Questions About Salvation S. Michael Houdmann, 2014-04-03 Salvation is the rich and rewarding theme of Scripture From beginning to end we see a God who seeks the lost in order to forgive their sins and restore their fellowship According to 1 Peter 1:10 Concerning this salvation the prophets who spoke of the grace that was to come to you searched intently and with the greatest care We should want to know more about it too There is nothing more important than our response to God's grace Near the end of his life hymn writer John Newton said My memory is nearly gone but I remember two things that I am a great sinner and that Christ is a great Savior It is in fact vital to have a biblical understanding of salvation Questions such as Who can be saved What is the gospel and Why did Jesus have to die are of primary importance Fortunately the Bible answers these questions and many more This book takes one hundred questions about salvation and addresses them with God's Own Word The Lord the Author of salvation came to seek and to save what was lost Luke 19:10 and He is the focal point of these answers
