents During his school days his social life was severely stunted because he felt like an outsider everywhere but in church The second part discusses his lifelong struggle with spiritual healing and his transition from a spoon fed belief system to a personally chosen worldview He thoughtfully muses about all the significant elements of religious spiritual belief systems God Jesus the Bible sin morality science life after death marriage divorce and others and contrasts his evolving beliefs with those of organized religion This is presented to give the reader a comprehensive illustration of how one particular seeker has constructed a personalized belief system through continual rethinking and updated understanding The third part calls on the author's advanced education and professional experience in business and government in analyzing and developing systems and procedures It describes with a wealth of tips and checklists the process by which he escaped a toxic ideology and came to feel intellectually free and off the hook It ends with heartfelt encouragement for anyone similarly affected by repression to accept all available helpful resources and muster the determination to claim their personal power **The Asylum** Shane McMinn, 2017-02-27 Earth has been controlled for eons by the dark forces by instilling a project of fear and we have all been deceived on a grand scale They have achieved this by stealth through their secret societies groups governments and institutes to create a New World Order They have controlled populations and culled humans through their man made diseases such as Ebola and HIV AIDS They control humanity with prescription drugs technology food additives vaccines and they suppress the cures for cancer They control the media create wars and initiate acts of terrorism They control politics banking education sciences and religions They are followers of Satanism and some are paedophiles They use mind control programmes and control the illegal drugs trade manipulate the weather and have introduced a police state and have suppressed free energy This is part of the spiritual battle between the dark forces and the forces of light Welcome to the lunatic asylum that is planet Earth *Why Did Yahweh and His Son Yahshuah Say What They Said?* Dr. Justin G. Prock, 2020-05-07 YAHWEH The LORD God and His Son YAHSHUAH Jesus Christ made statements with regard to Eschatology that have been Spiritualized for over a Millennium which has led to the belief in Universalism the belief that YAHSHUAH died for EVERYONE Well after one studies the original languages of the Hebrew Aramaic and Greek the message of the Kingdom of God was preached to and accepted by a certain House in the

Bible The other House rejected this message and YAHSHUAH punished that House by taking the Kingdom away from them and giving It to another nation bringing forth fruit There are only the House of Israel the House of Judah and the House of David mentioned in the Bible All three existed then as they do today However most of today s Babylonian Priesthood Churchianity refuses to accept the secular historical position with regard to the House of Israel and who they are today The people groups which YAHWEH and YAHSHUAH addressed still exist today However these people are all mixed up and known by different names but they DO exist This book goes back to the origin of these people groups in the Bible and brings them forward to the present using their old names in order to understand Eschatology This brings us to the major question of Is the Bible only about Israel And if so how does it affect our Eschatology today This book answers these hard questions The Illuminati Jim Marrs,2017-05-22 A deep dive into the origins history members and workings of the Illuminati from a well known and respected expert Chilling initiations Big banks and money manipulations Possible links to the Rockefellers Rothschilds Adamses and Bushes Reviewing the evidence documents and connections The Illuminati The Secret Society That Hijacked the World by award winning journalist and author Jim Marrs shines a light on the history workings continuing influence and pernicious and hidden power of this secret order Surveying experts from those who dismiss the Illuminati as a short lived group of little consequence to skeptics who dare question the government s accounts and pronouncements Marrs cuts through the wild speculation and the attempts to silence critical thinkers to tell the true story of this secret cabal Gnosticism mystery schools the Roshaniya Knights Templar assassins Rosicrucians Skull and Bones Knights of Malta whistle blowers the revolutions in France Russia and America and the structure symbols and theology of the Illuminati are all covered Marrs takes a broad look at the group and their workings investigating their origin as The Ancient and Illuminated Seers of Bavaria the depiction on the United States one dollar bill of an all seeing eye and pyramid on the reverse of the Great Seal of the United States and the Protocols or procedures for usurping national governments and gaining world domination as well as the Illuminati symbolism found in today s international corporate logos Wealth power and intrigue come together in this in depth expos on the Illuminati their history connections to influential people and their place in modern America The Illuminati lifts the cloaks of secrecy protecting the powerful **Weapons of the Gods** Nick Redfern,2025-09-12 In 1945 the Japanese cities of Hiroshima and Nagasaki became the first and last victims of the atom bomb the most destructive man made force our planet has ever known Or were they just the latest in a long line of Armageddon level events Is it possible that our civilization is in reality just one of many Did previous cultures blossom develop and thrive only to destroy themselves tens or hundreds of thousands of years ago with the same atomic technology These are the controversial and thought provoking questions at the heart of Nick Redfern s Weapons of the Gods which argues that many ancient civilizations cracked the secrets of the atom only to become the victims of its awesome terrifying power Still others may have been destroyed by hostile aliens with their own nuclear arsenals Where is the evidence The

answer is shockingly simple it's everywhere It's just a matter of knowing where to look for it from the biblical cities of Sodom and Gomorrah and the ancient Pakistani culture of Mohenjo-daro Pakistan to the Lonar Crater in India and the revelations in the Ramayana and Mahabharata two ancient Sanskrit texts that describe nuclear warfare thousands of years ago *UFOs, Conspiracy Theories and the New Age* David G. Robertson, 2016-02-25 How and why were UFOs so prevalent in both conspiracy theories and the New Age milieu in the post Cold War period In this ground breaking book David G Robertson argues that UFOs symbolized an uncertainty about the boundaries between scientific knowledge and other ways of validating knowledge and thus became part of a shared vocabulary Through historical and ethnographic case studies of three prominent figures novelist and abductee Whitley Strieber environmentalist and reptilian proponent David Icke and David Wilcock alleged reincarnation of Edgar Cayce the investigation reveals that millennial conspiracism offers an explanation as to why the prophesied New Age failed to arrive it was prevented from arriving by malevolent hidden others Yet millennial conspiracism constructs a counter elite a gnostic third party defined by their special knowledge An overview of the development of UFO subcultures from the perspective of religious studies *UFOs Conspiracy Theories and the New Age* is an innovative application of discourse analysis to the study of present day alternative religion *Spooky Archaeology* Jeb J. Card, 2018-06-15 By exploring the development of archaeology this book helps us understand what archaeology is and why it matters
