Jesus Without Borders Gene L. Green, 2015 **Jesus without Borders** Gene L. Green, Stephen T. Pardue, K. K. Yeo, 2015-01-14 Though the makeup of the church worldwide has undeniably shifted south and east over the past few decades very few theological resources have taken account of these changes *Jesus without Borders* the first volume in the emerging Majority World Theology series begins to remedy that lack bringing together select theologians and biblical scholars from various parts of the world to discuss the significance of Jesus in their respective contexts Offering an excellent glimpse of contemporary global evangelical dialogue on the person and work of Jesus this volume epitomizes the best Christian thinking from the Majority World in relation to Western Christian tradition and Scripture The contributors engage throughout with historic Christian confessions especially the Creed of Chalcedon and unpack their continuing relevance for Christian teaching about Jesus today *The Joy of Religious Pluralism* Phan, Peter C., 2017-02-16 **Lord Jesus Christ** Daniel Treier, 2023-10-31 A study of the doctrine of Christ that is biblical and historical evangelical and ecumenical conceptually clear and contextually relevant *Lord Jesus Christ* expounds the doctrine of Christ by focusing upon theological interpretation of Scripture regarding Jesus's identity The book's structure traces a Christological arc from the eternal communion of the Triune God through creation covenants Incarnation passion and exaltation all the way to the consummation of redemptive history This arc identifies Jesus as the divine Lord who assumed human flesh for our salvation The book expounds and defends a classically Reformed Christology in relation to contemporary contexts and challenges engaging both philosophical and global concerns Each chapter begins with the theological interpretation of a key Scripture text before expounding key concepts of orthodox Protestant Christology *Lord Jesus Christ* is a unique example of writing dogmatic theology by way of theological exegesis The result is a volume that engages the numerous scholarly volumes on Christology that have appeared within the last couple of decades but provides a contemporary account of a traditional view About the Series *New Studies in Dogmatics* seeks to retrieve the riches of Christian doctrine for the sake of contemporary theological renewal Following in the tradition of G C Berkouwer's *Studies in Dogmatics* this series will provide thoughtful concise and readable treatments of major theological topics expressing the biblical creedal and confessional shape of Christian doctrine for a contemporary evangelical audience The editors and contributors share a common conviction that the way forward in constructive systematic theology lies in building upon the foundations laid in the church's historic understanding of the Word of God as professed in its creeds councils and confessions and by its most trusted teachers

Jesus Beyond Borders Samuel George, 2016 This book addresses the fundamental twin foci of Christology i.e Divinity and Humanity of Jesus the Christ and its relevance to Christologizing In the study of Christology there is always the tendency to adhere to either of the two There are very few attempts to find an integrated path a middle way The author takes up the challenge to attempt a shot at the middle way in Christology Therefore when we talk of *Jesus Beyond Borders* there is an

integrated approach to Christology and not a Borderless Christology A unitive paradigm is the sole motif of being borderless Finding the common ground is the approach of such a position *Christ Without Borders* Parappally, Jacob, 2024-09-25

Jesus Dong-Kun Kim, 2002 There are at least three factors which cannot be ignored in a modern Christology the problem of history the impact of Marxism and the rise of the contextual theology and the new awareness of the value of world religions The purpose of this book is to look at how these factors can affect the shape of Christology and how Christology can cope with them This book analyses the perspective emphasis and structure of the Christologies of Bultmann post Bultmannians liberation theology and minjung theology which have been formed in different cultures It also establishes a connection between socio economic liberation and salvation and examines the relation of Jesus and other saviours in different cultures and religions Contents The role of the historical Jesus in Bultmann s Christology The historical Jesus and the kerygmatic Christ in Kasemann Fuchs and Ebeling Liberation and salvation in liberation theology Relationship between history and faith Different hermeneutics among Bultmann post Bultmannians liberation theology and minjung theology The historical Jesus and the kerygmatic Christ The place of Jesus in history Jesus in Christian tradition and the saviours in other religious traditions **Discovering Jesus in Our Place** Sturla J. Stålsett, 2003 Contributed articles chiefly presented at

