King Jesus and the Beauty of Obedience-Based Discipleship David Young, 2020-07-28 What does it mean to be a disciple The call of discipleship is more than programs and Bible study In King Jesus and the Beauty of Obedience Based Discipleship David Young presents a bold call for obedience based discipleship and argues that it alone is the proper response to the kingship of Jesus Many have wrongly associated obedience with bad theology believing that Jesus demand for obedience is a form of works righteousness or legalism Others simply don't like obedience and resist the demands Jesus makes in calling us to follow him But if we surrender to the kingship of Jesus we will find the life we were designed to live We are accustomed to calling Jesus Savior And we should But until recently many in the Western church have not learned to call Jesus King The kingship of Jesus has implications for how we live We can either rebel against him raising puppet kings and constructing our own kingdoms or we can submit to him in obedience based discipleship Could it be that you are still sitting on the throne of your life treating King Jesus as a mere advisor What would change in your life if you started treating Jesus as nothing short of your King Young unpacks five principles for those who wish to follow Jesus as King Surrender to the authority of King Jesus Embrace the mission of King Jesus Live immersed in King Jesus Obey the teachings of King Jesus Behold the presence of King Jesus Following these five steps awakens us to a life truly worth living a life of power peace beauty and love This is eternal life that we would know and follow Jesus as King of the Universe and king over our lives After all you don't merely believe in kings You obey them

The Outrageous Idea of the Missional Professor Paul M. Gould,2014-11-03 The outrageous idea of this book is that God wants to use professors as professors to reach others transform the academy and meet the needs of the world God is on a mission to redeem and restore this fallen world and as members of one of the most influential institutions in society Christian professors in the university play an important role in that mission Becoming a missional professor will require a clear vision of God s heart for the lost as well as humankind s purpose and calling under the banner of Christ an understanding of the significance of the university as a cultural shaping institution and mission field and a desire for Christian wholeness in a fragmented world This idea is outrageous because many Christian professors struggle to live missionally and need a clear vision of such a life as well as role models to lead the way Many professors already living missional lives need encouragement to excel still more 1 Thess 4 10 We all need God s grace and mercy as we try to faithfully follow Christ within the university Confessions of a Boy-Crazy Girl Paula Hendricks,2013-08-26 Sound familiar 1 You spot a cute boy we ll call him Boy A 2 You dream about Boy A 3 You do whatever it takes to make Boy A notice you 4 Even though Boy A doesn t pursue you you hang on to your dream of Boy A until he a moves to the North Pole with no access to a cell

and at every time *Outside the Camp* Garth Cross,2017-01-13 If you're looking for a feel good read *Outside the Camp* is not it. If you want joy without lament, grace without sin, light without darkness, or love without pain, read something else. In fact, the winning factor of this book is through the roof, and I thought someone ought to warn you. But if you want to read something that is profoundly and Biblically true, revolutionary, and life-changing, this is it. Garth has given God's people a wonderful gift, and I rise up and call him blessed. You will, too. Steve Brown, professor, author, radio show host, and leader of Key Life Network. I have more thoughts, emotions, and places your story took me than I am able to capture. I had to let you know that the Lord has deeply impacted me through your book. Thank you, Jim Amandus, Senior Pastor at Highlands Community Church near Seattle. *Outside the Camp* tells the story of a former pastor's journey through a season of turmoil and personal failure. The story of his decade of disillusionment sets the context for his observations as a church outsider in regards to how evangelical churches often fail in response to the wounded, the outcasts, and the sinners in their midst. Offered in the form of Biblical lament, three concerns are addressed: the evangelical church does not truly offer or even fully understand the gospel of grace; it preaches instead suggesting that believers need to try harder and do more to prove themselves worthy of God's favor; the faith community is artificial rather than authentic, and too often the wounds of its soldiers are left unattended. People whose pain is too deep and complex for the church to easily comprehend are referred outside the church for the help they need to survive, or they are simply neglected. The book concludes with a consideration of God's intent to restore sinners by offering grace that is full and free, with a call for the church to once again communicate the unadulterated gospel to all who need its healing balm.

Beloved Mess Kimm Crandall,2016-06-21 God's Empowering Love for Us in the Midst of Our Mess. Life is messy. And Christians are not exempt. Unfortunately, this is not the message we tend to hear. We're told to be moral, look good, and set a positive example. After all, as some people may tell us, we're the only Jesus some people see, so we better make him look good. That's a heavy burden. And so we work feverishly to hide our messes from each other and from God for fear of judgment, all the while wondering how we can ever be loved. But Christianity is not about being less of a mess. It's about admitting that we need to be saved from trying to clean ourselves up. In *Beloved Mess*, author and blogger Kimm Crandall frees Christians to live with the assurance that God loves us right here, right now. He's not waiting for us to clean up our act before we're worthy to come to him. He wants us to stop trying to fix the mess so that we can allow him to wash it away for us.

Endorsements Kimm unpacks the wonder of God's mercy with honesty and courage and shows how it reaches all the way down to every dimension of our hearts and lives. Justin S. Holcomb, author *On the Grace of God*. Read this short but life-changing book, go back to it again and again, and see yourself falling more in love with the One who loved us and gave himself for us. Jessica Thompson, author of *Everyday Grace*.

Jesus + Nothing Tullian Tchividjian,2011 A proclamation of Christ's sufficiency that frees us from self-righteousness and keeps us anchored through storms. Stemming from a year of great turmoil, Tchividjian details the power of the gospel in his life.

The Evangelicals Frances FitzGerald,2017-04-04 Initially a populist rebellion

against the established Protestant churches evangelicalism became the dominant religious force in the country before the Civil War but the northerners and southerners split over the issue of slavery After the Civil War the northern evangelicals split eventually causing a conflict between fundamentalists and modernists Only after the Second World War would conservative evangelicalism gain momentum thanks in large part to Billy Graham s countrywide revivals FitzGerald shows how the conflict between religious conservatives and others led to national culture wars and a Southern Republican stronghold and how a new generation of evangelicals is challenging the Christian right by preaching social justice and the common good FitzGerald suggests that because evangelicals are splintering America the most religious of developed nations will eventually look more like secular Europe
