Jesus Our Redeemer A Christian Approach To Salvation:

Jesus Our Redeemer Gerald O'Collins, 2007-01-11 Jesus Our Redeemer examines what it means when Christians call Jesus their Redeemer or Saviour. It tackles such questions as: How can redemptive events in the past (Christ's life, death and resurrection) bring about saving effects in the present? Why do human beings need redemption both individually and collectively? What images of God are implied by the saving action of God and by human needs? Gerald O'Collins SJ draws on the scriptures, Christian hymns and texts for worship, literature, the visual arts and other sources. He examines four major models of how redemption through Christ has been thought to work: theories of deliverance, penal substitution, sacrifice and transforming love. He concludes by considering the outworking of salvation in the life of the Church, the situation of non-Christians and the final consummation of human life and the created world at the end of time. **Jesus Our Redeemer**

Gerald O'Collins (S.I.), 2010 **Sisters of the Holy Cross, Menzingen 1844-1863** Mary Finbarr Coffey, 2022-08 While building on a comprehensive reading of available archival sources in the Menzingen Religious Institute, this work provides a greater understanding of the possibilities and the difficulties of a return *textit ad fontes* in the Church and in religious life. It discloses that a struggle for a founding inspiration is a struggle for the memory. The theoretical framework which has been constructed from scriptural sources in this study is likely to be of use in a theological interpretation of any Christian founding event. *The Bloomsbury Guide to Christian Spirituality* Peter Tyler, Richard Woods, 2012-10-25 Introduction to Christian spirituality with scholarly input. Each article is by a leading academic and explains the subject matter in an accessible and open fashion. *What Does It Mean to Be Catholic?* Jack Mulder Jr., 2015-07 An introduction to the Catholic faith for those who are curious to know more about Catholicism. For readers who have ever wondered what exactly the Roman Catholic Church teaches about predestination, original sin, the Virgin Mary, abortion, same sex marriage and other issues, the author explains all that and more in simple language. From the publisher. **The Routledge Handbook of Christianity and Culture** Yaakov Ariel, Gregor Thüswaldner, Jens Zimmermann, 2024-11-15 The centrality and importance of the intersection of Christianity and culture when it comes to English speaking countries and particularly American culture, history and politics is beyond doubt. The Routledge Handbook of Christianity and Culture is an outstanding reference source to the key topics, problems and debates in this exciting subject. Comprising over 35 chapters by a team of international contributors, the handbook is divided into five parts: Practicing Christianity; Christianity and the Word; Social and Political Aspects of Christianity and Culture; Christianity and Culture in a Global Context; Christianity and the Arts. Within these parts, central issues, debates and problems are examined, including liturgy, material Christianity, education, missions, religion and science, hermeneutics, Bible translations, Christian wars, human rights, law, social action, the secular, ecumenicalism, inter-religious relations, visual arts, literature, music, theatre and film. The Routledge Handbook of Christianity and Culture is essential reading for students and researchers of religious studies and Christian studies. The handbook will also be very useful for

those in related fields such as cultural studies area studies visual studies literature and material religion *Inspiration* Gerald O'Collins, 2018-06-21 *Inspiration Towards a Christian Interpretation of Biblical Inspiration* anchors its study of inspiration firmly in the Scriptures and examines the inspired nature of the Bible and its inspiring impact Gerald O Collins begins by examining classical view of inspiration expounded by Karl Barth and Raymond Collins He takes up the inspired origin of the Old Testament where earlier books helped to inspire later books before moving to the New Testament which throughout shows the inspiring impact of the inherited Scriptures both in direct citations and in many echoes The work then investigates the Bible s inspiring influence on Christian worship preaching teaching the visual arts literature and life After a chapter that clarifies the interrelationship between divine revelation tradition and inspiration two chapters expound ten characteristics of biblical inspiration with special emphasis on the inspiring quality of the Bible O Collins explains a major consequence of inspiration biblical truth and the grounds on which the Church canonized the Scriptures After spelling out three approaches to biblical interpretation the authorial intention the role of readers and the primacy of the text itself the book ends by setting out ten principles for engaging theologically with the Scriptures An epilogue highlights two achievements of the book By carefully distinguishing inspiration from divine revelation and biblical truth it can deliver readers from false problems This work also underlines the inspiring effects of the Scriptures as part of the Holy Spirit s work of inspiration *Feminist Theology and Contemporary Dieting Culture* Hannah Bacon, 2019-08-08 Hannah Bacon draws on qualitative research conducted inside one UK secular commercial weight loss group to show how Christian religious forms and theological discourses inform contemporary weight loss narratives Bacon argues that notions of sin and salvation resurface in secular guise in ways that repeat well established theological meanings The slimming organization recycles the Christian terminology of sin spelt Syn and encourages members to frame weight loss in salvific terms These theological tropes lurk in the background helping to align food once more with guilt and moral weakness but they also mirror to an extent the way body policing techniques in Christianity have historically helped to cultivate self care The self breaking and self making aspects of women s Syn watching practices in the group continue certain features of historical Christianity serving in similar ways to conform women s bodies to patriarchal norms while providing opportunities for women s self development Taking into account these tensions Bacon asks what a specifically feminist theological response to weight loss might look like If ideas about sin and salvation service hegemonic discourses about fat while also empowering women to shape their own lives how might they be rethought to challenge fat phobia and the frenetic pursuit of thinness As well as naming as sin principles and practices which diminish women s appetites and bodies this book forwards a number of proposals about how salvation might be performed in our everyday eating habits and through the cultivation of fat pride It takes seriously the conviction of many women in the group that food and the body can be important sites of power wisdom and transformation but channels this insight into the construction of theologies that resist rather than reproduce thin

