## **Jimmy DeSana Suburban DeSana:**

*Jimmy DeSana* Jimmy De Sana, Elisabeth Sussman, 2015 This surreally lyrical sexually charged book collects Jimmy DeSana's earlier work made from 1980 to 1983 For his series Suburban DeSana staged photos of nude subjects in various evocative poses entwined with everyday objects and lit with gel covered tungsten lights Rather than constructing a space the suburban was a place of examining stereotypes and norms Of this series DeSana told Laurie Simmons his contemporary and longtime roommate I don't really think of that work as erotic I think of the body almost as an object I attempted to use the body but without the eroticism that some photographers use frequently I think I de eroticized a lot of it Particularly in that period but that is the way the suburbs are in a sense Interest in DeSana is at a renewed high Salon 94 represents his estate and mounted a well received exhibition in 2012 and art and photography from the early 1980s is enjoying a renaissance across all media There is a special interest now in queer artists and the legacy of a generation destroyed by AIDS with regard to contemporary photography and queer culture and Jimmy DeSana Suburban is an essential contribution to this evolving canon

*Jimmy DeSana* Jimmy De Sana, Laurie Simmons, Roberta Smith, 1990 This work collects in print for the first time DeSana's surreally lyrical sexually charged photographs from his series of the same name made in the late 1970s through the 1980s

*Jimmy DeSana: Submission*, 2022-11 The first comprehensive book on the surreal queer and humorous photographic art of Jimmy DeSana a central figure in New York's art and music scenes of the 1970s and 80s This is the first overview of the work of Jimmy DeSana a pioneering yet underrecognized figure in New York's downtown art music and film scenes during the 1970s and 1980s The book situates DeSana's work and life within the countercultural and queer contexts in the American South as well as New York through his involvement in mail art punk and No Wave music and film and artist collectives and publications DeSana's first major project was 101 Nudes made in Atlanta during the city's gay liberation movement After moving to New York in 1973 DeSana became immersed in queer networks collaborating with General Idea and Ray Johnson on zines and mail art and documenting the genderqueer street performances of Stephen Varble By the mid 1970s DeSana was a fixture in New York's No Wave music and film scenes serving as portraitist for much of the period's central figures and producing album covers for Talking Heads James Chance and others His book Submission made with William S Burroughs humorously staged scenes out of a S M manual that explored the body as object and the performance of desire DeSana was also an early adopter of color photography creating his best known series Suburban in the late 1970s and early 1980s This body of work explores relationships between gender sexuality and consumer capitalism in often humorous surreal ways After DeSana became sick as a result of contracting HIV he turned to abstraction using experimental photographic techniques to continue to push against photographic norms

Änne Söll, Maike Wagner, Katharina Boje, 2024-02-19 Die Publikation widmet sich dem Wandel von Männlichkeit in den

Bildende Künstlerinnen seit den 1970er Jahren und aktuell mehr denn je verhandeln. Die vielfältigen künstlerischen Prozesse in denen die Vorstellung von Männlichkeit als scheinbar universale unumstößliche Konstante sukzessiv durch die Annahme einer Pluralität von Männlichkeiten abgelöst wird beleuchten die Kunst und kulturwissenschaftlichen Beiträge des Bandes in vier Sektionen: Postphallische Männlichkeit, Queering Masculinities, Optimierte Männlichkeiten und Verletzlichkeit. Ausgehend von der Prämisse, dass Männerkörper keinen intrinsischen Wesenskern besitzen, sondern sozial konstruiert und somit transformierbar sind, werden Visionen zukünftiger Männlichkeiten diskutiert und greifbar gemacht.

