Jesus Outside the New Testament Robert Van Voorst, 2000-04-13 Presents evidence and information aside from the Christian scriptures on the life and teaching of Jesus Christ Features excerpts in Roman correspondence and the early Christian writings known as the New Testament Apocrypha

Jesus Outside the Gospels R. Joseph Hoffman, 2010-11-02 While the public has easy access to religious literature on the life and teachings of Jesus Christ there is little opportunity for the general reader to assess the more skeptical works of biblical criticism In *Jesus Outside the Gospels* Professor Hoffmann argues that very little is known about Jesus apart from the Gospels He contends that the Gospels were intended to establish not the history of Jesus but his divinity The four books attributed to men called Matthew Mark Luke and John were written some two generations after the events they intended to describe Hoffmann analyzes and quotes extensively from non biblical sources written 1 900 years ago providing a picture of the man called Jesus that is quite different from the man portrayed in the Gospels Sources analyzed at length are the Talmud Josephus and Tacitus as well as Gnostic and Apocryphal Gospels The author holds to a controversial view that the Gospels are in reality the missionary propaganda of a first century messianic cult and are far from objective biographies or historical annals *Jesus Outside the Gospels* is essential reading for anyone desiring a careful and critical study of the New Testament

The Other Gospels Bart D. Ehrman, Zlatko Pleše, 2014 Ehrman and Pleše present a rare compilation of over 40 ancient gospel texts and textual fragments that do not appear in the New Testament

Did Jesus Christ Exist? John Ostrowick, 2013-05-30 There is a significant movement on Internet at present heavily supported by the New Atheist movement which denies that Jesus Christ ever existed Some of the claims that are made most notoriously in the first *Zeitgeist* movie are demonstrably false In this book John Ostrowick explores the academic mythological textual archaeological scientific and probabilistic arguments for the existence of Jesus Christ This book argues that although the evidence for Christ is slim at best he nonetheless remains the simplest hypothesis to explain the particularly detailed story that we hear in the New Testament Gospels Although we only have one apparently original document referring to Jesus the book of Mark it is still simplest to assume he existed even if he was merely a man and only did some of the things described in the New Testament

Jesus Skeptic John S. Dickerson, 2019-10-15 Can we know if Jesus actually lived Have Jesus's followers been a force for good or evil in history A respected journalist set out to find the answers not from opinion but from artifacts The evidence led him to an unexpected conclusion Jesus really existed and launched the greatest movement for social good in human history A first of its kind book for a new generation *Jesus Skeptic* takes nothing for granted as it explores whether Jesus actually lived and how his story has changed our world You'll learn what heroes like Martin Luther King Jr and Harriet Tubman believed about Jesus discover how Jesus inspired women's rights education rights and modern hospitals see visual proofs of Jesus's impact never before compiled in one place be inspired to continue Jesus's fight for human rights justice and progress *Jesus Skeptic* unveils convincing physical evidence that will enlighten seekers

skeptics and longtime Christians alike In a generation that wants to make the world a better place we can discover what humanity s greatest champions had in common a Christian faith **Did Jesus Really Rise from the Dead?** Thomas A. Miller,2022-04-22 How can a respected scientist believe in the resurrection Can I trust the Bible s account that Jesus actually rose from the dead If the resurrection really occurred of what importance is it to you and me Our ready embrace of the authority of science has left many doubting that Jesus s resurrection was a verifiable historical event Yet Thomas Miller an experienced scientist and well respected surgeon challenges the notion that modern medicine has disproved the possibility of the resurrection Through careful investigation of the evidence and evaluation of its reliability Dr Miller demonstrates that science and religion are not incompatible and makes a compelling case for the reality of the resurrection *The Historical Reliability of the Gospels* Craig L. Blomberg,2014-05-06 For over twenty years Craig Blomberg s *The Historical Reliability of the Gospels* has provided a useful antidote to many of the toxic effects of skeptical criticism of the Gospels He offers an overview of the history of Gospel criticism Thoroughly updated edition with added footnotes and two new appendixes

