

Jefferson Davis The Civil War Biographies

Joey Frazier

Jefferson Davis The Civil War Biographies:

Jefferson Davis, American William J. Cooper, 2001-11-13 From a distinguished historian of the American South comes this thoroughly human portrait of the complex man at the center of our nation's most epic struggle Jefferson Davis initially did not wish to leave the Union as the son of a veteran of the American Revolution and as a soldier and senator he considered himself a patriot William J Cooper shows us how Davis' initial reluctance turned into absolute commitment to the Confederacy He provides a thorough account of Davis' life both as the Confederate President and in the years before and after the war Elegantly written and impeccably researched *Jefferson Davis American* is the definitive examination of one of the most enigmatic figures in our nation's history *Jefferson Davis and the Civil War Era* William J. Cooper, Jr., 2013-01-02 In his masterpiece *Jefferson Davis American* William J Cooper Jr crafted a sweeping definitive biography and established himself as the foremost scholar on the intriguing Confederate president Cooper narrows his focus considerably in *Jefferson Davis and the Civil War Era* training his expert eye specifically on Davis' participation in and influence on events central to the American Civil War Nine self-contained essays address how Davis reacted to and dealt with a variety of issues that were key to the coming of the war the war itself or in memorializing the war sharply illuminating Davis' role during those turbulent years Cooper opens with an analysis of Davis as an antebellum politician challenging the standard view of Davis as either a dogmatic priest of principle or an inept bureaucrat Next he looks closely at Davis' complex association with secession which included surprisingly a profound devotion to the Union Six studies explore Davis and the Confederate experience with topics including states rights the politics of command and strategic decisions Davis in the role of war leader the war in the West and the meaning of the war The final essay compares and contrasts Davis' first inauguration in Montgomery Alabama in 1861 with a little known dedication of a monument to Confederate soldiers in the same city twenty five years later In 1886 Davis an old man of seventy eight and in poor health had himself become a living monument Cooper explains and was an essential element in the formation of the Lost Cause ideology Cooper's succinct interpretations provide straightforward compact and deceptively deep new approaches to understanding Davis during the most critical time in his life Certain to stimulate further thought and spark debate *Jefferson Davis and the Civil War Era* offers rare insight into one of American history's most complicated and provocative figures *Jefferson Davis* Cory Gideon Gunderson, 2000-09 Follows the life of Jefferson Davis the president of the Confederate States of America tracing events from his childhood through secession and the Civil War to his life following the conflict **Jefferson Davis** William Edward Dodd, 1907 **Jefferson Davis** William Edward Dodd, 1908 BCR's Shelf2Life American Civil War Collection is a unique and exciting collection of pre 1923 titles focusing on the American Civil War and the people and events surrounding it From memoirs and biographies of notable military figures to firsthand accounts of famous battles and in depth discussions of slavery this collection is a remarkable opportunity for scholars and historians to rediscover the experience and impact of the Civil War The volumes contained in the collection

were all written within 60 years of the end of the war which means that most authors had living memory of it and were facing the effects of the war while writing These firsthand accounts allow the modern reader to more fully understand the culture of both the Union and Confederacy the politics that governed the escalation and end of the war the personal experience of life during the Civil War and the most difficult and polarizing question in the history of the United States slavery The American Civil War Collection allows new readers access to the contemporary arguments and accounts surrounding the war and is a vital new tool in understanding this important and pivotal chapter in American history **Jefferson Davis** Joann J.

Burch,2014-12-15 As president of the Confederate States of America Jefferson Davis played a key role in the South s unsuccessful attempt to separate from the Union during the Civil War This book traces the life of the Confederate leader from his childhood in Mississippi to his years as a United States politician through the Civil War and his attempt to rebuild his life and reputation after the Confederacy was defeated by the Union *Jefferson Davis* William C. Davis,1991 Drawing on many new sources distinguished Civil War scholar William C Davis here delves into the life of one of the most controversial public figures of the nineteenth century He vividly details Davis childhood in Mississippi his military experience at West Point and on the western frontier his brilliant record in the Mexican War his stint as a hardworking secretary of war under Franklin Pierce and his career as an impassioned defender of slavery in the Senate closely examining the development and expression of Davis values attitudes and personality throughout this time *The Life and Work of Jefferson Davis* Jefferson Davis, Frank H. Alfriend,2023-12-13 The Life and Work of Jefferson Davis offers a comprehensive exploration of the controversial and complex figure who led the Confederacy during a pivotal era in American history The anthology melds biographical insights with critical examinations showcasing a range of literary styles from descriptive narrative to analytical discourse This collection provides a thorough contextual analysis of Davis s political ideology military strategy and personal motivations offering an invaluable resource for understanding the multifaceted nature of leadership during the Civil War The anthology serves as an essential reference guide featuring pieces that illuminate the broader socio political landscape of 19th century America Authored by Jefferson Davis alongside Frank H Alfriend this collection synthesizes primary observations from Davis himself with Alfriend s historical commentary The dual authorship brings together distinct perspectives bridging personal recounts with scholarly critique Their combined efforts enrich the narrative by aligning with both Lost Cause ideology and early American historiographical movements offering a diverse portrayal that challenges readers to decipher the intertwined layers of historical interpretation This volume is a compelling invitation to investigate the racial economic and political intimacies of the Civil War era in a singular cohesive narrative Enthusiasts of American history students of political science and scholars of military strategy will find significant educational value in the breadth of insights provided Readers are encouraged to engage with this anthology to participate in the dialogue between historical narrative and national memory expanding their understanding of the multifaceted legacy of one of history s most debated figures

