he turned his own modest studio into MGM where he became the most powerful man in Hollywood bending the film business to his will He made great films including the fabulous MGM musicals and he made great stars Garbo Gable Garland and dozens of others Through the enormously successful Andy Hardy series Mayer purveyed family values to America At the same time he used his influence to place a federal judge on the bench pay off local officials cover up his stars indiscretions and on occasion arrange marriages for gay stars Mayer rose from his impoverished childhood to become at one time the highest paid executive in America Despite his power and money Mayer suffered some significant losses He had two daughters Irene who married David O Selznick and Edie who married producer William Goetz He would eventually fall out with Edie and divorce his wife Margaret ending his life alienated from most of his family His chief assistant Irving Thalberg was his closest business partner but they quarreled frequently and Thalberg s early death left Mayer without his most trusted associate As Mayer grew older his politics became increasingly reactionary and he found himself politically isolated within Hollywood s small conservative community

Lion of Hollywood is a three dimensional biography of a figure often caricatured and vilified as the paragon of the studio system Mayer could be arrogant and tyrannical but under his leadership MGM made such unforgettable films as The Big Parade Ninotchka The Wizard of Oz Meet Me in St Louis and An American in Paris Film historian Scott Eyman interviewed more than 150 people and researched some previously unavailable archives to write this major new biography of a man who defined an industry and an era *The Publishers Weekly* ,2003 **Dictionary of Artists: Herring - Koonrnstra** Emmanuel Bénézit,2006 First English language edition of Emmanuel B n zit s Dictionnaire critique et documentaire des peintres sculpteurs dessinateurs et graveurs based on the 14 volume French edition published in 1999 It has been revised adapted and updated Preface Library Journal ,2001 Includes beginning Sept 15 1954 and on the 15th of each month Sept May a special section School library journal ISSN 0000 0035 called Junior libraries 1954 May 1961 Also issued separately Dance on Camera Journal ,2006 Los Angeles Magazine ,2001-12 Los Angeles magazine is a regional magazine of national stature Our combination of award winning feature writing investigative reporting service journalism and design covers the people lifestyle culture entertainment fashion art and architecture and news that define Southern California Started in the spring of 1961 Los Angeles magazine has been addressing the needs and interests of our region for 48 years The magazine continues to be the definitive resource for an affluent population that is intensely interested in a lifestyle that is uniquely Southern Californian
