JESUS SENDS OUT THE 12 DISCIPLES ACTIVITY SHEET

THE STORY

In Mark 6:10-12 Jesus sends out his disciples to preach about his kingdom. 'Preach' here means to say loudly for doing things that were good to connect to doing things God's way by following him.

Jesus told the disciples to take very little with them so that they would depend on God for everything they needed.

Jesus encouraged the disciples to stay and share the story with those who wanted to listen.

Jesus Sends Out The Twelve Disciples Activity:

Jesus's epithets "Teacher" and "Prophet": a cognitive semantics approach to social roles Aurel-Onisim LEHACI, 2024 The book explores the complementarity of these roles highlighting their portrayal of Jesus's key attributes and his dual human/divine identity Cognitive linguistics provides the perspective for delving into these social roles emphasizing their significance in understanding the complexity of Jesus's character It shows that Jesus embodies two complementary epithets teacher and prophet representing distinct approaches to knowledge transmission either through human activity or divine intervention The book illustrates the intricate complexity of Jesus's character proving that Jesus not only fulfills but surpasses typical expectations in both roles consistently revealing his dual identity and the permanent truth of both epithets **A Light to the Nations** Michael W. Goheen, 2011-04-01 There is a growing body of literature about the missional church but the word missional is often defined in competing ways with little attempt to ground it deeply in Scripture Michael Goheen a dynamic speaker and the coauthor of two popular texts on the biblical narrative unpacks the missional identity of the church by tracing the role God's people are called to play in the biblical story Goheen shows that the church's identity can be understood only when its role is articulated in the context of the whole biblical story not just the New Testament but the Old Testament as well He also explores practical outworkings and implications offering field tested suggestions for contemporary churches **Together in Christ Form 2**, Luke the Historian of Israel's Legacy, Theologian of Israel's 'Christ' David Paul Moessner, 2016-07-25 David Moessner proposes a new understanding of the relation of Luke's second volume to his Gospel to open up a whole new reading of Luke's foundational contribution to the New Testament For postmodern readers who find Acts a generic outlier dangling tenuously somewhere between the mainland of the evangelists and the Peloponnese of Paul diffused and confused and shunted to the backwaters of the New Testament by these signature corpora Moessner plunges his readers into the hermeneutical atmosphere of Greek narrative poetics and elaboration of multi volume works to inhale the rhetorical swells that animate Luke's first readers in their engagement of his narrative In this collection of twelve of his essays re contextualized and re organized into five major topical movements Moessner showcases multiple Hellenistic texts and rhetorical tropes to spotlight the various signals Luke provides his readers of the multiple ways his Acts will follow all that Jesus began to do and to teach Acts 1:1 and consequently bring coherence to this dominant block of the New Testament that has long been split apart By collapsing the world of Jesus into the words and deeds of his followers Luke re configures the significance of Israel's Christ and the Reign of Israel's God for all peoples and places to create a new account of Gospel Acts discrete and distinctively different than the narrative of the many Luke 1:1 Luke the Historian of Israel's Legacy combines what no analysis of the Lukan writings has previously accomplished integrating seamlessly two generically estranged volumes into one new whole from the intent of the one composer For Luke is the Hellenistic historian and simultaneously biblical theologian who arranges the one plan of God read from the script of the Jewish scriptures parts and

whole severally and together as the saving script for the whole world through Israel's suffering and raised up Christ Jesus of Nazareth In the introductions to each major theme of the essays this noted scholar of the Lukan writings offers an epitome of the main features of Luke's theological thought and in a final Conclusions chapter weaves together a comprehensive synthesis of this new reading of the whole **John the Baptist and the Jewish Setting of Matthew** Brian C.

