Jesus Essene E Planta Nesbit:

Jesus an Essene Edward Planta Nesbit, 2015-12-04 *Jesus an Essene* is a short book espousing a theory of Jesus being an Essene. It was written by 19th century American schoolmaster E. Planta Nesbit. *Christ, Christians And Christianity* E. Planta Nesbit, 1899. *Christ, Christians and Christianity, Book I* E. Planta Nesbit, 2010-02. Edward Planta Nesbit c. 1825-1900 was a schoolmaster, author, and land agent in Australia. His only known work *Christ, Christians and Christianity Book I* *Jesus an Essene* was published in 1895. It was intended as the first volume in a series of 7 but he never completed any further volumes. Essenes were apocalyptic ascetics, one of the three or four major Jewish schools of Jesus' time though they were not mentioned in the New Testament. Some scholars theorize that Jesus was an Essene or close to them. Among these scholars is Pope Benedict XVI who supposes in his book on Jesus that it appears that not only John the Baptist but possibly Jesus and his family as well were close to the Qumran community. **Jesus an Essene (a Timeless Classic)** Edward Planta Nesbit, 2017-02-17. The suspicion that Jesus probably belonged to the Jewish sect of the Essenes was first strongly awakened in the author's mind by a careful perusal of the works of Josephus and of Philo Judaeus but he is quite aware that the same idea has sometimes been entertained more or less strongly by others. But nowhere has he seen the details which these two Jewish writers have given of the Essenes so fully compared with the teachings and the life of Jesus and their agreement so fully demonstrated as they are in the following ages. It seems surprising that the striking similarity which exists between the purest of the Jewish sects and the founder of Christianity should so long have escaped prominent remark. Readers will be able to decide for themselves after perusing all they will meet with in this work as to the probability or not of Jesus having been an Essene. Whether they determine in the affirmative or not they will probably meet with such facts as will cause at least many of them to acknowledge that the great Teacher was deeply imbued with the spirit and doctrines of the Essenes and that there are ample materials supplied to allow of an explanation being given of his life and supposed death on the cross with his after resurrection and ascension in accordance with natural and ordinary principles. **Jesus and his Two Fathers: The Person and the Legacy** Uri Wernik, 2020-03-03. Who was Jesus in real life? What inspired his ideas? What did he aim to achieve? What drew his disciples to him? How was he influenced by them? Unlike the many quests for the historical Jesus as a psychologist, Wernik answers these questions from the perspectives of psychology and the social sciences. This book's central axis is the theme of the father. It looks at the family constellation into which Jesus was born where he was raised by a stepfather. It also investigates the relationship he develops with God his father in heaven and examines how he became a father figure to his disciples and followers. It is hoped that readers will also think about their own father when reading the one usually called dad. *Jesus and His Two Fathers* sees Jesus' love of peace and appeasement doctrine as well as his difficulty with anger control in the context of his upbringing and family constellation. Wernik offers a solution to the problem of the missing years which were unaccounted for in the New Testament. He examines the internal conflicts in Jesus' movement and the tensions with the

religious establishment which led to his death Jesus did not see himself as the Messiah and Wernik shows him in fact as a great reformer of Judaism who changed the notions of righteousness the relation of the believers to God and the status of the commandments This book will be of interest to scholars teachers and students in the humanities and social sciences among others in the fields of religion especially Christianity and Judaism It is aimed at interested discerning readers of non fiction in these areas **The Westminster Review** ,1895 **The Essenes, the Scrolls, and the Dead Sea** Joan E.
