Jesus And Empire The Kingdom Of God And The New World Disorder

Ernest van Eck, George R. Hunsberger

Jesus And Empire The Kingdom Of God And The New World Disorder:

Jesus and Empire Richard A. Horsley, A major advance in Jesus studies and a critique of oppression Horsley focuses his attention on how Jesus proclamation of the kingdom of God relates to Roman and Herodian power politics Christian America and the Kingdom of God Richard T. Hughes, 2010-10-01 The idea of the United States as a Christian nation is a powerful seductive and potentially destructive theme in American life culture and politics And yet as Richard T Hughes reveals in this powerful book the biblical vision of the kingdom of God stands at odds with the values and actions of an American empire that sanctions war instead of peace promotes dominance and oppression instead of reconciliation and exalts wealth and power instead of justice for the poor and needy With extensive analysis of both Christian scripture and American history from the founding of the republic to the present day Christian America and the Kingdom of God illuminates the devastating irony of a Christian America that so often behaves in unchristian ways **The Oxford Handbook of**

Postcolonial Biblical Criticism R. S. Sugirtharajah, 2023 The Oxford Handbook of Postcolonial Biblical Criticism is a comprehensive treatment of a relatively new form of scholarship Generally speaking postcolonialism aims to critique and dismantle hegemonic worldviews and power structures while giving voice to previously marginalized peoples and systems of thought This approach has inevitably engaged with the text and reception of the Bible a scripture that Western colonizers introduced to and often imposed upon their colonial subjects With a globally diverse list of contributors the Handbook aims to cover the perspective and context of the authors of the Bible as well as the modern experiences of imperialism resistance decolonization and nationalism **The Oxford Handbook of the Synoptic Gospels** Stephen P. Ahearne-Kroll, 2023 The

Oxford Handbook of the Synoptic Gospels presents essays that push the field beyond the Synoptic Problem and theological themes that ignore the particularities of each Gospel The first section explores some of the traditional approaches of literary dependence and engages with alternative ways to understand Synoptic relations while the second section treats a variety of historical literary and cultural phenomena important to the study of these Gospels **Justice, Mercy, and Well-Being**

Peter G. Bolt, James R. Harrison, 2020-03-10 This collection of essays examines how God's justice and mercy intersect in the lives of individuals and their communities with a view to the establishment of personal and social well being in the world The authors drawn from England and Australia approach the theme from a variety of methodological and interdisciplinary perspectives Theological exegetical historical healthcare moral and visual arts approaches are brought to bear in an investigation relevant for the identity and mission of the church in a world characterized by cycles of revenge the perpetration of injustice and the marginalization and persecution of various ethnic groups The practical outcome of these studies has wide ranging relevance for our attitudes toward indigenous peoples the well being of single and married people healthcare throughout the ages the spiritual care of people including those suffering dementia the personal experience of trauma issues of moral judgement and the abiding value of the creative arts **Josué: Prisoner at Shalem** Steven H.

Propp,2005-11-21 Who is this man Josu is locked up in Shalem State Prison a maximum security institution He had never attracted much attention to himself before and was content to just do his own time But then something happened to him and now he s on a mission to share it Man I ain t never heard nothin like this guy exclaims Jamal one of the twelve prisoners that Josu has appointed to be his Reps and to share the Word about his message with the other prisoners Josu freely gives of himself praying for the healing of the many troubled people who flock to him and telling them stories about the New Order that God is going to establish very soon But the authority figures in the prison can t stand this arrogant challenger to their own power They try to embarrass Josu publicly and fail utterly But then when one of Josu s own followers offers to turn on him betrayal and greed lead to a violent climax Does this story sound familiar Then come and read an all too well known tale told in a fresh exciting way and maybe see some things in the story that you d never noticed before **A Moral Creed for All Christians**

