An Armchair Traveller's History of Beijing Jonathan Clements, 2016-11-15 As China's global influence continues to rise its capital Beijing has become increasingly important and a popular tourist destination greeting close to five million international visitors each year An Armchair Traveller's History of Beijing presents the capital from its earliest beginnings as a prehistoric campsite for Peking Man through its fluctuating fortunes under a dozen dynasties Home to capitals of several states over time the site of modern Beijing has been ruled by Mongolian chiefs and the glorious Ming emperors whose tombs can still be found on its outskirts Through Beijing we can experience Chinese history itself including its more famous residents including Khubilai Khan Mulan and Marco Polo Special emphasis is placed on Beijing's precarious heritage in the twenty first century as modern construction wipes out much of the old city to make way for homes for twenty million people This book also offers detailed information on sites of tourist interest including the pros and cons of different sections of the Great Wall and the best ways to see the Forbidden City and the fast disappearing relics of the city's Manchu and Maoist eras A chapter on food and drink examines not only local delicacies but the many other Chinese dishes that form part of Beijing's rich dining traditions With its blend of rich history and expert tips An Armchair Traveller's History of Beijing is an essential introduction to one of the world's most remarkable cities

A History of the Chinese Secret Service Richard Deacon, 1974

Performance Studies Erin Striff, 2002-09-26 What is performance We do not need to be in a theatre to think about the theatricality of how we behave in culture but can a performance exist if there are no spectators How do we know when performances are taking place if there is no curtain rising and falling What does the act of performance achieve How does performance studies attempt to answer those questions This collection of lively and stimulating articles on performance studies provides an understandable introduction to the field and to the way in which performance touches all of our lives from the rituals and ceremonies in which we partake to the way we present ourselves depending on the company we keep Together these articles help clarify what constitutes performance studies and introduce the reader to the many theoretical perspectives including feminist queer post structuralist and post colonial which are used to study performance in culture Acts considered range from those that can be easily identified as performance such as the strip show to the more theoretically complex such as performative speech One of the first of its kind on performance studies this reader is an essential text for all those with an interest in the subject or who are approaching it for the first time

History Adam Hart-Davis, 2012-03-20 Homo sapiens have remained the same species largely unchanged in genetic

makeup and anatomy since the Cro Magnon era By contrast the cultural social and technological changes since then have been nothing less than extraordinary At the core of this development is the ability of humans to store and transmit knowledge so that each new generation stands upon the shoulders of its predecessors This ability to use what has gone before is what sets humans apart Telling our story from prehistory to the present day DK's History is a thought provoking journey revealing the common threads and forces that have shaped human history Taking a broad themed approach acknowledging varied factors at work from climate ecology disease and geology and their roles in the human story this visual celebration makes history accessible and relevant putting events in their wider context and showing how they have shaped the world we live in Features inventions discoveries and ideas that have shaped world history Looks at human achievement through artifacts painting sculpture and architecture Places humankind in context as part of the natural world Includes eyewitness accounts and biographies of key figures at turning points in history Gives factors such as climate and natural disasters their full place in the human story Uncovers the past from analyzing ice cores to deciphering extinct languages A comprehensive timeline chronicles the key events of the countries of the world

History DK,2023-04-25 This lavishly illustrated visual encyclopedia tells the story of our world in depth and detail from the dawn of civilization to the present day Charting human endeavor from every angle SI History chronicles the significant events ground breaking ideas political forces and technological advances that have shaped our planet Every historical episode is explored and explained with the help of stunning images that bring the authoritative text to life Important points in history from the battle of Hastings and the storming of the Bastille to D Day and 9 11 have clear but concise coverage together with profiles of influential figures such as Julius Caesar Cleopatra and Nelson Mandela It's time to head back in time and explore the past with this striking history book which features Profiles of key people who have made history Features on inventions discoveries and ideas that changed the world Graphics lend immediacy and impact to key statistics National Histories section separately chronicles key events of every country As each moment in history is defined and detailed supporting panels note the causes and consequences providing wider context and broadening our horizons New and enhanced coverage of recent events such as the Arab Spring and contemporary issues such as climate change and the COVID 19 pandemic bring the book firmly into the present With its broad themed approach to important historical events this book shows that ours is a history with genes and viruses not just battle and treaties and the stories and biographies of men and women from every corner of the globe who have shaped today's world reaffirm that SI History is the story of humankind in which everyone has a part to play
