Jesus Driven Ministry:

Jesus Driven Ministry Ajith Fernando, 2007-01-04 Author Ajith Fernando believes that much ministry failure results from neglect of the basics of the faith Too often today's church is riveted on ministry technique to the neglect of leadership lifestyle In this book Fernando identifies the foundational elements that allow you to be both effective and joyful in your service He shows from Jesus own ministry that relating to the people you minister to retreating from busyness to prayer being affirmed and empowered by God discipling younger leaders and gaining strength from God's Word must be at the heart of your ministry Rich in Scripture and full of stories from Fernando's own years of ministry this book will help men and women commit themselves afresh to those vital basics of ministry that make for long term service that is both fruitful and joyful

Jesus and His Church Robert Rhodes, 2022-12-09 What is the definition of the church What did Jesus mean when he

said he would build his church Jesus and His Church answers these questions through a concise look at the initial earthly post resurrection and post ascension ministries of Christ revealing how his life and work relate to today s church Scriptures from the Old Testament are presented from the perspective of God s original intention for mankind and the church The ministry of the apostles the preaching of Peter at Pentecost the differences between Peter and the man Paul and his ministry are revealed as continuations of what Jesus meant when he said I will build my church and the gates of hell shall not prevail against it This book is doctrinal refuting erroneous teachings that torment the church Jesus and His Church places the church in correct perspective with the original intentions of God through the ministries of Christ his Son It is educational to believers and convincing to nonbelievers Revealed truth seen in the life of Christ written in Jesus and the Church will clear up confusion and any burden concerning what Jesus said and what preachers and teachers say about the church This book will guide those who have veered off God s intended path through convincing deception back to the path where they belong and where God has always wanted them to be May it be so in all our lives The Christ, the Son of God Constant Henri

W. Ross Hastings, 2025-08-19 Pastors regularly face concrete ethical questions and they too pursue a moral life In the

busyness of ministry it can be tempting to think pragmatically or derive one's ethics from the latest cultural concerns. But standard approaches to ethics whether deontological, utilitarian or virtue ethical all fall short of being distinctly Christian. Ethics ought to be grounded in the gospel and in our triune God. In *Pastoral Ethics* W. Ross Hastings provides pastors with an evangelical and trinitarian framework for moral formation and ethical discernment. For Hastings ethics must be reclaimed as theological. Theology without ethics becomes Gnosticism. Ethics without theology leads to legalism and death. Christian ethics participates in God's life and God's work. This communion with God leads to obedience to his commands as summed up in the Decalogue and over several chapters Hastings provides a rich exposition for pastoral formation. Pastors find their identity in God and this inspires right thinking and acting with regard to authority, life and death, sexuality, work and rest, speech and desires. An approach to ethics that prompts faith, hope and love. *Pastoral Ethics* is an essential guide for Christians in all ministry contexts.

Generation Transformed Blaine St. Germain, 2011-09-07 Many Christian churches, homes and student ministries are left feeling helpless against the pull of secularism that is bombarding this generation. *Generation Transformed* will help pastors, youth pastors, volunteers and parents to understand the immense pull that culture has on teens and the text takes a biblical approach to rectifying the problems.

1 Corinthians Gary R. Small, 2025-04-01 Each chapter of *A Word from His Word* focuses on a single word or phrase from a short biblical passage. Returning to this simple but effective approach will reinvigorate your daily time reading the Bible. Corinth was a major city in ancient Greece, bustling with traders. It was also characterized by a liberal culture unfamiliar with Christian ethics. Paul evangelized there in AD 52 and those who embraced his presentation of the gospel established a church. However, many of these new converts felt tempted to return to their prior lifestyles. Paul responds to the church's growing pains in this letter, *1 Corinthians*, by presenting a call for believers to realign themselves with the message of the cross, a message which placed Christ first and insisted that all else take second place to His headship and leadership. The letter is a challenging read even today for it prompts us to reflect on whether we are Christ-centred or self-oriented. Although it prompts self-reflection, perhaps more importantly it encourages readers to ensure that they remain aligned with Christ. That is the prayer behind this edition of *A Word from His Word* for readers to pursue God with the purity they had when they first believed.

Finding Our Voice Matthew D. Kim, Daniel L. Wong, 2020-06-17 No one preaches in a cultural vacuum. The message of what God has done in Christ is good news to all but to have the greatest impact on its hearers or even to be understood at all it must be culturally contextualized. *Finding Our Voice* speaks clearly to an issue that has largely been ignored: preaching to Asian North American (ANA) contexts. In addition to reworking hermeneutics, theology and homiletics for these overlooked contexts, Kim and Wong include examples of culturally specific sermons and instructive questions for contextualizing one's own sermons. *Finding Our Voice* is essential reading for all who preach and teach in ANA contexts. But by examining this kind of contextualization in action, all who preach in their own unique contexts will benefit from this approach.

Mission Affirmed Elliot Clark, 2021-12-22 What will it take to

accomplish Christ's mission in our lifetime That's the question evangelicals have been asking for over a century but our efforts to reach the unreached and finish the task have often sacrificed the important for the immediate The greatest challenge in evangelical missions isn't a lack of urgency but a lack of discernment As we've prioritized movements that are simple and reproducible the gospel and faithful churches are now threatened Our mission itself could be disqualified In *Mission Affirmed* Elliot Clark seeks to reshape our motivation by considering the example of Paul the missionary The desire for God's approval is what formed his ambition and directed his methods and it should guide ours too In these pages we rediscover how pursuing God's praise can both motivate and regulate our gospel ministries We also refocus as missionaries pastors churches and individuals on what matters more than a mission accomplished a mission God affirms *Biblical Ministry Advice* Provides a holistic look at Paul's ministry methods and motivation A Great Resource for Church Leaders Helps churches vet and send missionaries *First Hand Ministry Insights* Provides a practical solution for common weaknesses in modern missions with descriptive examples from the author's experiences as a missionary Published in Conjunction with the Gospel Coalition TGC
