Jesus And Jihad Reclaiming The Prophetic Heart Of Christianity And Islam:

Jesus and Jihad Robert F. Shedinger, 2015-06-22 Few words inspire more fear in Americans these days than jihad Its mere utterance conjures up images of car bombs exploding in crowded markets Boeing 737s crashing into tall buildings and flag burning gun toting bearded Arab men shouting allahu akbar and Death to America But what if all our stereotypical images of jihad are wrong and when rightly understood jihad turns out to be the perfect lens through which to understand the life and mission of Jesus Jesus and Jihad argues that in early Muslim sources jihad stood for the struggle to transform a violent and unjust pre Islamic society into one characterized by greater levels of justice and peace When rescued from his Christian pietistic misinterpretations Jesus emerges as a highly prophetic figure of resistance to the injustices authorized by Roman imperial power As Muslims reengage an authentic understanding of jihad and Christians through a renewed understanding of jihad meet the prophetic Jesus from whom they have become estranged a new era of Christian Muslim cooperation in the struggle against injustice can become the norm replacing the current antipathy dividing these communities with a passion to reclaim once again a prophetic heart in service to a hurting world

looking for in Allah but never found came alive and manifested through faith in Jesus Christ This story is a compelling and straightforward examination of truth and deception It urges Muslims to consider the answers to pertinent questions such as the following What if you could live your life and know that you would spend eternity with God without having to die in jihad What if you could have a relationship with God and know Him as a loving Father who cares for you and accepts you not a God who considers you a mere servant having to work your way into His good graces What if you could have peace of mind no matter your deepest fear hurt or despair All of these are promises given to the children of God when they enter into covenant with Him through faith in Jesus Christ In this book the author encourages women in particular to arise and take back their lives from the thief who has told them they cannot make it With God all things are possible even recovery from physical emotional and mental abuse The author shares her very personal story of abandonment to encourage other women that they too can escape from hopelessness and have lives of destiny and purpose Abuse is not the victim s fault nor is it God s plan for anyone s life Jesus died that we might be victorious and live full of joy peace and prosperity May the truth in From Jihad to Jesus help you begin the healing process in your life towards becoming completely whole The Challenge of Islam to Christians David Pawson,2015-03-12 The Challenge of Islam to Christians is David Pawson s most important and most controversial prophetic message to date Moral decline and erosion of a sense of ultimate truth has created a spiritual vacuum in the United Kingdom David Pawson believes Islam is far better equipped than the Church to move into that gap and it will not be long before it becomes the country s dominant religion Based on the audio and video recordings on which he first announced his message this book unpacks and explains the background behind Pawson s claims and crucially sets out a positive blueprint for the Church s response Christians must rediscover and demonstrate to society the three qualities that make Christianity unique Reality Relationship and Righteousness The Turning Point Fawzy T. Abdelmalek,2022-10-31 The Turning Point Islam and Jesus salvation is written in simple English for a reader to understand the complicated issues that compel a Muslim believer to kill himself and hurt others in the name of Allah In the first part of his book the author takes the reader into a short journey through the past history of Islam reviewing its civilization culture and art In the second Part he presents the Islamic Ideology morals and life of the Prophet Muhammad In the third part the author discusses the Islamic Jihad and the recent radical events The fourth part brings Islamic and Christian views about Jesus Christ and extends an Invitation to God s Love and Salvation The book is described to be light documentary in a story telling theme *Between Allah & Jesus* Peter Kreeft,2010-02-23 What would happen if Christians and a Muslim at a university talked and disagreed but really tried to understand each other What would they learn That is the intriguing question Peter Kreeft seeks to answer in these imaginative conversations at Boston College An articulate and engaging Muslim student named Isa challenges the Christian students and professors he meets on issues ranging from prayer and worship to evolution and abortion from war and politics to the nature of spiritual struggle and spiritual submission *The Turning Point* Fawzy T. Abdelmalek,2008 For

