Job Interviews For Dummies Or Job Hunting For Dummies:

Job Interviews For Dummies® Joyce Lain Kennedy, 2008-01-07 Job interviews are crucial meetings that seal the deal on who gets hired. But since the previous edition of *Job Interviews for Dummies* was published, everything about the interview process has changed in ways you need to know about and get comfortable with beforehand. This completely revised and updated 3rd Edition brings you fully up to speed with the latest technological changes, interview strategies, and negotiation techniques to help you give a show-stopping performance and land the job of your dreams. You learn the secrets of successful Internet video interviewing and find out how to present yourself on a global scale. And you'll get plenty of expert advice on giving targeted responses, pinpointing the critical parts of questions, and following up on the interview. In this outstanding handbook of contemporary interview arts, you'll discover how to out-prepare the competition, overcome your fear of interviewing, ask smart questions about the job and the employer, give the best answers to make or break questions, fit your qualifications to the job's requirements, dress like an insider, survive personality tests, interview across cultures, deliver a show-stopping interview performance, evaluate a job offer, negotiate a better salary. Whether you're fresh from the classroom, a prime timer over 50, or somewhere in between, *Job Interviews For Dummies 3rd Edition* gets you up to speed fast on the skills and tools you need to land the job you want.

Job Interviews For Dummies Joyce Lain Kennedy, 2011-12-27 Deliver a show-stopping interview performance. Does the thought of interviewing for a new job send shivers down your spine? It doesn't have to. Whether you're searching for your first job, changing careers, or looking for advancement in your current line of work, *Job Interviews For Dummies* shows you how to use your skills and experiences to your advantage and land that job. Following a half-decade characterized by an explosion of economic crises, global expansion, and technological innovation in the job market, today's job seekers vie for employment in a tough era of new realities where few have gone before. In addition to covering how to prepare for an interview, this updated edition explores the new realities of the job market with scenarios that you can expect to encounter, an updated sample question and answer section, coverage of how you can harness social media in your job search, information on preparing for a Web-based interview, and the best ways to keep your credibility when applying for several jobs at once. Out-prepare the competition, overcome your fear of interviewing, ask smart questions about the job and the employer, give the best answers to make or break questions, fit your qualifications to the job's requirements, dress like an insider, survive personality tests, interview across cultures, evaluate a job offer, negotiate a better salary. Whether you're fresh from the classroom, a prime timer over 50, or somewhere in between, *Job Interviews For Dummies* quickly gets you up to speed on the skills and tools you need to land the job you want.
