National Geographic Treasures , Social Issues in Sport Ron Woods,B. Nalani Butler,2020 Social Issues in Sport Fourth Edition explores common questions and issues about sport and its relation to society through various sociological and cultural lenses The text is grounded in practical application and provides social theories through which students may examine real world issues

The Green Fuse John Harte,2023-11-15 A widely respected ecological scientist and activist draws on the poet s image and his own environmental research to demonstrate the many interconnections among the world s ecosystems John Harte takes us from Alaskan salmon runs and the Florida everglades to South Pacific coral reefs and the bleak Tibetan plateau The result is that rare book that bridges the cultures of science and art Lyrical vivid portraits of natural wonders and the threats to them are combined with precise scientific accounts of natural processes and their disturbances The Green Fuse will show nonscientists the fascination of ecological detective work and renew scientists love for the beauty of the world under their microscopes Harte s stories illuminate without sermonizing the damage to natural systems brought about by technological hubris and calculated political ruthlessness The green fuse symbolizes the basic unity behind natural diversity But a fuse may also be the weak link in an overloaded system or the slow burning wick on an ecological bomb As The Green Fuse reminds us the energies that created human liberation from nature can also be those that lead to the human destruction of nature This title is part of UC Press s Voices Revived program which commemorates University of California Press s mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1993

McGraw-Hill Reading ,200? Seasons of Real Florida Jeff Klinkenberg,2009-09-20 No wonder Jeff Klinkenberg loves Florida At any time of year he can find a place in the state that s ripe to enjoy or a person whose story has aged to perfection Arranged by season the book opens in the fall which Klinkenberg says is like spring in the north a time of

celebration Having survived our harshest season we feel renewed Fair weather good food and the joys of nature lie ahead described here in essays that are like time capsules of old Florida values Preserving the past they reveal Klinkenberg s waggish appreciation of the state s history folkways and landscape not to mention its barbequed ribs smoked mullet stone crab claws and fresh lemonade Many pieces focus off the beaten path and on modern rogues who seem to turn their backsides to the subdivisions and shopping malls that pave the state Miss Ruby whose fruit stand features rutabagas boiled peanuts and her own brightly colored plywood paintings an 85 year old resident of the remote island of Cayo Costa who hums Beethoven while she hunts for shells the scientists who test mosquito repellent in Everglades National Park and the unofficial caretaker of Lilly Spring on the Santa Fe River who greets canoeists wearing glasses a necklace and on occasion a synthetic fur loincloth Other pieces pay homage to Klinkenberg s literary heroes who ve written in and about Florida such as Pulitzer Prize winner Marjorie Kinnan Rawlings Rawlings s companion and memoirist Idella Parker Everglades crusader Marjory Stoneman Douglas and novelist Ernest Hemingway Klinkenberg also revisits an old St Johns River campsite of 19th century botanist William Bartram whose encounters with alligators there were as alarming as Klinkenberg s with beer cans and soda bottles For anyone who has a stake in the real Florida resident tourist naturalist or newcomer this tour of the seasons will linger in memory like the aroma of orange blossoms on a clear winter night

Fodor's South Florida Fodor's Travel Guides,2017-07-25 With many of the state s most popular destinations including Miami Palm Beach Fort Lauderdale the Everglades and the Florida Keys South Florida is a vacation destination rich in possibilities for every kind of traveler Filled with color photos eye popping features and fabulous maps Fodor s South Florida is easier to browse than ever