second consultation at S o Leopoldo Brazil and some on general framework and focus of International Network in Advanced Theological Education INATE the contextualisation of theology and theological education Jesus without Borders Chad Gibbs, 2015-03-31 Chad Gibbs has lived his entire life in Alabama the buckle of America s Bible Belt where Christianity is a person s default setting In *Jesus Without Borders* Gibbs steps outside of his very comfortable existence to learn what it s like to be a Christian anywhere else in the world Over the course of many months Chad and his Alabama worldview spent time with believers from Beijing to Rio de Janeiro worshiping with them and observing not only how their faith influences their daily lives but also how their daily lives influence their faith in hopes of learning which parts of his faith have been compromised by the American Dream Reflecting on conversations and experiences Gibbs wrestles with a wide range of questions from his conservative Christian background including politics and patriotism in the church and how living in Alabama has shaped his views on pacifism alcohol and Christ himself An attempt to extract and examine the biases in the author s own faith *Jesus Without Borders* will have readers questioning if they believe certain things because they are a Christian or because they are an American as they meet believers from around the world with differing views on a variety of subjects Told with Gibbs trademark humor *Jesus Without Borders* enlightens and entertains introducing readers to believers around the world in hopes of eliminating prejudices and misconceptions clearing away the parts of our culture that keep us from seeing a clearer picture of Christ and living connected to the family of faith around the globe Jesus Christ for Today's World Jürgen Moltmann, Margaret Kohl, 1995-08-21 Jürgen Moltmann formulates necessary questions about the significance of Jesus the Christ for persons today He offers a compelling portrait of the earthly Jesus as the divine brother in

our distress and suffering and points to the risen Christ as the warrant for the future in which God will restore everything and gather everything into his kingdom Urging that acknowledgment of Christ and discipleship are two sides of the same coin Moltmann contends that the question of Jesus Christ for today is not just an intellectual one Moltmann takes fresh approaches to a number of crucial topics Jesus and the kingdom of God the passion of Christ and the pain of God Jesus as brother of the tortured and the resurrection of Christ as hope for the world the cosmic Christ Jesus in Jewish Christian dialogue the future of God and others

Christ Connection Roy Abraham Varghese, 2011-06-01 In The Christ Connection noted apologist Varghese There Is a God co written with atheist turned Christian philosopher Antony Flew offers a comprehensive and compelling formulation of the monumental discovery that Jesus of Nazareth is God and man Messiah and Savior The book explores The pre Christian religions from native peoples to Egyptians and ancient Judaism pointing the way to the Messiah to come Jesus as a phenomenon unique in human history The Christ connection as a rendezvous of the religions Fifteen grounds that lead us to affirm Jesus as God and man and Savior The foundations of the doctrine of the Trinity in human experience

The Unique and Universal Christ Michael Nazir-Ali, 2018-02-28 There are tremendous pressures on Christians in the contemporary world to conform to a libertarian vision of a multi faith society where no one makes truth claims about their faith In such a situation Christians need to think afresh about the uniqueness and universality of Jesus Christ and what this might mean in today s plural world Bishop Michael Nazir Ali shows how Jesus understanding of himself and his work bears on contemporary cultures and their values He explores critical questions Christians must face What does the gospel affirm in contemporary cultures What does the gospel fulfil in contemporary cultures What does the gospel challenge in contemporary cultures How does our understanding of the crucified and risen Lord affect our view of the human condition How can we evaluate the different religious traditions of the world in the light of Christ How can we be welcoming and hospitable but also committed to that conversion and transformation of individuals and of human societies which has been revealed as God s purpose in Christ Christian claims of uniqueness have a direct bearing on what informs the social order Consequently this book takes on the challenge of relativism in the contemporary social and political arena

Welcome, Jesus, to Our World W. Brewster Willcox, 2012-10 WJTOW suggests that we might be better off paying less attention to Jesus Second Coming and more to his sense of irony and his outrage with religious bigotry The questions people need to ask about this man of Nazareth have a lot to do with recognizing how different our world is from the one Jesus was born into and understood so intimately It s probably true that the 21st century world with all of its problems

and troubles is a much better world than the first century middle east that Jesus knew and we shouldn't be ashamed to come to Jesus with all this package of Darwin and Einstein Hubble telescopes and Mars landers medical miracles and quantum physics Our modern souls are after all all we have to give to him This book looks at a handful of questions that thoughtful Christians have raised with the author and a couple of his own in more than 50 years in serving parishes in the US and Canada The author takes a common sense approach to these issues and assumes that Jesus knew what he has talking about Moreover it still makes sense even in a modern space age setting
