Jesus And The Eyewitnesses:

Jesus and the Eyewitnesses Richard Bauckham, 2008-09-22 Noted New Testament scholar Bauckham challenges the prevailing assumption the accounts of Jesus circulated as anonymous community traditions instead asserting that they were transmitted in the name of the original eyewitness *Jesus and the Eyewitnesses, 2d ed.* Bauckham, Richard, 2017 Jesus and the Eyewitness argues that the four Gospels are closely based on the eyewitness testimony of those who knew Jesus The author challenges the assumption that the accounts of Jesus circulated as anonymous community traditions asserting instead that they were transmitted in the name of the original eyewitnesses **A Trustworthy Gospel** Daniel B. Moore, 2024-03-29 The trustworthiness of the Gospels rests not only on claims of inspiration but also on eyewitness testimony And our confidence in that testimony is directly related Daniel Moore contends to when the first Gospel was published Therefore it is incumbent upon Christians to consider whether an effective case can be made for asserting that the first Gospel was published within several years or perhaps a decade of the resurrection To this end this book offers a series of arguments demonstrating that an early publication of Matthew is reasonable defensible and preferable over the popular view that several decades passed before Gospels were published These arguments include a reasonableness argument that the early church had the means motive and opportunity to produce a Gospel an argument from the church fathers which also resolves supposed conflicts exegetical arguments from Galatians apologetic motivational arguments from Christian scholars over the last several centuries arguments based on ancient perspectives on aging memory and on the obligation of orators to write concerns which would have motivated the apostles to publish early and an explanatory power argument Ultimately the author will encourage the reader to view Matthew as the Messiah's royal chronicler Studies on the Origin of Divine and Resurrection Christology Andrew Ter Ern Loke, 2023-08-29 The origin and development of divine and resurrection Christologies are among the most important and controversial issues in the study of Christianity One reason why there is a lack of consensus among scholars even though they have access to the same historical material is that different scholars analyze the material differently Building upon his previous monographs *The Origin of Divine Christology* Cambridge University Press 2017 and *Investigating the Resurrection of Jesus Christ* Routledge 2020 Andrew Loke demonstrates the fallacies of reasoning in the analyses of the works of numerous scholars such as Bart Ehrman Paula Fredriksen David Litwa Richard Carrier Raphael Lataster Daniel Kirk Matthew Larsen and Dale Allison Loke defends his proposal that a sizeable group of earliest Christians perceived that Jesus claimed and showed himself to be truly divine and resurrected and replies to objections to his previous works He contributes to the discussion on ancient Jewish monotheism exalted mediator figures comparison with Greco Roman literature Jesus mythicism Markan Christology the historical reliability of the New Testament as well as the use of philosophical and theological categories and the use of psychological studies on parallel apparitions cognitive dissonance mass hysteria pareidolia and memory for the study of early Christology **Remembrance of Things**

Past? Michael J. Thate, 2013 In this book Michael J Thate offers an experiment in reception criticism in its consideration of the formation and reception of the historical Jesus discourse He also attempts to historicize *Leben Jesu Forschung* within debates and narratives of secularization These two foci guide the book through its two parts First Thate explicates Schweitzer's dominant archival function in *Leben Jesu Forschung* while aiming to make fragile the grand architect's receptive hegemony Then he combines critical memory theory and other theoretical readings of the material in an attempt to refocus the study of the historical Jesus as early Christian memory politics in the service of identity explication He attempts to problematize Schweitzer's legacy of a tidy systematic approach in which much of historical Jesus scholarship continues to operate

Science, Reason, and Faith Fr. Robert Spitzer, SJ, 2023-09-18 Built into our very nature is a desire to know about the world around us The big questions of human existence are inescapable Who am I Why am I here and where am I going Why is there evil in the world What is the meaning of life This yearning for truth ultimately leads us to our Creator God knows the longings of the human heart and he reveals himself to us through creation through Scripture and ultimately through the Incarnation Because God the Son became man we have a person to look to in our pursuit of truth Jesus Christ himself who is Truth Christ helps us see that truth is not just the object of science and reason but what animates the mysterious and loving power of faith In *Science Reason and Faith* Fr Robert Spitzer SJ explores in depth the Bible and the intersection of three realms that the secular world tells us are separate and incompatible Fr Spitzer draws the modern reader's attention to the many seeming conflicts between science reason and Catholic teaching By tackling these difficult questions he shows that it is precisely through the integration of science reason and faith that we can truly discover ourselves our world and our God

