Johannes Cabal The Necromancer:

Johannes Cabal the Necromancer Jonathan L. Howard, 2009-07-07 The page turning first novel in the charmingly gothic fiendishly funny Faustian series about a brilliant scientist who makes a deal with the Devil twice The spot on work of a talented writer The Denver Post Johannes Cabal sold his soul years ago in order to learn the laws of necromancy Now he wants it back Amused and slightly bored Satan proposes a little wager Johannes has to persuade one hundred people to sign over their souls or he will be damned forever This time for real Accepting the bargain Jonathan is given one calendar year and a traveling carnival to complete his task With little time to waste Johannes raises a motley crew from the dead and enlists his brother Horst a charismatic vampire to help him run his nefarious road show resulting in mayhem at every turn

Johannes Cabal the Detective Jonathan L. Howard, 2011-07-12 Johannes Cabal returns in this fearfully funny and terrifically twisted tale of murder and international intrigue five thousand feet off the ground When an attempt to steal a rare book turns sour Johannes Cabal a necromancer of some little infamy finds himself in a foreign prison awaiting execution A crafty plan as horrific as it is cunning allows him to steal the identity of a government official and make his escape aboard a luxurious aeroship heading out of the country But what should be a perfect getaway rapidly becomes complicated by the bizarre disappearance of a passenger an attempt on Cabal s life and an unwelcome face from the past Trapped aboard with a killer can even Cabal s open razor of a mind save him Full of twists turns sword fights archenemies newfangled flying machines narrow escapes and of course resurrected dead Johannes Cabal s latest eldritch escapade is a Ruritanian romp from first to last

The Brothers Cabal Jonathan L. Howard, 2014-09-30 Horst Cabal has risen from the dead Again Horst the most affable vampire one is ever likely to meet is resurrected by an occult conspiracy that wants him as a general in a monstrous army Their plan to create a country of horrors a supernatural homeland As Horst sees the lengths to which they are prepared to go and the evil they cultivate he realizes that he cannot fight them alone What he really needs on his side is a sarcastic amoral heavily armed necromancer As luck would have it this exactly describes his brother Join the brothers Cabal as they fearlessly lie quietly in bed fight dreadful monsters from beyond reality make soup feel slightly sorry for zombies banter lightly with secret societies that wish to destroy them and in passing set out to save the world The author wishes to point out that there are no zebras this time so don t get your hopes up on that count There is however a werebadger if that s something that s been missing from your life

The Fall of the House of Cabal Jonathan L. Howard, 2025-08-22 Johannes Cabal a necromancer of some little infamy has come into possession of a vital clue that may lead him to his ultimate goal a cure for death The path is vague however and certainly treacherous as it takes him into strange territories that quite literally no one has ever seen before The task is too dangerous to venture upon alone so he must seek assistance comrades for the coming travails So assisted ably and otherwise by his vampiric brother Horst and by the kindly accompaniment of a criminologist and a devil he will encounter ruins and diableries mystery and murder the depths of the lowest pit and a city of

horrors London to be exact Yet even though Cabal has risked such peril believing he understands the dangers he faces he is still underestimating them He is walking into a trap of such arcane complexity that even the one who drew him there has no idea of its true terrors As the snare closes slowly and subtly around them it may be that there will be no survivors at all The Fall of the House of Cabal is the fifth book in Jonathan L Howard s acclaimed Johannes Cabal series *Johannes Cabal* Jonathan L. Howard,2025-09-23 A Darkly Gripping Comic Fantasy Beyond the wall of sleep lies the Dreamlands a world formed by dreams but not a dream itself For countless millennia it has been explored only by those with a certain detachment from mundane reality its strange seas navigated and its vast mountains climbed by philosophers mystics and poets Well those halcyon days are over beatniks Johannes Cabal is coming Cabal a necromancer of some little infamy is employed by the mysterious Fear Institute to lead an expedition into the Dreamlands an expedition to hunt and destroy the dread Phobic Animus the font of terrors the very source of all the world s fear They will enter exotic lands where magic is common and monsters abound Cabal will encounter witches vile abominations and far too many zebras And when they finally come close to their goal Cabal will have to face his own nightmares But for a man who communes easily with devils and the dead surely there is nothing left to fear *Johannes Cabal and the Blustery Day* Jonathan L. Howard,2013 Johannes Cabal has faced down the undead ghosts monsters and Satan himself But before all that he fought the terrifying Bonewind a supernatural being that devours life itself and he did it all without leaving his house Johannes Cabal and the Blustery Day was the story that first introduced the necromancer of some little infamy back in 2004 Long out of print it makes its belated return on Hallowe en of course **The Death of Me** Jonathan L. Howard,2013-09-10 A horror story from Tor com set in the same dark world as Jonathan L Howard s Johannes Cabal The Necromancer Johannes Cabal a necromancer of some little infamy has this much in common with Emily Dickinson because he could not stop for Death she kindly stopped for him Well perhaps not that kindly At the Publisher s request this title is being sold without Digital Rights Management Software DRM applied

A Long Spoon Jonathan L. Howard,2014-12-17 A Long Spoon is a dark steampunk fantasy novella from British author Jonathan L Howard a Tor com Original story You may have heard of Johannes Cabal he is a necromancer and a little infamous He is also very sensitive to attempts on his life When a murder of crows tries to well murder him and the contents of his bath are transmuted into hot nitric acid he suspects someone may mean him harm The trail leads to one of the less travelled parts of Hell itself and there Cabal will need a guide As Dante had his Virgil so Cabal employs the services of a devil who is a monster a predator and most alien of all to Cabal a woman The devil Zarenia and he delve deep into Hell even into Satan s greatest mistake to confront challenges quite outside the ken of any mortal But one should always use a long spoon when supping with a devil and Cabal soon realises the unthinkable a horror beyond his experience He is actually beginning to like her At the Publisher s request this title is being sold without Digital Rights Management Software DRM applied