Dennert,2015-09-11 Although recent discussions on Matthew have emphasized the document's setting within Judaism these studies have not analyzed how the Jewish figure of John the Baptist functions within this setting Brian Dennert steps into this gap arguing that Matthew presents Jesus to be the continuation and culmination of John's ministry in order to strengthen the claims of Matthew's group and to vilify the opponents of his group By doing this he encourages Jews yet to align with Matthew's group particularly those who esteem the Baptist and to gravitate away from its opponents The author examines texts roughly contemporaneous with Matthew which reveal respect given to John the Baptist at the time of Matthew's composition The examination of Matthew shows that the first Evangelist more closely connects the Baptist to Jesus while highlighting his rejection by Jewish authorities *The Framework of the Story of Jesus* Karl Ludwig Schmidt,2023-05-25

Now available for the first time in English Karl Ludwig Schmidt's *The Framework of the Story of Jesus* *Der Rahmen der Geschichte Jesu* has been a foundation of New Testament studies Through meticulous analysis Schmidt demonstrates that the Synoptic Gospels are collections of individual stories that circulated orally and independently in the earliest Christian communities Schmidt shows persuasively how in their oral forms most of these traditions existed apart from any sequence or specific temporal or geographic location and that the chronology and locations now evident in the Gospels were applied by the evangelists while collecting and recording the oral traditions Across much of the twentieth century and even into the present day Schmidt's thesis has undergirded Gospel interpretation Yet as long as *The Framework of the Story of Jesus* remained untranslated Schmidt's ideas have been open to neglect and misinterpretation among Anglophone scholars

Discussion of the Synoptic Gospels and broader New Testament study will be enriched by engagement with the evidence and argument as originally presented *Going Global with God* Titus Leonard Presler,2010-10

Explores the gifts and challenges of grassroots mission initiative in a world of difference In this stimulating new work congregations and church leaders at every level can gain the theological and practical background to build mission relationships marked by companionship reconciliation and mutuality *Shepherding God's Flock* Benjamin L. Merkle,Thomas R. Schreiner,2019-03-21

A biblical historical theological and practical foundation for pastoral leadership Pastors have been entrusted with leading the people of God The shepherds of God's flock must protect them from and guide them through the many dangers believers face Although ultimately the Church is led by Christ pastors are to provide godly examples of what it means to be a follower of the Lord Consequently who leads the church the type of authority they are given how they relate to one another to whom they are accountable and how they are selected are of utmost importance to the life and health of God's people This book provides the

biblical historical theological and practical foundation of the crucial task of leading God's people **Good Neighbours**

Christian Religious Education , *Dictionary of Jesus and the Gospels (2nd edn)* J B GREEN, J BROWN, N PERRIN, 2020-05-21 The Dictionary of Jesus and the Gospels is unique among reference books on the Bible the first volume of its kind since James Hastings published his Dictionary of Christ and the Gospels in 1909 In the more than eight decades since Hastings our understanding of Jesus the Evangelists and their world has grown remarkably New interpretive methods illumined the text the ever changing profile of modern culture has put new questions to the Gospels and our understanding of the Judaism of Jesus's day has advanced in ways that could not have been predicted in Hastings's day But for many readers of the Gospels the new outlook on the Gospels remains hidden within technical journals and academic monographs The Dictionary of Jesus and the Gospels bridges the gap between scholars and those pastors teachers students and lay people desiring in depth treatment of select topics in an accessible and summary format The topics range from cross sectional themes such as faith law Sabbath to methods of interpretation such as form criticism redaction criticism sociological approaches from key events such as the birth temptation and death of Jesus to each of the four Gospels as a whole Some articles such as the Dead Sea Scrolls rabbinic traditions and revolutionary movements at the time of Jesus provide significant background information to the Gospels Others reflect recent and less familiar issues in Jesus and Gospel studies such as divine man ancient rhetoric and the chreiai Contemporary concerns of general interest are discussed in articles covering such topics as healing the demonic and the historical reliability of the Gospels And for those entrusted with communicating the message of the Gospels there is an extensive article on preaching from the Gospels The Dictionary of Jesus and the Gospels presents the fruit of evangelical New Testament scholarship at the end of the twentieth century committed to the authority of Scripture utilising the best of critical methods and maintaining dialog with contemporary scholarship and challenges facing the church