privilege and size ist norms *Catholicism* Gerald O'Collins,Mario Farrugia,2015 The bestselling Catholicism has now been revised and updated for an eagerly anticipated second edition This lucid and accessible account explains how Roman Catholicism and its beliefs and practices came to be what they are Renowned scholars Gerald O Collins and Mario Farrugia move through history to sum up the present characteristics of Catholic Christianity and the major challenges it faces in the third millennium Clear and engaging the authors present matters in a fresh and original way They skilfully depict the Catholic heritage and show that Catholicism is a dynamic and living faith O Collins and Farrugia engage with contemporary moral issues and explore the challenges which Catholics and other Christians must face This is an authoritative lively and up to date introduction to Catholicism for the twenty first century **Early Franciscan Theology** Lydia

Schumacher,2019-07-04 Demonstrates the innovativeness of early Franciscan theology contesting the longstanding view that it simply rehearses the views of earlier authorities *Justification* James K. Beilby,Paul Rhodes Eddy,2011-11-10 Therefore since we have been justified by faith we have peace with God through our Lord Jesus Christ Rom 5 1 When Paul wrote these words he seemed confident he had made himself clear But for centuries the Pauline doctrine of justification has been a classic point of interpretation and debate in Christian exegesis and theology And while in recent decades there have been moments of hopeful convergence among the various traditions of the Western church the fine print often reveals more facets and distinctions than ever before This volume focuses on five views of justification and calls on representative proponents to set forth their case and then respond to each other The five views are Traditional Reformed Michael S Horton Progressive Reformed Michael F Bird New Perspective James D G Dunn Deification or Theosis Veli Matti K rkk inen Roman Catholic Gerald O Collins and Oliver Rafferty In addition editors James Beilby Paul R Eddy and Steven E Enderlein provide an extensive introduction to the issues informing this important debate This distinguished forum of biblical interpreters and theologians offers a lively and informative engagement with the biblical historical and contemporary understandings of justification Justification Five Views is not only a fascinating probe into Paul s meaning it is also a case book in theological method Majority World Theology Gene L. Green,Stephen T. Pardue,K. K. Yeo,2020-12-01 More Christians live in the

Majority World than in Europe and North America Yet most theological literature does not reflect the rising tide of Christian reflection coming from these regions Bringing together theological resources from past and present East and West this work engages conversations with leading global scholars on theology faith and mission for the enrichment of the entire church

An Unexpected Wilderness Carpenter, Colleen Mary,2016-05-11 At a time when ecological issues are prominent in religious and social discourse this perfectly timed volume expresses a broad range of insights and opinions on ecology and the relationship between Christianity and the natural world Topics are not limited to traditional environmental issues but instead feature a variety of academic disciplines and experiences to dwell on wildernesses that are sometimes dangerous sometimes sanctuaries and often the source of graced encounter Publisher Irony in the Bible ,2023-03-13 It is generally

agreed that there is significant irony in the Bible However to date no work has been published in biblical scholarship that on the one hand includes interpretations of both Hebrew Bible and New Testament writings under the perspective of irony and on the other hand offers a panorama of the approaches to the different types and functions of irony in biblical texts The following volume 1 reevaluates scholarly definitions of irony and the use of the term in biblical research 2 builds on existing methods of interpretation of ironic texts 3 offers judicious analyses of methodological approaches to irony in the Bible and 4 develops fresh insights into biblical passages

Setting Our Hearts upon the Deep Henry L. Novello, 2022-12-22 In Christian churches the Why Lord and How long Lord prayers of the Jewish lament tradition have fallen silent This is astonishing given that Jesus fidelity to the cause of God culminates in his lament cry on Calvary which was heard by God Heb 5 7 who did not hide his face Ps 22 24 but responded by raising him up in glory In Christ s paschal mystery grief lament and joy praise are inextricably intertwined So why is lament not incorporated into praise in church usage How can we not lament as we strive to embody Christ in an unredeemed world The book examines reasons for the neglect of lament in the New Testament and theological tradition The pivotal section of the work situates Jesus in the tradition of the suffering righteous in which Psalm 22 stands and it proposes a theological not juridical interpretation of Jesus cry which refutes the God abandonment thesis Jesus cry reveals his abandonment to God not his abandonment by God Because God was for and with Jesus we know that God is for and with us in our own cries which are joined to Jesus cry and we are redeemed Redemption then consists in human and divine suffering coming together to transform grief and evil into joy and newness of life

