A Guide to Historical Fiction (Classic Reprint) Ernest A. Baker, 2015-07-17 Excerpt from *A Guide to Historical Fiction*

Tales has written an able defence of the reading of this kind of romance to which I have little to add except by the way of emphasis Historical fiction is not history but it is often better than history A fine historical painting a pageant or a play may easily teach more and carry a deeper impression than whole Chapters of description and analysis Esmond and Tom fones are indispensable adjuncts to Lecky Scott and Dumas will always have a larger history class than any two regular historians you could name Even a second rate historical novel may have ample excuse for existence But a good one good that is merely as a story though chronology may be at fault and facts inaccurately stated will probably succeed in making a period live in the imagination when text books merely give us dry bones About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

Visions of Dystopia in China's New Historical Novels Jeffrey C. Kinkley, 2014-11-04 The depiction of personal and collective suffering in modern Chinese novels differs significantly from standard Communist accounts and most Eastern and Western historical narratives Writers such as Yu Hua Su Tong Wang Anyi Mo Yan Han Shaogong Ge Fei Li Rui and Zhang Wei scramble common conceptions of China s modern development deploying avant garde narrative techniques from Latin American and Euro American modernism to project a surprisingly un Chinese dystopian vision and critical view of human culture and ethics The epic narratives of modern Chinese fiction make rich use of magical realism surrealism and unusual treatments of historical time Also featuring graphic depictions of sex and violence and dark raunchy comedy these novels deeply reflect China s turbulent recent history re presenting the overthrow of the monarchy in the early twentieth century and the resulting chaos of revolution and war the recurring miseries perpetrated by class warfare during the dictatorship of Mao Zedong and the social dislocations caused by China s industrialization and rise as a global power This book casts China s highbrow historical novels from the 1990s to the mid 2000s as a distinctively Chinese contribution to the form of the global dystopian novel and consequently to global thinking about the interrelations of utopia and dystopia