**Photography - A Queer History** Flora Dunster, Theo Gordon, 2024-02-29 Photography A Queer History examines how photography has been used by artists to capture, create and expand the category Queer. It bookmarks different thematic concerns central to queer photography, forging unexpected connections to showcase the diverse ways the medium has been used to fashion queer identities and communities. How has photography advanced fights against LGBTQ discrimination? How have artists used photography to develop a queer aesthetic? How has the production and circulation of photography served to satisfy the queer desire for images and created transnational solidarities? Photography A Queer History includes the work of 84 artists. It spans different historical and national contexts and through a mix of thematic essays and artist-centred texts brings young photographers into conversation with canonical images.

**Photography's Last Century** Jeff L. Rosenheim, 2020-03-09 Beginning with Paul Strand's landmark *From the Viaduct* in 1916 and continuing through the present day, Photography's Last Century examines defining moments in the history of the medium. Featuring nearly 100 masterworks from one of the most important private holdings of photography, the book includes works by Diane Arbus, Richard Avedon, Walker Evans, László Moholy-Nagy, Man Ray, and Cindy Sherman, as well as a diverse group of important lesser-known practitioners. A fascinating interview with Ann Tenenbaum provides a personal account of the works, while the main text offers an essential history of photography that addresses the implications of calling this period the medium's last century.

**Eat Your Mind** Jason McBride, 2023-11-14 The first full-scale authorized biography of the pioneering experimental novelist Kathy Acker, one of the most original and controversial figures in 20th-century American literature. Kathy Acker (1947-1997) was a rare and almost inconceivable thing: a celebrity experimental writer. Twenty-five years after her death, she remains one of the most original, shocking, and controversial artists of her era. The author of visionary transgressive novels like *Blood and Guts*, *High School*, *Empire of the Senses*, and *Pussy King*, Acker wrote obsessively about the treachery of love, the limitations of language, and the possibility of revolution. She was notorious for her methods: collaging together texts stolen from other writers with her own diaries, sexual fantasies, and blunt political critiques, as well as her appearance. With her punkish hairstyles, tattoos, and couture outfits, she looked like no other writer before or after. Her work was exceptionally prescient, taking up complicated conversations about gender, sex, capitalism, and colonialism that continue today. Acker's life was as unruly and radical as her writing. Raised in a privileged but oppressive Upper East Side Jewish family, she turned her back on

that world as soon as she could seeking a life of romantic and intellectual adventure that led her to and through many of the most thrilling avant garde and countercultural moments in America the births of conceptual art and experimental music the poetry wars of the 60s and 70s the mainstreaming of hardcore porn No Wave cinema and New Narrative writing Riot grrls biker chicks cyberpunks As this definitive biography shows Acker was not just a singular writer she was also a titanic cultural force who tied together disparate movements in literature art music theatre and film A feat of literary biography *Eat Your Mind* is the first full scale authorized life of Acker Drawing on exclusive interviews with hundreds of Acker's intimates as well as her private journals correspondence and early drafts of her work acclaimed journalist and critic Jason McBride offers a thrilling account and a long overdue reassessment of a misunderstood genius and revolutionary artist Laurie Simmons

Laurie Simmons, Kate Linker, 2005 Laurie Simmons is one of the first contemporary American photographers to create elaborately staged narrative photographs Using dolls to act out piquant scenarios within specially constructed environments she has slyly commented on contemporary culture while recapturing a sense of her childhood in an era she recalls as both beautiful and lethal Populated by housewives ventriloquists dummies and familiar objects in unfamiliar guises her diverse tableaux are often infused with bittersweet nostalgia yet charged with a disquieting sense of dislocation **Laurie Simmons** Jan Howard, Laurie Simmons, 1997 Using dolls dollhouses dummies and figures cut from magazines Laurie Simmons constructs and photographs voyeuristic scenes of dreamlike distortions that challenge sensory perceptions Artspace **Art Now Gallery Guide**, 1989-06 **The New Yorker** Harold Wallace Ross, William Shawn, Tina Brown, Katharine Sergeant Angell White, David Remnick, Rea Irvin, Roger Angell, 2009-12 *American Photo - ND*, 1993-03 The Corporate Finance Bluebook, 1990 **Lovett/Codagnone.
