Joe Paterno The Musical A Satire:

Joe Paterno the Musical A. J. Smith, 2012-12-24 Joe Paterno The Musical A Satire is a funny devastating blistering look at what happened at Penn State when the news media politicians university trustees and the NCAA abandoned the constitutional right to due process in order to serve their various self interests Mike McQueary sings about his philosophy on testifying under oath A woman in pearls sings an aria of woe and longing The true story of Mark Emmert's hair is revealed And who knew that Louis Freeh was Lil Louie the rapper This 11 act play with a cast of dozens includes the deceased and presumed deceased and the imprisoned It will likely offend the few it does not entertain So be it A J Smith *American Political Music* Danny O. Crew, 2005-12-01 Since the years before the Revolutionary War American composers have expressed their political passions and viewpoints in song Music inspired by political themes and politicians can reveal a great deal about significant people and events that have shaped our national political atmosphere American Political Music provides a state by state inventory of thousands of songs about American political personalities from 1756 through 2004 The book documents music for all political offices except president Within each state and the District of Columbia the names of elected politicians candidates for public office and other high profile individuals appear in alphabetical order with a detailed listing of published songs that relate to them Also included under each state where applicable is a miscellaneous section containing general political topics about that state everything from temperance Vote Our California Dry to the women's vote Rally Song for the Ohio Suffragist to the introduction of Boston's first public water system Cochituate Grand Quick Step Under each person or topic are listed related songs with title tune composer and lyricist publisher copyright year and information on where a particular song or its lyrics may be found i.e. broadsides sheet music songbooks songs published in newspapers wax cylinders piano rolls vinyl records CDs internet or mp3 files Also included is an appendix of parodied songs demonstrating among other things the durability of Battle Hymn of the Republic and Yankee Doodle as fertile and favored ground for the parodist The book also includes a list of publishers by city and indexes of song titles authors and composers politicians and subjects and offices *Unlearning Liberty* Greg Lukianoff, 2014-03-11 For over a generation shocking cases of censorship at America's colleges and universities have taught students the wrong lessons about living in a free society Drawing on a decade of experience battling for freedom of speech on campus First Amendment lawyer Greg Lukianoff reveals how higher education fails to teach students to become critical thinkers by stifling open debate our campuses are supercharging ideological divisions promoting groupthink and encouraging an unscholarly certainty about complex issues Lukianoff walks readers through the life of a modern day college student from orientation to the end of freshman year Through this lens he describes startling violations of free speech rights a student in Indiana punished for publicly reading a book a student in Georgia expelled for a pro environment collage he posted on Facebook students at Yale banned from putting an F Scott Fitzgerald quote on a T shirt and students across the country corralled into tiny free speech zones when

they wanted to express their views But Lukianoff goes further demonstrating how this culture of censorship is bleeding into the larger society As he explores public controversies involving Juan Williams Rush Limbaugh Bill Maher Richard Dawkins Larry Summers even Dave Barry and Jon Stewart Lukianoff paints a stark picture of our ability as a nation to discuss important issues rationally Unlearning Liberty Campus Censorship and the End of American Debate illuminates how intolerance for dissent and debate on today s campus threatens the freedom of every citizen and makes us all just a little bit dumber