Jefferson Davis's Generals Gabor S. Boritt, 2000-10-12 Confederate General P G T Beauregard once wrote that no people ever warred for independence with more relative advantages than the Confederates. If there was any doubt as to what Beauregard sought to imply, he later chose to spell it out: the failure of the Confederacy lay with the Confederate president Jefferson Davis. In *Jefferson Davis's Generals*, a team of the nation's most distinguished Civil War historians present fascinating examinations of the men who led the Confederacy through our nation's bloodiest conflict, focusing in particular on Jefferson Davis's relationships with five key generals who held independent commands: Joseph E. Johnston, Robert E. Lee, P. G. T. Beauregard, Braxton Bragg, and John Bell Hood. Craig Symonds examines the underlying implications of a withering trust between Johnston and his friend Jefferson Davis. And was there really harmony between Davis and Robert E. Lee? A tenuous harmony at best, according to Emory Thomas. Michael Parrish explores how Beauregard and Davis worked through a deep and mutual loathing, while Steven E. Woodworth and Herman Hattaway make contrasting evaluations of the competence of Generals Braxton Bragg and John Bell Hood. Taking a different angle on Davis's ill-fated commanders, Lesley Gordon probes the private side of war through the roles of the generals' wives, and Harold Holzer investigates public perceptions of the Confederate leadership through printed images created by artists of the day. Pulitzer Prize winner James M. McPherson's final chapter ties the individual essays together and offers a new perspective on Confederate strategy as a whole. *Jefferson Davis's Generals* provides stimulating new insights into one of the most vociferously debated topics in Civil War history.

Jefferson Davis, Ex-president Of The Confederate States Of America; Volume 1 Varina Davis, 2023-07-18 Written by the wife of Jefferson Davis, this biography offers a unique perspective on one of the most controversial figures of the Civil War era. Drawing on personal letters and other primary sources, Varina Davis paints a portrait of her husband as a principled statesman who fought to defend the rights of his fellow Southerners. This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it. This work is in the public domain in the United States of America and possibly other nations. Within the United States, you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work. The Rise and Fall of the Confederate Government Jefferson Davis, 1881 A history of the Confederate States of America and an apologia for the causes that the author believed led to and justified the American Civil War.

Jefferson Davis Joey Frazier, 2009 This title tells the story of Jefferson Davis's life, the only president of the Southern States during their secession from the Union.

Jefferson Davis, President of the South (Classic Reprint) Hamilton James Eckenrode, 2017-10-26 Excerpt from *Jefferson Davis: President of the South*. Confederate history has been very unevenly written. Lee's campaigns are embodied in a considerable literature. While on the other hand, the Civil War in the West has never received adequate

treatment from the Southern stand point and the workings of the government have been neglected The present work is a study of the politico military history of the Confederacy practically virgin soil Professor W E Dodd has given an admirable account of the earlier career of Jefferson Davis and Armistead Gordon has written an excellent brief biography from secondary sources but not until the mass of Confederate correspondence in the Official Records together with memoirs of participants had been examined could the interplay of the government and the military leaders be determined This has been done in the present work About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

Pursuit: Clint Johnson, 2009-06-01 A Spellbinding Tale Of The Last Days Of The Confederacy David J Eicher author of The Longest Night In the only book to tell the definitive story of Confederate President Jefferson Davis's chase capture imprisonment and release journalist and Civil War writer Clint Johnson paints a riveting portrait of one of American history's most complex and enduring figures Riveting And Revealing Marc Leepson author of Desperate Engagement In the vulnerable weeks following the end of the war and Abraham Lincoln's assassination some in President Andrew Johnson's administration burned to exact revenge against Jefferson Davis Amid charges of conspiracy to murder Lincoln and treason against the Union Secretary of War Edwin Stanton ordered cavalry after Davis After a chase through North and South Carolina and Georgia Davis was captured The former United States senator and Mexican War hero was imprisoned for two years in Fortress Monroe Virginia where he was subjected to torture and humiliation yet he was never brought to trial Engaging Vivid Fresh And Entertaining Chris Hartley author of Stuart's Tarheels With a keen eye for period detail as well as a Southerner's insight Johnson sheds new light on Davis's time on the run his treatment while imprisoned his surprising release from custody and his later travels in this fascinating account of a defining episode of the Civil War Compelling an indispensable volume for any Civil War library Daniel W Barefoot author of Let Us Die Like Brave Men One Of The Most Fascinating And Overlooked Dramas In Civil War History Rod Gragg author of Covered With Glory