The Best Kept Secret of Christian Mission John Dickson, 2010-06-08 This book comes out of years of reflection failures and some successes in the task of reaching out to others with the gospel Many Christians think of the task of mission as an entirely verbal activity when perhaps the best kept secret of New Testament teaching about mission is that it involves a whole range of activities that explicitly promote Christ to the world and draw others to him and only a few of them involve speaking Without diminishing or downplaying the importance of speaking the gospel John Dickson shows that on the other hand downplaying the range of activities that promote Christ to the world has its own set of problems It can make those who are not confident about speaking of anything let alone Jesus feel inadequate and self conscious in the task of reaching out to others Equally it can make those who do have a flair for speaking feel as though they are fulfilling Christ's mission just by talking But the reality is that the Lord wants our whole life not just our lips in the task of bringing the gospel to the world Every facet of our lives can be used by God to promote the news of his power and mercy In this practical guide to the biblical art of sharing your faith John Dickson offers refreshing insight into the ways that all Christians can and should be involved in spreading the good news of Jesus While not all Christians are called and gifted to become evangelists we are all called to promote the gospel through a wide range of activities prayer financial partnership good deeds godly lives public worship daily conversation etc with and without our lips As readers engage with this book grapple with its arguments and hear the stories of people coming to faith they will be inspired to see the whole of life as significant for bringing the gospel to the world and they will be liberated out of guilt and self consciousness in evangelism into becoming perfectly natural promoters of Jesus Christ

Christology and Discipleship in the Gospel of Mark Suzanne Watts Henderson, 2006-03-23 An exploration of discipleship in Mark's gospel relating to Jesus' own mission and purpose

Partnering with the King John L. Hiigel, 2013-04-01 There's a course in discipleship right in the Gospel of Matthew The very meaning of life is to live and serve with Jesus who brings the reign of God In a word it is discipleship We dwell with him and learn from him and embrace his mission as our own As we do he remakes our hearts binds us to one another and empowers us to partner with him in his penetrating action to transform the world *Partnering with the King* presents thirty one readings about discipleship meditations covering the whole Gospel of Matthew to be read by individuals daily for a month or by groups for example weekly from fall to spring Discussion questions are included For newcomers to faith the book can serve as a guide into the Christian life For more seasoned Christians it is a source of renewal and vision *Partnering with the King* presents thirty one

readings in Matthew to be read by individuals daily for a month or by groups weekly from fall to spring especially appropriate in the liturgical Year of Matthew For newcomers to faith the book can serve as an introduction to the Christian life For more seasoned Christians it will be a source of renewal and vision

Reaching for Healing : Closing the gap between experience and expectation Marcus Tutt,2016-03-21 This book encourages the reader to step out in faith and pray for people to be healed in the name of Jesus It does so by looking at four chapters of the New Testament Part I of the book focuses on the healing miracles of Jesus in Matthew 8 and 9 and part II looks at Peter and John healing a lame beggar in Acts 3 and 4 Throughout the book personal anecdotes and colourful illustrations ensure that the truth of God s word is clearly communicated The reader is inspired to get going and a robust biblical framework encourages them to keep going The book recognises the gap between a biblical expectation and many people s current experience It makes the point however that faith thrives in this gap and works to bring our experience into line with God s unchangeable word Each chapter of the book therefore focuses on a different aspect of God s healing power in order to stimulate and increase faith

Intercultural Theology, Volume Two Henning Wrogemann,2018-01-09 In this second volume of his three volume Intercultural Theology Henning Wrogemann turns to theologies of mission Tracing developments across a range of Christian traditions movements themes and regions of the globe Wrogemann provides an overview of the theological underpinnings rationalizations and visions for mission and its practice

