Jesus What He Really Said And Did:

Jesus Stephen Mitchell, 2003-06-01 Presents an account of the life of Jesus using what the author considers to be the most authentic sources **Jesus After Two Thousand Years** Gerd Lüdemann, Frank Schleritt, Martina Janssen, 2001 Despite these difficulties Gerd Ludemann shows in this fascinating analysis of early Christian documents that the tools of historical research can succeed in reaching at least a close approximation of some of the original words and deeds of Jesus Ludemann first establishes the criteria by which the alleged words and actions of Jesus can be judged authentic or inauthentic He then examines every text about Jesus from the first two centuries By this careful methodology he is able to separate what the historical Jesus actually said and did from inaccurate legends later attached to his name **BOOK JACKET**

Josué: Prisoner at Shalem Steven H. Propp, 2005-11-21 Who is this man Josu is locked up in Shalem State Prison a maximum security institution He had never attracted much attention to himself before and was content to just do his own time But then something happened to him and now he s on a mission to share it Man I ain t never heard nothin like this guy exclaims Jamal one of the twelve prisoners that Josu has appointed to be his Reps and to share the Word about his message with the other prisoners Josu freely gives of himself praying for the healing of the many troubled people who flock to him and telling them stories about the New Order that God is going to establish very soon But the authority figures in the prison can t stand this arrogant challenger to their own power They try to embarrass Josu publicly and fail utterly But then when one of Josu s own followers offers to turn on him betrayal and greed lead to a violent climax Does this story sound familiar Then come and read an all too well known tale told in a fresh exciting way and maybe see some things in the story that you d never noticed before **The Lost Gospel of Judas Iscariot** Bart D. Ehrman, 2006-10-09 The recent National Geographic special on the Gospel of Judas was a major media event introducing to tens of millions of viewers one of the most important biblical discoveries of modern times Now a leading historian of the early church Bart Ehrman offers the first comprehensive account of the newly discovered Gospel of Judas revealing what this legendary lost gospel contains and why it is so important for our understanding of Christianity Ehrman a featured commentator in the National Geographic special describes how he first saw the Gospel of Judas surprisingly in a small room above a pizza parlor in a Swiss town near Lake Geneva and he recounts the fascinating story of where and how this ancient papyrus document was discovered how it moved around among antiquities dealers in Egypt the United States and Switzerland and how it came to be restored and translated More important Ehrman gives the reader a complete and clear account of what the book teaches and he shows how it relates to other Gospel texts both those inside the New Testament and those outside of it most notably the Gnostic texts of early Christianity Finally he describes what we now can say about the historical Judas himself as well as his relationship with Jesus suggesting that one needs to read between the lines of the early Gospels to see exactly what Judas did and why he did it The Gospel of Judas presents an entirely new view of Jesus his disciples and the man who allegedly betrayed him It raises many questions and

Theophilos,2011-12-22 Michael Theophilos investigates the term Abomination of desolation in Matthew 24 15 proposing a revised model for understanding this enigmatic phrase He adopts a contextual exegetical approach focusing strongly upon scriptural intertextual prophetic echoes Because of the primary association of the phrase with Antiochus Epiphanes in the Daniel narrative many commentators have argued for a contra Jewish background to Mt 24 15 However analysis of relevant prophetic literature reveals that similar vocabulary was often used to describe Israel s covenantal infidelity and its consequences Given the influence of prophetic literature on Daniel Theophilos argues that Matthew was theologically motivated to ironically employ the Danielic material in describing Jerusalem s Mt destruction Matthew envisions the cause for this destruction as rooted in Israel s rejection of Jesus as Messiah In this sense the coming Son of Man in Matthew 24 may be seen as a metaphorical representation of the Roman Army destroying Jerusalem in 70 AD This understanding of Son of Man is consistent with the Danielic depiction where the appearance of the Son of Man signified the destruction of Israel s enemies **Wiseman's Wager** Dave Margoshes,2014-08 The life of 82 year old Zan Wiseman brother son not Jewish Jew proxy twin sometime Communist four times husband one time novelist and bet hedging atheist **Liberation of Theology** Juan L.