Luke among the Ancient Historians John J. Peters, 2022-05-24 For centuries scholars have analyzed the composition of Luke Acts presupposing that the reference to many accounts in Luke's Preface indicates the written texts which served as the author's primary sources of information To justify this portrait of Luke as a text based author scholars have appealed to analogies with the text based authors Dionysius of Halicarnassus Diodorus Siculus Plutarch and Arrian Luke among the Ancient Historians challenges this portrait of Luke's method through surveying the origins and development of ancient Greek historiography in chapters on Herodotus Thucydides Polybius Josephus and Luke By focusing on the values and practices of ancient historians Peters demonstrates not only that ancient authors following the model of Thucydides regarded the testimony of eyewitnesses as opposed to texts as the proper sources for historians but that Luke emulated the values practices and craft terminology of the contemporary historiographical tradition Taking seriously the self presentation of Luke as a reporter of contemporary events who claims to write on the basis of eyewitnesses from the beginning and personal investigation this book argues against analogies with text based historians who wrote about non contemporary events and instead situates Luke within a portrait of the values and practices of historians of contemporary events

Christian Origins and Greco-Roman Culture Stanley E. Porter, Andrew W. Pitts, 2013 In *Christian Origins and*

Greco Roman Culture Stanley Porter and Andrew Pitts assemble an international team of scholars whose work has focused on reconstructing the social matrix for earliest Christianity through the use of Greco Roman materials and literary forms Each essay moves forward the current understanding of how primitive Christianity situated itself in relation to evolving Hellenistic culture Some essays focus on configuring the social context for the origins of the Jesus movement and beyond while others assess the literary relation between early Christian and Greco Roman texts

Vox Petri Gene L. Green, 2019-11-12 Peter stands at the beginning of Christian theology Christianity's central confessions regarding the person of Jesus the cross salvation the inclusive nature of the people of God and the end of all things come to us through the apostle who was not only the church's leader but also its first theologian Peter is the apostle for the whole church and the whole church resonates with his theology We sing his song though we may not have glanced at the bottom of the page in the hymnbook to see who wrote the words and composed the tune Peter is the lost boy of Christian theology a person overlooked as a theological innovator and pillar but his rightful place is at the head of the table If we look closely however we may recognize that he has been seated there all along

The Historical Christ Bruce W. Behrman, 2023-02-16 This book uses the recent findings of cognitive and clinical psychology to draw a picture of the historical Jesus The author uses recent research on conversational memory and clinical psychology in order to shine a light on the way Jesus was This book argues that Jesus suffered from manic depressive illness He identified with God He suffered from extreme mood changes and felt great compassion towards people All of these are mental states which may be triggered by manic depression Manic depression is not a dementing illness This author is not saying that Jesus suffered from a

backward type of psychosis But manic depression when manifested in talented persons acts as a catalyst to trigger artistic creativity Many great artists and poets have suffered from manic depression Byron Schumann Tennyson van Gogh Fitzgerald and Lowell to name a few It is among great poets and artists such as these that the author places the historical Jesus This book therefore argues that the writers of the Gospels when they record Jesus as asserting his divinity were conveying an accurate picture of him His assertions of divinity were not fabrications of the early church **Can We Trust the Gospels?**

Peter J. Williams, 2018-12-10 Is there evidence to believe the Gospels The Gospels Matthew Mark Luke John are four accounts of Jesus's life and teachings while on earth But should we accept them as historically accurate What evidence is there that the recorded events actually happened Presenting a case for the historical reliability of the Gospels New Testament scholar Peter Williams examines evidence from non-Christian sources assesses how accurately the four biblical accounts reflect the cultural context of their day compares different accounts of the same events and looks at how these texts were handed down throughout the centuries Everyone from the skeptic to the scholar will find powerful arguments in favor of trusting the Gospels as trustworthy accounts of Jesus's earthly life **Reading Mark's Gospel as a Text from Collective Memory**

Sandra Huebenthal, 2020-05-28 How did the Gospel of Mark come to exist And how was the memory of Jesus shaped by the experiences of the earliest Christians For centuries biblical scholars examined texts as history literature theology or even as story Curiously absent however has been attention to processes of collective memory in the creation of biblical texts Drawing on modern explorations of social memory Sandra Huebenthal presents a model for reading biblical texts as collective memories She demonstrates that the Gospel of Mark is a text evolving from collective narrative memory based on recollections of Jesus's life and teachings Huebenthal investigates the principles and structures of how groups remember and how their memory is structured and presented In the case of Mark's Gospel this includes examining which image of Jesus as well as which authorial self image this text as memory constructs Reading Mark's Gospel as a Text from Collective Memory serves less as a key to unlock questions about the historical Jesus and more as an examination of memory about him within a particular community providing a new and important framework for interpreting the earliest canonical gospel in context