Daniel C. Maguire, Widely heralded for his bold and prophetic ethical thought Maguire urges that Christianity s real relevance for the renewal of American public life lies not in the myopic morality of the Christian Right nor in any particular program of the Left but in the enduring relevance of Jesus and biblical Christianity His new work builds on his earlier volume *The Moral Core of Judaism and Christianity* with the benefit of a new generation of social studies of the New Testament and a keen appreciation for the radically changed situation Christians confront today Daniel C Maguire is Professor of Ethics at Marquette University a past president of the Society of Christian Ethics and president of the Religious Consultation on Population Reproductive Health and Ethics A frequent lecturer and media commentator Maguire is author of many influential works in ethics such as *Death by Choice* 1974 *The Moral Choice* 1975 *The Moral Revolution* 1986 *Sacred Energies* Fortress Press 2000 and *Sacred Choices* Fortress Press 2001 *The Kingship of Jesus in the Gospel of John*

Sehyun Kim,2018-08-21 This book studies kingship with reference to the Johannine Jesus Postcolonialism leads us to an avenue from which to read this Gospel in the more complex and wider context of the hybridized Jewish and Greco Roman worlds of the Roman Empire in the first century CE This provides a new perspective on the kingship of the Johannine Jesus whose kingly identity is characterized by hybridized christological titles For the Johannine readers in the first century who were exploited oppressed yet at odds with both the colonizer and the colonized in the Roman Empire this Gospel was deemed to reveal his identity Using many christological titles it presented Jesus as the universal king going beyond the Jewish Messiah s and the Roman emperors and also as the decolonizer who came to his own world to liberate his people from the darkness In this respect the ideology of the Johannine emphasizes that love peace freedom service of the center for the margins and forgiveness are the ruling forces in the new world where Jesus reigns as king Raising an awareness of these ideologies John s gospel asks readers to overcome the conflicting world shrouded in darkness thenceforth entering the new Johannine world [Jesus Christ for Contemporary Life](#)

Don Schweitzer,2012-02-13 *Jesus Christ for Contemporary Life* is an understanding of Jesus as the Word of God grounded in what can be known historically of Jesus and informed by subsequent

reflection upon him which hopes to help shape a Christian identity characterized by bounded openness In Jesus Christ for Contemporary Life Don Schweitzer explores the significance of the person work and relationships of Jesus Christ for contemporary life He moves from the historical Jesus to the present in three parts In the first part Schweitzer develops an understanding of Jesus as the Word of God who became incarnate to give the goodness and beauty of God further expression in time and space Second he explores how various atonement theories articulate ways in which Jesus empowers people to further express this beauty and goodness in their own lives And finally Schweitzer explores how Jesus relates to people in the church to the events and movements in history to other religions and to Christians in their dialogue with God in prayer

The Apocalyptic Imagination John J. Collins ,2016 One of the most widely praised studies of Jewish apocalyptic literature ever written The Apocalyptic Imagination by John J Collins has served for over thirty years as a helpful relevant comprehensive survey of the apocalyptic literary genre After an initial overview of things apocalyptic Collins proceeds to deal with individual apocalyptic texts the early Enoch literature the book of Daniel the Dead Sea Scrolls and others concluding with an examination of apocalypticism in early Christianity Collins has updated this third edition throughout to account for the recent profusion of studies germane to ancient Jewish apocalypticism and he has also substantially revised and updated the bibliography

Between Kin and Cosmopolis Nigel Biggar,2014-11-27 The nation state is here to stay Thirty years ago it was fashionable to predict its imminent demise but the sudden break up of the Soviet Union in the 1990s unshackled long repressed nationalisms and generated a host of new states The closer integration of the European Union has given intra national nationalisms a new lease of life confirming the viability of small nation states under a supra national umbrella after all if Ireland and Iceland then why not Scotland and Catalonia And then the world stage has seen new and powerful national players moving from the wings to the centre China India and Brazil are full of a sense of growing into their own national destinies and are in no mood either to dissolve into or to defer to some larger body Nations nationalisms and nation states are persistent facts but what should we think of them morally Surely humanity not a nation should claim our loyalty How can it be right to exclude foreigners by policing borders Can a liberal nation state thrive without a cohering public orthodoxy Does national sovereignty confer immunity Is national separatism always justified These are urgent questions Between Kin and Cosmopolis offers timely Christian answers

