His Own People Booth Tarkington, 2022-11-20 Reproduction of the original His Own People Booth Tarkington, 2009-01 To remember Monsieur Robert Russ Mellin he promise to come to tea Hotel Magnifique Roma at five o'clock Thursday So read the awkwardly worded calling card he pulled from his pocket the card that brought him here to this chandelier brightened room where he looked around with the pleasurable joy of recognition with the knowledge that here here was where he belonged among the gentle the polished the refined and the beautiful Europe had been his goal so long and his hopes for pleasure grew high when he actually neared its shining horizon But disappointment was there to meet him during the first stages of his journey London his first stopping place gave him a few dreadful days He knew nobody and had not understood how heavily sheer loneliness something he never felt before would weigh down his spirits But on his way to Paris something happened It was as though a light had been turned on and now glowing promise seemed to fill his entire life

Tarkington, 2020-10-15 The glass domed palm room of the Grand Continental Hotel Magnifique in Rome is of vasty heights and distances filled with a mellow green light which filters down languidly through the upper foliage of tall palms so that the two hundred people who may be refreshing or displaying themselves there at the tea hour have something the look of under water creatures playing upon the sea bed They appear however to be unaware of their condition even the ladies most like anemones of that gay assembly do not seem to know it and when the Hungarian band crustacean like in costume and therefore well within the picture has sheathed its flying tentacles and withdrawn by dim processes the tea drinkers all float out through the doors instead of bubbling up and away through the filmy roof In truth some such exit as that was imagined for them by a young man who remained in the aquarium after they had all gone late one afternoon of last winter They had been marvelous enough and to him could have seemed little more so had they made such a departure He could almost have gone that way himself so charged was he with the uplift of his belief that in spite of the brilliant strangeness of the hour just past he had been no fish out of water **His Own People** Newton Booth Tarkington, 2020-03-28 Newton Booth Tarkington
