## **Jesus In The Present Tense The I Am Statements Of Christ:**

Jesus in the Present Tense Warren W. Wiersbe, 2011-01-01 In *Jesus in the Present Tense* Dr Warren W Wiersbe explores the I AM statements of God from His burning bush conversation with Moses to His powerful reassurances to the Israelites to Jesus's startling claim to be the Light of the World Many Christians find themselves mired in past regrets or future fears but the name of God itself reminds readers that God wants them to live in the present The more readers understand and apply God's I AM statements from the Old and New Testaments the more they will realize God's peace and joy Then they will be free to live serve and know God more richly in the present tense which is just where He wants them to be *Every Piece of Me* Jerusha Clark, 2017-08-01 Throughout Scripture God reveals himself as the great I Am He does not define himself with reference to any thing person or trait He is and that is enough Women find themselves in a far different situation When we introduce ourselves we typically describe ourselves in terms of our relationships the wife mother daughter sister or friend of someone else or in terms of our accomplishments our title position education or accolades When our identity is wrapped up in these external things we inevitably and exhaustingly strive to prove ourselves worthy of love attention or affirmation God never meant for us to focus on whether we are enough whether we measure up He made us every piece of us to be just as he is Jerusha Clark discovered this while exploring Jesus's seven powerful I am statements recorded in the Gospel of John She invites women to join her in embracing the life and truth of these words relishing the freedom of an identity fixed on Christ alone while leaving behind fear bitterness busyness and toxic thoughts that steal our joy and limit our power C.S. Lewis--The Work of Christ Revealed P. H. Brazier, 2012-08-14 C S Lewis *The Work of Christ Revealed* focuses on three doctrines or aspects of Lewis's theology and philosophy his doctrine of Scripture his famous mad bad or God argument and his doctrine of christological prefiguration In each area we see Lewis innovating within the tradition He accorded a high revelatory status to Scripture but acknowledged its inconsistencies and shrank away from a theology of inerrancy He took a two thousand year old theological tradition of aut Deus aut malus homo either God or a bad man and developed it in his own way Most innovative of all was his doctrine of christological prefiguration intimations of the Christ event in pagan mythology and ritual This book forms the second in a series of three studies on the theology of C S Lewis titled C S Lewis Revelation and the Christ [www.cslewisandthechrist.net](http://www.cslewisandthechrist.net) The books are written for academics and students but also crucially for those people ordinary Christians without a theology degree who enjoy and gain sustenance from reading Lewis's work

**Knowing Christ in the Challenge of Heresy** Steven Tsoukalas, 2022-06-02 The Most Holy Trinity Father Son and Holy Spirit uses heresy On the surface this is a frightening statement But through the challenge of Christological heresies the early church was moved to the task of articulating the faith once for all handed down to the saints As a result of these heresies the church realized that it had to lay out biblically with nuance and precision who Christ is This nuance and precision was geared toward answering these heresies with no and resulted in the saints through the ages knowing Jesus

better As it was then so it is now The church today in sync with the Scripture and the apostolic tradition founded upon Jesus needs in part to articulate biblical Christology in a way that specifically addresses modern day heresies so that we may know Christ better more deeply In *Knowing Christ in the Challenge of Heresy* Steven Tsoukalas lays out several modern day heretical Christologies and answers them biblically with nuance and precision Readers will not only find a documented cataloguing of specific heresies but also chapters on Christology found in books of the Bible

**A Simple Matter of Belief**  
 Reverend Sharon M. White, 2018-08-22 There is a difference between knowledge and belief Knowledge is necessary in our lives Without knowledge there would be allot of things we could not do However belief is likewise significant An example of this is when we see dark clouds in the atmosphere we know it is going to rain so our belief is dark clouds mean it will rain When we base your belief on truths beliefs will become firm This is why our beliefs are influenced by the knowledge we have When we say we have a belief in the Creator of the universe what is our knowledge of that belief Gathering together weekly or reading texts as a group No it is getting to know Jesus Christ personally and experience His character Religious beliefs are a substitute with ceremony and rituals for a genuine relationship with God The knowledge we must seek is true value of the Word of God Jesus Christ is the fulfillment of that Word and our spirituality Jesus is the One to who we need to join with If you are truly interested in discovering the true Knowledge of Creator of the universe join me on the journey through a Simple Matter of Belief