Do No Harm Ernest van Eck,George R. Hunsberger,2025-04-21 This Festschrift in honor of Professor Charles Fensham aims to celebrate his remarkable contributions to the fields of missiology and systematic theology as well as his advocacy for the rights of the LGBTQI2 community His books include Emergence from the Dark Age Ahead 2011 To the Nations for the Earth 2013 Misguided Love 2019 and Mission as Penance Pickwick Publications 2023 His scholarly work has left an indelible mark on academia inspiring generations of students and researchers and therefore the hope is that this Festschrift will be a testament to his influence in public missiology and theology

Citizen Rob Peabody,2014-07-18 For Rob Peabody the young pastor of a mega church in southern USA the

realization that his faith had little real connection with the world around him meant that something had to change He redirected his church towards the poor on their doorstep and then took the larger step of moving to the UK to establish the missional fellowship Awaken In Citizen he outlines the Kingdom centered identity that is given to followers of Jesus It a wake up call to the church in the West Jesus death and resurrection initiates and invites people into a life of so much more than the status quo God is re building re newing and re creating that which is broken and marred by sin and he is doing this setting things right in the world through Jesus As citizens of the Kingdom we have been saved and set apart for this work We have a new allegiance a changed identity and a new mission as we seek to establish the rule of God on earth as it is in Heaven

The Case of the Missing Person R. Earle Rabb,2009-01-01 A famous person is missing The human Jesus of Nazareth is missing from the creeds of the church missing from most of the New Testament and hidden within the four New Testament gospels It will take an exciting piece of detective work to find him and upon finding him there will be a big surprise He may not turn out to be the person the reader expects to find Finding Jesus of Nazareth can transform churches communities and individuals in unexpected ways Many people today are being drawn to the original message of Jesus apart from the image of Jesus proclaimed by the traditional church There is a hunger for the values Jesus proclaimed and practiced This book will help everyone religious or not discover the human Jesus and his original vision of new communities of equity social justice and shared resources as well as discover what that means in our modern world [The Oxford Handbook of Eschatology](#) Jerry L. Walls Professor of Philosophy of Religion Asbury Theological Seminary,2007-10-31 Eschatology is the study of the last things death judgment the afterlife and the end of the world Through centuries of Christian thought from the early Church fathers through the Middle Ages and the Reformation these issues were of the utmost importance In other religions too eschatological concerns were central After the Enlightenment though many religious thinkers began to downplay the importance of eschatology which in light of rationalism came to be seen as something of an embarrassment The twentieth century however saw the rise of phenomena that placed eschatology back at the forefront of religious thought From the rapid expansion of fundamentalist forms of Christianity with their focus on the end times to the proliferation of apocalyptic new religious movements to the recent and very public debates about suicide martyrdom and paradise in Islam interest in eschatology is once again on the rise In addition to its popular resurgence in recent years some of the worlds most important theologians have returned eschatology to its former position of prominence The Oxford Handbook of Eschatology will provide an important critical survey of this diverse body of thought and practice from a variety of perspectives biblical historical theological philosophical and cultural This volume will be the primary resource for students scholars and others interested in questions of our ultimate existence **Though the Fig Tree Does Not Blossom** Ellen Ott Marshall,2015-09-16 This book charts a course through the equally inadequate options of despair and optimism to a responsible understanding and practice of Christian hope **The Contest for Time and Space in the Roman Imperial Cults and 1 Peter** Wei Hsien

