An Incendiary Wake Up Call to the World What if the Old Testament is a work of fiction Jesus never existed and Muhammad was a mobster What if the Bible and the Qur'an are works of political propaganda created by Taliban like fundamentalists to justify the sort of religious violence we are witnessing in the world today What if there is a big idea that could free us from the us versus them world created by religion and make it possible for us to truly love our neighbors and even our enemies What if it is possible to awaken to a profound state of oneness and love which the Gnostic Christians symbolized by the enigmatic figure of the laughing Jesus Discover for Yourself Why the Gnostic Jesus Laughs **Jesus: Evidence and Argument or Mythicist Myths?** Maurice Casey, 2014-01-16 Did Jesus exist In recent years there has been a massive upsurge in public discussion of the view that Jesus did not exist This view first found a voice in the 19th century when Christian views were no longer taken for granted Some way into the 20th century this school of thought was largely thought to have been utterly refuted by the results of respectable critical scholarship from both secular and religious scholars Now many unprofessional scholars and bloggers mythicists are gaining an increasingly large following for a view many think to be unsupportable It is starting to influence the academy more than that it is starting to influence the views of the public about a crucial historical figure Maurice Casey one of the most important Historical Jesus scholars of his generation takes the mythicists to task in this landmark publication Casey argues neither from a religious perspective nor from that of a committed atheist Rather he seeks to provide a clear view of what can be said about Jesus and of what can't **How Jesus Became Christian** Barrie Wilson, 2010-07-16 In *How Jesus Became Christian* Barrie Wilson asks How did a young rabbi become the god of a religion he wouldn't recognize one which was established through the use of calculated anti-Semitism Colourfully recreating the world of Jesus Christ Wilson brings the answer to life by looking at the rivalry between the Jesus movement informed by the teachings of Matthew and adhering to Torah worship and the Christ movement headed by Paul which shunned Torah Wilson suggests that Paul's movement was not rooted in the teachings and sayings of the historical Jesus but solely in Paul's mystical vision of Christ a man Paul actually never met He then shows how Paul established the new religion through anti-Semitic propaganda which ultimately crushed the Jesus Movement Sure to be controversial this is an exciting

well written popular religious history that cuts to the heart of the differences between Christianity and Judaism to the origins of one of the world's great religions and ultimately to the question of who Jesus Christ really was a Jew or a Christian

Shattering the Christian Looking Glass Philip Charleston, 2009-07-07 Shattering the Christian Looking Glass dismembers the towering edifice of Catholic dogma Short highly readable but immensely powerful Shattering challenges the Church to defend its dogma and the Church's legitimacy

Christian Goddess Spirituality Mary Ann Beavis, 2015-10-08 This monograph focuses on Christian Goddess Spirituality CGS the phenomenon of mostly women who combine Christianity and Goddess Spirituality including Wicca Witchcraft Mary Ann Beavis's study provides ethnographic data and analysis on the lived religious experience of CGS practitioners drawing on interviews of over 100 women who self identify as combining Christianity and Goddess spirituality Although CGS also has implications for Goddess Spirituality and related traditions e.g Neopaganism Wicca here CGS is considered primarily as a phenomenon within Christianity However the study also shows that the fusion of Christian and Goddess spiritualities has had an impact on non Christian feminist spirituality since Goddess worshippers have often constructed Christianity as the diametrical opposite and enemy of the Goddess to the point that some refuse to admit the possibility that CGS is a valid spiritual path or that it is even possible In addition biblical Jewish and Christian images of the divine such as Sophia Shekhinah the Virgin Mary and even Mary Magdalene have found their way into the Pagan Goddess pantheon The main themes of the study include overlaps and differences between Christian feminist theology and CGS the routes to CGS for individual practitioners and their beliefs practices and experiences proto denominational classifications spiritual paths within CGS CGS theology Christian discourse about the female divine and the future of CGS in social scientific and ecclesiological context Christian Goddess Spirituality will be of interest to scholars of religion especially those with interests in women and religion feminist spiritualities feminist theology theology alternative spiritualities New Religious Movements and emergent Christianities

The Global Heart Awakens Anodea Judith, 2013-07-01 Positing that modern society is an adolescent culture driven by greed and power and lying on the cusp of an era of spiritual growth and shifting values this book explores mythic themes in various historical eras to explain the past present and future of the human experience It suggests that the world is facing a rite of passage into adulthood and that a time of cooperation stabilization and sharing is approaching With an original theory of history based on developmental psychology including an analysis of masculine and feminine archetypes this thoughtful guide weaves the narratives of human history and individuals experiences into a path of enlightenment and a way to catalyze social change