**The Timeless Age of God**  
 Russell Redden, 2009-03-17 A doctrine once common in Apostolic times unlocks the meaning of many Bible passages Ancient Jews Christians Gnostics and Greek philosophers believed that heaven is an unchanging place of timelessness the first dimension where creation began and will return at the end of time This book catalogs evidence of this theology throughout the Bible and numerous ancient texts Unknown to the majority of Christians the theology of two aeons is central to many Bible passages many of them related to the ascension of Christ The Son of Man ascended into the unchanging Spirit of God the Father who lives in heaven outside of time and space This knowledge was revealed to ancient Israel a testimony of Christ s priesthood many years before He walked the earth

**Jesus on Trial**  
 David Limbaugh, 2014-11-17 In *Jesus on Trial* New York Times bestselling author David Limbaugh applies his lifetime of legal experience to a unique new undertaking making a case for the gospels as hard evidence of the life and work of Jesus Christ Limbaugh a practicing attorney and former professor of law approaches the canonical gospels with the same level of scrutiny he would apply to any legal document and asks all the necessary questions about the story of Jesus told through Matthew Mark Luke and John His analysis of the texts becomes profoundly personal as he reflects on his own spiritual and intellectual odyssey from determined skeptic to devout Christian Ultimately Limbaugh concludes that the words Christians have treasured for centuries stand up to his exhaustive enquiry including his examination of historical and religious evidence beyond the gospels and thereby affirms Christian faith spirituality and tradition

Wiersbe, 2016-06-01 Do you find yourself living in regret and fear more than in today's reality God calls us to serve Him in the current moment rather than worry about the past or the future In *He Walks with Me* Dr Warren W Wiersbe explores the I AM statements of God from His burning bush conversation with Moses to His powerful reassurances to the Israelites to Jesus's startling claims to be the Light of the World the Good Shepherd and the True Vine The more we understand the truths behind these words the more free we are to enjoy God's presence right now As Dr Wiersbe writes My past may discourage me and my future may frighten me but the life I now live today can be enriching and encouraging because Christ lives in me

Patrick Navas, 2006-10-01 In *Divine Truth or Human Tradition* the author examines the viewpoints and Scripture expositions of prominent evangelical scholars and apologists including popular author and debater Dr James R White author of *The Forgotten Trinity* John MacArthur President of The Master's Seminary Wayne Grudem author of the widely read *Systematic Theology* Robert Bowman Jr author of *Why You Should Believe in the Trinity* Robert Morey Founder of California Biblical University and Seminary and author of *The Trinity Evidence and Issues* R C Sproul President of Ligonier Ministries Robert L Reymond author of *Jesus Divine Messiah and A New Systematic Theology of the Christian Faith* and others According to what has long been considered mainstream Christian orthodoxy the doctrine of the Trinity the idea that the one true God is in the ultimate sense a divine being made up of three co equal and co eternal persons is not only central to the Christian faith but absolutely necessary for one to accept in order to be counted as a true Christian and be saved Such a demand on a Christian's faith has come across as strange and perplexing to many especially so in light of the fact pointed out by one respected Trinitarian The Trinity is not clearly or explicitly taught anywhere in Scripture yet it is widely regarded as a central doctrine indispensable to the Christian faith In this regard it goes contrary to what is virtually an axiom that is a given a self evident truth of biblical doctrine namely that there is a direct correlation between the scriptural clarity of a doctrine and its cruciality to the faith and life of the church Millard J Erickson *God in Three Persons* p 11 Emphasis added Understandably this fact has raised questions in the minds of Christians and truth seekers alike ever since the doctrine was first decreed as mandatory to confess in the late 4th century Many Christians have wondered How can a doctrine that is no