The Resurrection and Its Apologetics Michael J. Alter,2024-03-21 Christians believe that Jesus is the Messiah and the Savior of the human race who died for the sins of humanity on the cross 1 Cor 15 3 The next verse adds the essential that he was buried that he was raised on the third day in accordance with the Scriptures In *Jesus Death and Burial* Michael Alter critically surveys the writings of leading Christian apologists about Jesus death and burial and then explains why detractors and skeptics cannot accept the New Testament claim that Jesus died on the cross and received a tomb burial *The Resurrection and Its Apologetics* is an in depth series that significantly contributes both to the academic and non academic world reviewing and analyzing the most salient claims put forward in defense of Jesus death burial and bodily resurrection from the dead [Cross-Examination](#) Jordan Moar,2024-10-23 Mr Moar has put immense amounts of research into the question of whether or not God exists and His relationship with the Bible itself He provides a unique and apparently undebatable proof of the existence of the New Testament Trinity in the Old Testament itself Using various Scriptures and known history he provides excellent proofs of the fact that Christ s crucifixion had been prophesied literally centuries beforehand in several Scriptures He also uses the ancient Jewish Talmud and the similarly ancient Greek Magical Papyri to demonstrate a fact that is now well established among Jesus researchers that Christ was a magician so powerful that according to the Talmud He had been able to strongly influence the entire nation of Israel itself In addition Mr Moar provides a unique and very powerful proof of Christ s empty tomb at the time of His purported resurrection Finally Mr Moar uses his knowledge of psychology to show that you will probably be happier as a Christian than otherwise Thus reading Mr Moar s book can literally be a life changing experience Be prepared ha ha **Apologetics Study Bible for Students** Sean McDowell,Holman Bible Publishers,2010-02-01 Like the acclaimed *Apologetics Study Bible* that has sold 115 000 copies the *Apologetics Study Bible for Students* will anchor younger Christians in the truths of Scripture by equipping them with

Joseph Hoffmann,1984 *The Layman's Manual on Christian Apologetics* Brian G. Chilton,2019-11-14 Modern Christians have been bombarded by objections launched against the Christian faith from popular secular authors bloggers and stars from the entertainment industry The church is quickly beginning to acknowledge the need for apologetics due to the number of youth and adults alike leaving the faith But how does one respond to these objections For the laity of the church this is especially difficult as many are left without the proper training to know how to answer these objections In The Layman s Manual on Christian Apologetics the essentials of apologetics are taken from the ivory towers of academia and are made available to those who have not obtained seminary training or for those thinking about

attending seminary In this book three major areas of apologetics are covered The first unit engages the nature of truth and what can be known The second unit deals with the existence of God and issues involving God's existence The last unit tackles historical objections to the resurrection of Jesus and early Christianity The Layman's Manual on Christian Apologetics delivers heavy apologetic issues with the laity in mind and blends in personal illustrations to make the material applicable

Jesus Outside the Lines Scott Sauls, 2015-03-01 Whether the issue of the day on Twitter Facebook or cable news is our sexuality political divides or the perceived conflict between faith and science today's media pushes each one of us into a frustrating clash between two opposing sides Polarizing us against them discussions divide us and distract us from thinking clearly and communicating lovingly with others Scott Sauls like many of us is weary of the bickering and is seeking a way of truth and beauty through the conflicts Jesus Outside the Lines presents Jesus as this way Scott shows us how the words and actions of Jesus reveal a response that does not perpetuate the destructive fray Jesus offers us a way forward away from harshness caricatures and stereotypes In Jesus Outside the Lines you will experience a fresh perspective of Jesus who will not and should not fit into the sides

Getting at Jesus Peter S. Williams, 2019-01-29 Portraying themselves as challenging blind religious dogma with evidence led skepticism the neo atheist movement claims that the New Testament contains unreliable tales about a mythical figure who far from being the resurrected Lord of life may not even have lived This comprehensive critique documents the falsehood of these neo atheist claims correcting their historical and philosophical mistakes to show how we can get at the truth about the historical Jesus
