Muller, Thomas Saalfeld, 2013-10-31 Traditional comparative studies of parliaments have focused on constitutional and organizational characteristics of parliaments or differences in the historical contexts in which legislative

assemblies have developed The motivations of individual Members of Parliament have been neglected This volume provides empirical work on legislative role orientations and behaviour in six West European parliaments Belgium Denmark Germany the Netherlands Norway and the United Kingdom All contributions present a wealth of empirical findings on parliamentarians role orientations in different institutional contexts *Tricks Journalists Play* Dennis Barker, 2012-07-18

Dennis Barker has written a hard hitting expose of the erosion of standards and values in the media world of newspapers TV and radio over the past twenty years in particular those of integrity independence of thought and accuracy He was prompted to start work on his book by the low standing of journalists at the bottom near estate agents and politicians in recent opinion polls on the esteem in which the public holds those in different professions He takes the reader through a whole gamut of journalistic tricks which pinpoint the failings of the media in over fifty short chapters including the death of the reporter prejudicial words shovel it all in the sub s role my beautiful career same old celebrities money worship and headlines and fib lines In snubbing we see how a colourfully dramatic conflict or a cauldron of ill will can be created where possibly none exists The general public is becoming increasingly aware of the unsatisfactory state of affairs in media journalism which is highlighted by the periodic distortions caused by the political ambitions of chief executives and tycoons misleading headlines and its extraordinary obsession with celebrity culture *Tricks Journalists Play* is essential reading for the majority of us who care about the pernicious effects of spin misrepresentation and deception and social and international prejudice the purveying of half truths in relation to crucial issues that affect our future and the failure to report fully and accurately on matters that have a bearing on freedom and democracy in this country An experienced journalist himself Dennis Barker has worked for the Guardian since the 1960s in many roles from feature writer and media correspondent to general columnist and at the moment is a contributor of obituaries mainly in the media and entertainment spheres Sarah Birke in New Statesman Journalists are seen as a cynical bunch not just by politicians but by the general public as well Noble ideas of honesty accuracy and a bit of hard graft seem to have been abandoned in favour of networking and re spun press releases Barker does well to call for more investigative journalism and a public campaign to rethink within the profession Tom Easton in *Lobster* no 55 summer 2008 Apropos of Flat Earth News he writes Other reporters including for example a Guardian writer of a slightly earlier vintage than Nick Davies Dennis Barker have given insider insight on what goes on Barker s low key book deserves a wide audience for its breadth and witty clarity Roger Silver on Amazon co uk August 2008 four star One way of being forearmed would be to read this book and learn from the insights it provides into much journalistic behaviour Writing as an insider he gives examples of the tricks and sleights of hand used by journalists in a host of different situations His book is a valuable navigational aid for anyone thrust willingly or unwillingly into the potentially treacherous waters of media relations It is also a disturbing commentary on declining journalistic values which Dennis Barker so demonstrably deplores *Prime Suspect - The True Story of John Cannan, The Only Man the Police Want to Investigate for the Murder of*

Suzy Lamplugh Christopher Berry-Dee,2008-07-07 Under that veneer of charm there lies a most evil violent and horrible side to your character You should never be at liberty outside of prison walls Mr Justice Drake Exeter Crown Court 28 April 1989 Before being sentenced to three life terms for the murder of Bristol newlywed Shirley Banks in April 1989 John Cannan boasted of over a hundred one night stands He was charming he was handsome and he wooed his conquests among them professional women with flowers and champagne When Suzy Lamplugh disappeared in July 1986 following her meeting with Mr Kipper Cannan had only been out of prison for three days following an eight year sentence for rape After Cannan was convicted of the murder of Shirley Banks the Lamplugh case was closed To this day Cannan denies his involvement in the Lamplugh case and protests his innocence in the murder of Shirley Banks His appeal has been dismissed Drawing on the latest psychological profiling knowledge developed in America by the FBI and most importantly an intense three year correspondence with Cannan Christopher Berry Dee provides a chillingly personal comprehensive portrait of a complex intelligent but disturbed man