Wan,2019-10-17 Wei Hsien Wan builds on the work of David Horrell and Travis Williams for his argument that the letter of 1 Peter engages in a subtle calculated form of resistance to Rome that has often gone undetected Whilst previous discussion of the topic has remained largely focused on the letter s stance toward specific Roman institutions such as the emperor household structures and the imperial cults Wan takes the conversation beyond these confines and examines 1 Peter s critique of the Roman Empire in terms of its ideology or worldview Using the work of James Scott to conceptualize ideological resistance against domination Wan considers how the imperial cults of Anatolia and 1 Peter offered distinct constructions of time and space that is how they envisioned reality differently Insofar as these differences led to divergent ways of conceiving the social order they acquired political power and generated potential for conflict Wan thus argues that 1 Peter confronts Rome on a cosmic scale with its alternative construal of time and space and examines the evidence that the Petrine author consciously if cautiously interrogated the imperial imagination at its most foundational levels and set forth in its place a theocentric Christological understanding of the world *Jesus and Materialism in the Gospel of Mark* Robert Ewusie Moses,2022-03-21 The Gospel of Mark presents Jesus ministry and mission as a journey on the way a journey to Jerusalem that ultimately results in his suffering and crucifixion On the journey to the cross Jesus embodies that which is least vulnerable and destitute in society and he invites his followers to journey with him on the way Robert Ewusie Moses argues that this invitation to discipleship is a call for believers to reassess their relationship with material possessions and their desire for wealth and power Like Jesus believers are to travel light on the way for holding on strongly to possessions can be a hindrance for the journey To embrace those in society who are least vulnerable and destitute is to embrace Jesus himself and the God who sent him Traveling light on the way requires believers to place their trust in God to depend on God to provide their needs Moses shows that the journey is by its very nature a rejection of the status quo it demands followers of Jesus to shun greed and the amassing of superfluous possessions that the world encourages The book demonstrates that to be on this journey is to commit to the creation of communities of care where those like Jesus poor vulnerable and marginalized are welcomed and cared for No Tolerance for Tyrants Robert Gnuse,2011-04-01 Until the modern era monarchs were understood to be supported by the power of God they were in fact in some cases thought to be gods themselves The Bible has often been misinterpreted to encourage such oppressive values Robert Gnuse however argues that the Bible is not a tyrannical text Rather than displaying the lofty divine status of kings the Bible portrays them as human and thus serves as a powerful text for liberation from tyranny and equality for all people By considering the passages about kings and kingship Gnuse highlights the liberating message of the Bible and applies that message to today s world If we attend to these stories of freedom we will work toward ending political abuses and foster liberation and equality Christ and Culture Revisited D. A. Carson,2012-01-31 Called to live in the world but not to be of it Christians must maintain a balancing act that becomes more precarious the further our culture departs from its Judeo Christian roots How should members of the church

interact with such a culture especially as deeply enmeshed as most of us have become In this award winning book now in paperback and with a new preface D A Carson applies his masterful touch to that problem After exploring the classic typology of H Richard Niebuhr with its five Christ culture options Carson offers an even more comprehensive paradigm for informing the Christian worldview More than just theoretical Christ and Culture Revisited is a practical guide for helping Christians untangle current messy debates about living in the world

This Captivating Realm of E-book Books: A Thorough Guide Unveiling the Benefits of Kindle Books: A Realm of Ease and Flexibility Kindle books, with their inherent portability and ease of availability, have liberated readers from the limitations of hardcopy books. Jesus And Empire The Kingdom Of God And The New World Disorder Introduction

In the digital age, access to information has become easier than ever before. The ability to download Jesus And Empire The Kingdom Of God And The New World Disorder has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Jesus And Empire The Kingdom Of God And The New World Disorder has opened up a world of possibilities. Downloading Jesus And Empire The Kingdom Of God And The New World Disorder provides numerous

advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Jesus And Empire The Kingdom Of God And The New World Disorder has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Jesus And Empire The Kingdom Of God And The New World Disorder. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Jesus And Empire The Kingdom Of God And The New World Disorder. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Jesus And Empire The Kingdom Of God And The New World Disorder, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Jesus And Empire The Kingdom Of God And The New World Disorder has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Jesus And Empire The Kingdom Of God And The New World Disorder Books