Resolving the Tension of Jesus's Mission in Matthew's Ancient Biography Jerry D. Breen,2024-10-17 Jerry D Breen argues that reading Matthew and all the Gospels as ancient biography is the necessary next step for Gospel studies In particular Breen contends that more specific comparisons should be made between the Gospels and ancient literature Breen stresses that this reading invites narrative critics to place more emphasis on examining the use of sources and the importance of intertextual and historical information that the author introduces to the text Breen places emphasis on the relationship between Jews and non Jews in ancient Galilee and Palestine and challenges the long supported theory that Jesus did not minister to non Jews beyond two or three exceptions Demonstrating that Jesus is inclusive of everyone who comes to him even though he was sent primarily to the Jews Breen argues that the portrait which Matthew creates is one of a Jewish Messiah who is on a mission to restore Israel so that the restored people of God can bless the nations Concluding that rather than two conflicting missions the audience of the gospel is encouraged to view the healing of non Jews during Jesus s ministry as further proof that the Jewish Messiah is bringing restoration to Israel

The Chronological Life of Christ Mark E. Moore,2007 not much has changed since Jesus gathered dust in the soles of his sandals on Palestinian soil He is still the buzz at barber shops and corner cafes He is still talked about and against He pricks our curiosity sparks our imagination and even earns our ire Who is he really You know he s no politician but he still transforms nations He s no social activist but he is the genesis of who knows how many hospitals orphanages and innumerable acts of kindness A psychotherapist Hardly But how many of us Humpty Dumpties has he put back together again This peasant

carpenter has built himself a kingdom immeasurably greater than his earthly enemies could have imagined What are we to make of him Please accept my deepest apologies right up front for this book will not help answer that question However it may help answer this one What is this man to make of me The Chronological Life of Christ is the definitive resource where all four Gospels have been harmonized into one chronological story line The reader gets an in depth look at Jesus life ministry death and resurrection a look not attainable when reading each Gospel separately Written using the Thomas Gundry NIV Harmony of the Gospels as a frame The Chronological Life of Christ includes a very helpful subject index and user friendly table for quickly finding Bible passages This is a must have resource for every student and teacher of God s Word Book jacket

Authenticating the Activities of Jesus Craig A. Evans, Bruce Chilton, 2024-01-08 This volume reviews the criteria assumptions and methods involved in critical Jesus research Its purpose is to clarify the procedures necessary to distinguish tradition that stems from Jesus from tradition and interpretation that stem from later tradents and evangelists This publication has also been published in paperback please click here for details The Future of Christology Dong-Kun Kim, 2019-06-28 The Future of Christology addresses the questions that Christology currently faces and or will face in the future in 12 topics The book consists of two parts In the first part Kim deals with five topics related to traditional Christology while in the second part he wrestles with seven topics related to issues of Christology The twenty first century is a challenging time for Christianity Many in our age are asking what Jesus Christ means in various dimensions of history culture nature and even beyond the Earth Changes in values worldviews and views of the universe are forming a new zeitgeist Dong Kun Kim argues that ways of understanding Christ should change accordingly for a Christology that fails to communicate meaningfully with the times is void of vitality Postmodernism dehistoricization and life post ideology multiculturalism multiple religions and above all the rapid development of the natural sciences pose a serious challenge to traditional Christology Who is Christ in the age of an infinite cosmos How do daily human life social devotion and praxis relate to salvation How can we discuss salvation history in an era post history Where does Christ stand in the public sphere Can the Chalcedonian definition of the two natures of Christ true God and true human being encompass nature and the cosmos would a third nature of Christ be necessary Will the cyborg which may appear in the near future be the object of Christ s salvation If scientific determinism becomes popular in the future will the basis of faith in Christ lose ground If intelligent life exists in the universe what does Christ mean to such life This book provides innovative answers to these questions in an academic context