more than forty years the author has written numerous magazine articles and made countless public speeches citing his three basic principles of education 1 that public education and the larger society are interdependent what happens to one affects the other 2 that when a society decides to provide a certain level of education to all of a given segment of its population that better educated group soon begins to create so many inventions and so many better ways of doing things that still more education must be provided young people to equip them to deal with this new complexity and 3 that when education and the larger society get out of sync unless steps are promptly taken to get them back in sync by providing much MORE education to enable people to cope with the more complex society then both education and the larger society begin to deteriorate This writing and lecturing experience showed the author clearly that people resist conceptual change Someone once said that people and particularly Americans resist change until change becomes irresistible This fact plus the rapidly deteriorating condition of both public education and American society has led the author to publish this book in the hope of getting large numbers of people to understand the absolute necessity of almost immediately starting public education at the age of two operating the public schools year round and providing higher education to all interested people free of charge

Pilgrims of Christ on the Muslim Road Paul-Gordon Chandler, 2008-10-03 Today's tensions between the Islamic East and Christian West run high Here Paul Gordon Chandler presents fresh thinking in the area of Christian Muslim relations showing how Christ _whom Islam reveres as a Prophet and Christianity worships as the divine Messiah_ can close the gap between the two religions Historically Christians have taken a confrontational or missionary approach toward Islam leading many Muslims to identify Christianity with the cultural prejudices and hegemonic ambitions of Westerners On the individual level Christ followers within Islam have traditionally been encouraged by Christians to break away from their Muslim communities Chandler boldly explores how these two major religions _which share much common heritage_ can not only co exist but also enrich each other He illustrates his perspective with examples from the life of Syrian novelist Mazhar Mallouhi widely read in the Middle East Mallouhi a self identified Sufi Muslim follower of Christ seeks to bridge the chasm of misunderstanding between Muslims and Christians through his novels *Answering Jihad and Seeking Allah, Finding Jesus Collection* Nabeel Qureshi, 2016-03-08 This collection includes 2 bestselling ebooks from award winning author Nabeel Qureshi *Answering Jihad* From New York Times bestselling author and former Muslim Nabeel Qureshi comes this personal challenging and respectful answer to the many questions surrounding jihad the rise of ISIS and Islamic terrorism Setting aside speculations and competing voices what really is jihad How are we to understand jihad in relation to our Muslim neighbors and friends Why is there such a surge of Islamist terrorism in the world today and how are we to respond *Seeking Allah Finding Jesus* In *Seeking Allah Finding Jesus* Nabeel Qureshi describes his dramatic journey from Islam to Christianity complete with friendships investigations and supernatural dreams along the way Providing an intimate window into a loving Muslim home Qureshi shares how he developed a passion for Islam before discovering almost against his will evidence that

Jesus rose from the dead and claimed to be God Unable to deny the arguments but not wanting to deny his family Qureshi's inner turmoil will challenge Christians and Muslims alike **Terrorism, Jihad, and the Bible** John F.

MacArthur, 2001-12-15 September 11 2001 saw the deadliest attack ever launched on American soil leaving us asking questions such as Why did God permit such a thing to happen Was the attack a divine judgment or was it merely an atrocity perpetrated by the forces of evil How can human beings be capable of such diabolical savagery in the name of religion And what is the right course of action for our government to take John MacArthur points us to the Bible for answers to these and many other questions arising out the recent atrocities He educates readers to the roots of the conflict linking the religious and political issues that underlie the current turmoil to the Old Testament ISLAM AND MUSLIMS GODSWORD

GODSWILL ONU, 2015-03-27 Islam is the religion of the Muslims which was started by Mohammad and whose religious book is the Koran A Muslim is someone whose religion is Islam The Jews who persecuted and killed Jesus Christ did not know that satan had deceived them but they thought that they were working and fighting for God This is the same thing that is happening with the Muslims now The Muslims do not know that satan has deceived them but they believe that they are on the right course and they are ready to fight for God in deception Islam is a religion which openly challenges Christianity But let us love them enough to go and preach the Gospel of Jesus Christ which will save their souls from Eternal Condemnation in the Lake of Fire and Brimstone to them We must not hate them no matter what they do Remember that the Bible tells us to love our enemies