Jefferson Davis, Unconquerable Heart Felicity Allen, 1999 Preeminent Civil War historian Frank Vandiver always longed to see an interpretive biography of Jefferson Davis Finally more than twenty years after Vandiver expressed that wish publication of Jefferson Davis Unconquerable Heart makes such an interpretive biography available Felicity Allen begins this monumental work with Davis's political imprisonment at the end of the Civil War and masterfully flashes back to his earlier life interweaving Davis's private life as a schoolboy a Mississippi planter a husband a father and a political leader She follows him from West Point through army service on the frontier his election to the U S House of

Representatives his regimental command in the Mexican War his service as U S secretary of war and senator and his term as president of the Confederate States of America Although Davis s family is the nexus of this biography friends and enemies also play major roles Among his friends intimately met in this book are such stellar figures as Andrew Jackson John C Calhoun Zachary Taylor Franklin Pierce Albert Sidney Johnston and Robert E Lee With the use of contemporary accounts and Davis s own correspondence Jefferson Davis Unconquerable Heart casts new light upon this remarkable man thawing the icy image of Davis in many previous accounts Felicity Allen shows a strong yet gentle man a stern soldier who loved horses guns poetry and children a master of the English language with a dry wit a man of powerful feelings who held them in such tight control that he was considered cold and a home loving Mississippian who was drawn into a vortex of national events and eventual catastrophe At all times duty honor country ruled his mind Davis s Christian view of life runs like a thread throughout the book binding together his devotion to God his family and the land Jefferson Davis Unconquerable Heart brings Davis to life in a way that has never been done before The variety of his experience the breadth of his learning and the consistency of his beliefs make this historical figure eminently worth knowing Jefferson Davis Allen Tate,2013-10 This is a new release of the original 1929 edition **Embattled Rebel** James M. McPherson,2015-09-15 History has not been kind to Jefferson Davis His cause went down in disastrous defeat and left the South impoverished for generations If that cause had succeeded it would have torn the United States in two and preserved the institution of slavery Many Americans in Davis s own time and in later generations considered him an incompetent leader if not a traitor Not so argues James M McPherson In Embattled Rebel McPherson shows us that Davis might have been on the wrong side of history but it is too easy to diminish him because of his cause s failure In order to understand the Civil War and its outcome it is essential to give Davis his due as a military leader and as the president of an aspiring Confederate nation Davis did not make it easy on himself His subordinates and enemies alike considered him difficult egotistical and cold He was gravely ill throughout much of the war often working from home and even from his sickbed Nonetheless McPherson argues Davis shaped and articulated the principal policy of the Confederacy with clarity and force the quest for independent nationhood Although he had not been a fire breathing secessionist once he committed himself to a Confederate nation he never deviated from this goal In a sense Davis was the last Confederate left standing in 1865 As president of the Confederacy Davis devoted most of his waking hours to military strategy and operations along with Commander Robert E Lee and delegated the economic and diplomatic functions of strategy to his subordinates Davis was present on several battlefields with Lee and even took part in some tactical planning indeed their close relationship stands as one of the great military civilian partnerships in history Most critical appraisals of Davis emphasize his choices in and management of generals rather than his strategies but no other chief executive in American history exercised such tenacious hands on influence in the shaping of military strategy And while he was imprisoned for two years after the Confederacy s surrender awaiting a trial for treason that never came and lived for

another twenty four years he never once recanted the cause for which he had fought and lost Publisher **Lincoln & Davis** Augustin Stucker,2011-11-08 The story of Jefferson Davis and Abraham Lincoln is the story of the United States and without either of their lives and influence we would not be the nation we are today They were born within 9 months and 100 miles of each other in Kentucky log cabins Their parallel lives from that point forward were eerily similar in spite of Davis remaining a life long Southerner and Lincoln moving to and settling in Illinois Each man had cold emotionally distant fathers both lost their first loves to disease within one month of each other married strong Southern women much younger than themselves and lost young sons while Presidents of the Union and the Confederacy Both men were ambitious and drawn to the world of politics where Davis an ardent slaveholder and state rights leader and Lincoln seeking to limit and eradicate slavery worked tirelessly to avoid Civil War up to the moment of Southern secession Finally Lincoln and Davis were each considered martyrs after leading their nations through the conclusion of the Civil War This is their compelling story including comparing the stark political events of their era to those being replayed across todays America For more information about the book and or the author please visit www.lincolndanndavis.com **Embattled Rebel** James M. McPherson,2014-10-07 Explores Jefferson Davis s leadership as commander in chief of the Confederacy while discussing such topics as his military prowess and effective partnership with Robert E Lee The Death and Resurrection of Jefferson Davis Donald E. Collins,2005 When the Civil War ended Jefferson Davis had fallen from the heights of popularity to the depths of despair In this fascinating new book Donald E Collins explores the resurrection of Davis to heroic status in the hearts of white Southerners culminating in one of the grandest funeral processions the nation had ever seen As schools closed and bells tolled along the thousand mile route Southerners appeared en masse to bid a final farewell to the man who championed Southern secession and ardently defended the Confederacy
