Spignesi, 2011-02-02 Lost Books of the Bible For Dummies is your one stop guide to once hidden works that add a new dimension to Biblical teachings Most people have heard about the discovery of strange ancient religious writings that are not part the Hebrew Bible or the New Testament such as the Gnostic Gospels Now you will find new insights and a fresh perspective on long lost works that may have once been in the running for Biblical inclusion but didn't make the final cut This easy to understand guide examines the sometimes weird provocative and profoundly moving texts that have been lost as well as those hotly debated works that are in some Bibles and not others You will come away with a clearer understanding of the Judeo Christian religion and the development of the Biblical canon You'll learn about the origins of the Bible explore early scriptures and understand why translations affect the meanings of texts You'll even learn how the Greek influenced early Biblical writing Find out how to Explain what the term lost books means Understand the definition of canon Take translation differences into consideration Divide early writings into style categories Take another look at scripture with the Dead Sea Scrolls See how the Greeks influenced early scripture Decode apocalyptic visions Complete with a list of ten of the weirdest Jewish lost books ten of the weirdest Christian lost books ten sayings of Jesus NOT in the Bible and ten lost books that every student of the Bible should read Lost Books of the Bible For Dummies is your one stop guide to understanding and reading the Biblical lost books

Political Anxiety in Golden Age Children's Classics and Their Contemporary Adaptations Jasmin Sültemeyer, 2021-07-05 As striking counter intuitive and distasteful as the combination of children and anxiety may seem some of the most popular children's classics abound in depictions of

traumatic relationships bloody wars and helpless heroes This book draws on Freudian and Lacanian anxiety models to investigate the psychological and political significance of this curious juxtaposition as it stands out in Golden Age novels from both sides of the Atlantic and their present day adaptations The stories discussed in detail so the argument goes identify specific anxieties and forms of anxiety management as integral elements of hegemonial middle class identity Apart from its audacious link between psychoanalysis and Marxist feminist as well as postcolonial ideology criticism this study provides a nuanced analysis of the ways in which allegedly trivial texts negotiate questions of individual and trans national identities In doing so it offers a fresh look at beloved tales like Alice s Adventures in Wonderland The Wizard of Oz and Peter Pan contributes to the dynamic field of adaptation studies and highlights the necessity to approach children s entertainment more seriously and more sensitively than it is generally the case **Musical Observer** ,1923 *Religious Classics - Boxed Set*