Studying Paul's Letters with the Mind and Heart Gregory S. MaGee, 2018-09-25 This informative survey of Paul's epistles is conversant with the latest scholarship but written in an engaging style that emphasizes practical application In each chapter Gregory MaGee asks and answers a vital question for understanding Paul's letters while prompting the reader to consider the discussion's personal implications These questions get at the heart of understanding interpreting and living out the Pauline letters Why listen to Paul Were all thirteen letters really written by Paul How does Paul interact with the Old Testament What are some specific interpretive challenges in Paul's letters How can I wisely apply Paul's teachings What are the experts saying about Paul these days What ideas were especially important to Paul Students and other thoughtful Christians wishing to dig deeper into Paul's letters will benefit from this contemporary overview and will be challenged to

grow spiritually and apply Paul's teachings and example **The Branch** Preston T. Massey, 2018-07-24 The thesis of the book may be stated simply it is an argument based upon the four prophetic texts of Jer 23:5 Zech 3:8-6:12 and Isa 4:2 as a foundational pattern for the four Gospels These four prophetic texts it will be argued mention a King Branch a Servant Branch a Man Priest Branch and a Lord God Branch This study seeks to show how Matthew presents Jesus as the King Branch Mark as the Servant Branch Luke as the Priest Man Branch and John as the Lord God Branch Consideration will also be given to explore the ramification of the four living Beings as described in Rev 4:6-7 Given the sum total of this sequence of literary facts the conclusion of this book will raise a number of possible implications One of these implications will offer the conclusion that the four evangelists could not have written their four Gospels solely on their own human unaided efforts

Jesus: A Very Short Introduction Richard Bauckham, 2011-07-28 Bauckham shows that Jesus was devoted to the God of Israel with a special focus on God's fatherly love and compassion and like every Jewish teacher he expounded the Torah but did so in his own distinctive way *Answering the Music Man* B. Kyle Keltz, Tricia Scribner, 2020-05-29 Dan Barker ex preacher and co founder of the Freedom From Religion Foundation travels widely arguing in debates and speaking on his beliefs that Christianity is false God does not exist and the Bible is filled with errors and mythology He has been touted as one of America's leading atheists Yet close examination of his arguments shows that Barker's reasons for disbelief are poorly reasoned and miss the mark as they are aimed at a mistaken caricature of Christian theism *Answering the Music Man* exposes Barker's misunderstandings of Christianity and provides compelling answers to Barker's arguments **The Gospel according to Luke** James R. Edwards, 2015-05-01 In keeping with the Pillar New Testament Commentary's distinctive character this volume by James R Edwards on Luke gives special attention to the Third Gospel's vocabulary and historical setting its narrative purpose and unique themes and its theological significance for the church and believers today Though Luke is often thought to have a primarily Gentile focus Edwards counterbalances that perspective by citing numerous evidences of Luke's overarching interest in depicting Jesus as the fulfillment of God's providential work in the history of Israel and he even considers the possibility that Luke himself was a Jew In several excursions Edwards discusses particular topics including Luke's infancy narratives the mission of Jesus as the way of salvation and Luke's depiction of the universal scope of the gospel While fully conversant with all the latest scholarship Edwards writes in a lively fluent style that will commend this commentary to ministers students scholars and many other serious Bible readers **The Christian World Around the New Testament** Richard Bauckham, 2017-10-20 Most of these thirty one essays by Richard Bauckham a well known New Testament scholar were first published between 1979 and 2015 in journals and multi authored volumes Two are previously unpublished and one has not been published in English before They range widely over early Christianity and early Christian literature in both the New Testament period and the early patristic period reflecting the author's conviction that the historical study of early Christianity should not isolate the New Testament literature from other early Christian sources

such as the apostolic fathers and the Christian apocryphal literature Some of the essays develop further the themes of the author s books on aspects of the Gospels such as the intended audiences of the Gospels the way in which Gospel traditions were transmitted the role of the eyewitnesses in the origins of the Gospels the importance of Papias s evidence about Gospel traditions and the relationship between canonical and Gnostic Gospels Some of the essays relate to important persons such as Peter Barnabas Paul and James These include a full investigation of the evidence for the martyrdom of Peter and an attempt to locate the estate of Publius where Paul stayed on Malta There are studies of the Sabbath and the Lord s Day in both the New Testament and patristic periods There are studies that survey most of the main categories of apocryphal Christian literature including apocryphal Gospels and Acts and with a special focus on the non canonical apocalypses such as the Apocalypse of Peter and the Latin Vision of Ezra **Themelios, Volume 33, Issue 1** D.