Hijacking Jesus Jason Jimenez, 2023-09-12 Progressives have fabricated a new Jesus so different from the real Savior that their faith can hardly be called Christianity Progressive Christian leaders have abandoned the resurrected Savior of historical Christianity radically reinterpreting Him as a Jewish mystic or a man of God devoid of divine claims and miracles In the postmodern era remaking Jesus has become a deadly temptation The modern Jesus of progressives supposedly friendlier and more accepting

than the Savior we know from the Gospels is gaining popularity and acceptance among self identified Christians But they don't realize that progressive Christianity rejects the biblical revelation of Jesus Christ the Word made flesh Hijacking Jesus addresses perennial questions about the nature of Christ and his teaching testing the historical and theological accuracy of progressive Christians Their Jesus is simply no match for the reliability of the four Gospels which are the most credible historical sources for Jesus's life teachings miracles death and resurrection Christians can accept no substitute for the witness of the Gospels and the theological doctrines of the church that Jesus Christ is Lord and Savior *Natural Selection's Paradox* Carter Stroud, 2008-08-21 An important addition to understanding natural selection these essays redefine wealth and identify a sustainable spirituality using the perspectives of scientific research and historical wisdom **The Truth** Laurel, 2005 The Truth is the award winning first book in The Oracle Institute foundational trilogy It presents a summary of the divine messages sent to us by God through the Prophets When studied successively these spiritual lessons form a Tower of Truth that should not be broken or interpreted along sectarian lines Instead these Truths should be assimilated into a contemporary spiritual and scientific database and shared by everyone regardless of religious affiliation The Truth explores the five primary religions that evolved after the Prophets died Hinduism Judaism Buddhism Christianity and Islam to determine whether these manmade religions have remained faithful to the Truth including the primordial Truth that God is half masculine and half feminine energy The Truth reveals that mankind has built a Tower of Babel with God's messages Moreover these now ancient religions have polarized humanity and brought us to the brink of World War III The book also includes an objective template for measuring the adequacy of any religion and an Appendix that shows the nexus between politics and religion and politics thought human history The Touchstone Diary Connie Bickman, 2018-09-04 Mystery intrigue treasure seeking and shocking family revelations come to light as Michael Wilder prepares to fulfill a mysterious promise he made on his deathbed In The Touchstone Diary I the Red Thread Miyah Sinclair shares secrets hidden in the pages of an ancient diary protected throughout the ages by a generation of healers the family of Jesus and Mary Magdalene Joshua and Maryum Written by women of Miyah's own bloodline the diary shares emotional and personal stories as these women lived through some of the most important events in ancient history offering an alternative point of view from the feminine perspective In The Touchstone Diary II Bloodlines and Promises Miyah shares these revealing stories with her daughter Morgan As Morgan is being prepared to be the next touchstone carrier she travels back in time to meet ancestral women of her bloodline and learns healing remedies from the source Their adventures continue as the Wilder family travels to Scotland and the Isle of Iona searching for a cherished family treasure a cedar box carved two thousand years ago by a generation of the bloodline Along the way they discover more family secrets that profoundly affect the outcome of their own lives Rich in history and adventure The Touchstone Diary saga will leave you yearning for more Watch for book III of The Touchstone Diary series *The Four Gospels of Jesus the Christ* Robert Luthmers, 2011-07-30 The purpose of this book is to

Gateway of the Gods Craig Hines,2007-01-09 This ground breaking and provocative book presents new and astonishing interpretations of ancient history mythology and world religions that will call many established beliefs into question In Gateway of the Gods author Craig Hines invites readers to reconsider preconceived notions concerning Biblical theology in light of recent scientific discoveries and inquiries concerning the nature of the universe This fascinating exploration reveals a number of ideas that have been suppressed and obscured behind layers of symbolism and misguided propaganda for thousands of years until now Why is it that so many world cultures share details of an event when fallen angels descended upon the earth and fathered hybrid offspring called the Nephilim Is it possible that these beings used gateway technology housed within pyramids and holy temples to travel between the heavenly and earthly realms Do the latest advances in theoretical physics lend credibility to the idea that otherworldly beings might reside in dimensions parallel to our own Do the recorded voices of the dead known as Electronic Voice Phenomena EVP indicate that we may be able to communicate with these other realms Was a secret message embedded within ancient texts that could only be revealed after we have attained the knowledge and technology necessary to understand it Does this message offer a solution to the approaching environmental disaster that scientists warn will be more devastating to human civilization than any others in recorded history Drawing from a variety of historical sources and years of meticulous research the author weaves together a compelling argument involving a range of seemingly disparate topics that when considered together formulate a radically new narrative concerning the history and destiny of the human race

My Eye: A Vision of Christ Mark Wonser,2011-07 The first half of this two part book tells the story of an ordinary boy enriched by his mother's faith yet torn apart by a bitter divorce Maintaining his religious underpinnings Mark struggles through the divorce and graduates from college with a degree in finance This takes him to the Chicago Mercantile Exchange where he makes millions of dollars marries his wife and retires at the age of 36 Shortly after

Mark received a Master's degree in Theology setting the foundation for the remainder of his life. The first half of the book ends with the death of his fourth child Kevin, which becomes the catalyst for a tremendous spiritual conversion. The second half of the book walks the reader through that conversion, documenting the steps taken to accomplish it. A discussion of physics is used to set up a foundation for further explanations in theology. This discussion results in a need to re-evaluate the meaning of Mark 8:29 when Jesus asks, "Who do you say that I am?" The result is a shift from orthodox religion to a focus on Sophian Gnosticism. Time is spent focusing on Kabbalah and The Tree of Life and on a special sign Mark created called the Sign of the Tree. Kabbalistic teachings on reincarnation and suffering are explored. Mark applies these teachings to his life by leaving the material world behind, going to work at a homeless shelter, and becoming a hospice volunteer.