The Prophetic Church Andrew Meszaros, 2016-10-06 The Prophetic Church History and Doctrinal Development in John Henry Newman and Yves Congar is a historical and a systematic account of tradition doctrinal development and the theology of history with a particular focus on the contributions of two modern Catholic figures John Henry Newman 1801 1890 and Yves Congar 1904 1995 It is structured around two overarching themes the subject and history in their relationship to doctrinal development In addition the thought of both Congar and Newman is interwoven throughout Andrew Meszaros contextualizes and surveys Congar s reception of Newman He explains the appeal of Newman and provides concrete evidence that would substantiate the nature and extent of Newman s influence on Congar and thereby indirectly on Vatican II Meszaros also discusses doctrinal development with special attention to the subject and history These treatments are based on the subjective and historical motors or causes as it were of doctrinal development He then develops a theology of doctrine and doctrinal development as inspired by Newman and Congar In its reflection on the meaning of the Doctrinal Economy this study contributes to the theological problem of history and doctrine by synthesizing and honing contributions of these two great thinkers of modern Catholic theology It is precisely some of the key differences between Newman and Congar that make it theologically enriching to study them together

Sanctified by Grace Kent Eilers, Kyle C. Strobil, 2014-06-19 Books on the Christian life abound Some focus on spirituality others on practices and others still on doctrines such as justification or

forgiveness Few offer an account of the Christian life that portrays redeemed Christian existence within the multifaceted and beautiful whole of the Christian confession This book attempts to fill that gap It provides a constructive specifically theological interpretation of the Christian life according to the nature of God's grace This means coordinating the Triune God his reconciling justifying redemptive restorative and otherwise transformative action with those practices of the Christian life emerging from it The doctrine of the Christian life developed here unifies doctrine and life confession and practice within the divine economy of grace Drawing together some of the most important theologians in the church today Sanctified by Grace achieves what no other theological text offers a shared work of dogmatic theology oriented to redeemed Christian existence

Christianity Philip Kennedy, 2011-02-22 The Christian faith has the allegiance of one third of the human race It has succeeded in influencing civilization to such a degree that we now take its existence almost for granted Yet it might all have been so different Christianity began with the words and deeds of an obscure village carpenter's son who died a shameful criminal's death at the hands of the Roman occupiers of his country itself an insignificant outpost of the powerful ruling Empire The feverish land of biblical Palestine awash with apocalyptic expectations of deliverance from its foreign overlords was hardly short of seers and prophets who claimed to be sent visions from God Yet the followers of this man thought he was different so different in fact that some years after his death and asserted resurrection they scandalously insisted not only that he was sent by God but that he was God How a provincial sect with its seemingly outrageous ideas became first the sanctioned religion of the Roman Empire and then over the course of 2000 years the creed of billions of people is the improbable story that this book tells It is a story of freethinkers friars fanatics and firebrands and of the lay people not just the clerical or the powerful who have made up the great mass of Christians over the centuries Many introductions to Christianity are written by Christians for Christians This elegant textbook by contrast shows that the history of the religion while often glorious is not one of unimpeded progress but something still more remarkable flawed and human *Naturally Human, Supernaturally God* Adam G. Cooper, 2014-05-01 *Naturally Human Supernaturally God* seeks to open a small window upon an interesting case of theological convergence between three of the most important theologians of the pre Conciliar period of Catholic theology Rignald Garrigou Lagrange O P Karl Rahner S J and Henri de Lubac S J each of whom played a vital role in the Second Vatican Council The differences between these three figures sometimes seem to run so deep as to defy resolution Yet Cooper argues they were strangely united in a shared conviction today's church urgently needs to renew its acquaintance with an ancient Christian theme the doctrine of deification **From Misery to Hope** Joe Egan, 2010 How can one believe in a God of love amid all the evil and suffering found in the world How does one do theology after Auschwitz while vast numbers of people still have to endure violent oppression every day This book seeks to address such questions from a standpoint informed by life in Africa which in the face of extraordinary difficulties bears witness to Gospel hope by demonstrating forgiveness in action and promoting reconciliation The work unfolds in two parts In the first part a description

of the misery that characterises much of life in Africa in the recent past opens up to a theological consideration of the underlying causes and of God's response to them. In the second part the joy which is so characteristic of life in Africa even in places of immense suffering sets the scene for detailed reflections on liturgy, memory, forgiveness and hope.
