Mourning & Mitzvah Anne Brener, 2001 An innovative integration of Jewish tradition and modern professional resources gives spiritual insight and healing wisdom to those who are mourning a death to those who would help them and to those who face a loss of any kind This revised edition features a new introduction new writing exercises and resource lists

Chapters of the Heart Sue Levi Elwell, Nancy Fuchs Kreimer, 2013-11-01 Chapters of the Heart Jewish Women Sharing the Torah of Our Lives invites readers into the lives of twenty women for whom Jewish language and texts provide a lens for understanding their experiences The authors don't just use religious words texts theologies or liturgies like a cookbook Instead they serve readers something closer to a real meal prepared with love and intention Each essay shares one piece of its writer's heart one chapter of experience as refracted through the author's particular Jewish optic The authors write about being daughters mothers sisters partners lovers and friends They share their experiences of parenting infertility and abortion One describes accompanying her young husband through his life threatening illness Another tells of her daughter's struggle with an eating disorder Still another reflects on long decline of a parent with Alzheimer's All these writers wrestle with Jewish texts while growing as rabbis as feminists and as interfaith leaders They open their hearts and minds telling when Jewish tradition has helped make meaning and on occasion when it has come up empty The results are sometimes inspiring sometimes provocative Readers will find new insights into God into Judaism and into themselves An Age of Opportunity

Richard H. Gentzler, 2018-05-01 A companion to the author's earlier book Designing an Older Adult Ministry Discipleship Resources 1999 this book will provide new information and outline ways to develop and strengthen ministries by with and for older adults that can and will enhance the spiritual growth and well being of people of all ages The church is beginning to recognize that there are vast numbers of older people in its membership It is becoming aware of its indebtedness to them for the leadership support service and faith that has made the church of today possible The church is uniquely positioned to help older adults respond to the challenges of aging to see the tremendous potentialities in the lives of older adult for making the church and community better and to assist older people as they experience new meaning and purpose in their later lives

Chapters include Why Older Adult Ministries Understanding the Aging Process Aging and the Spiritual Journey The New Seniors Boomers Intentional Ministry by with and for Older Adults Organizing for Intentional Ministry in the Local Church Organizing for Intentional Ministry in the Conference Congregational Care Ministry Additional Ideas for Intentional Ministry and Trends in Aging Appendixes include a Facts about Aging quiz information on creating and using older adult surveys and suggested resources for further reading and study Teaching for a Multifaith World Eleazar S. Fernandez, 2017-05-05 When religious diversity is our reality radical hospitality to people of other faiths is not a luxury but a necessity More than necessary for our survival radical hospitality to religious diversity is necessary if we are to thrive as a global society By no means does the practice of hospitality in a multifaith world require that we be oblivious of our differences On the contrary it demands a respectful embrace of our differences because that is who we are Neither does radical hospitality require that we water down our commitment because faithfulness and openness are not contradictory We must be able to say with burning passion that we are open to the claims of other faiths because we are faithful to our religious heritage The essays in this book do not offer simply theological exhortations they offer specific ways of how we can become religiously competent citizens in a multifaith world Let us take the bold steps of radical openness with this book on our side *Mourning and Mitzvah (25th Anniversary Edition)* Rabbi Anne Brener, MAJCS, MA, LCSW, 2017-08-22 Fully revised with a new author's preface epilogue and over a dozen new guided exercises Anne Brener brings us an innovative integration of Jewish tradition and modern professional resources in this 25th anniversary edition of a modern classic Mourning Mitzvah gives spiritual insight and healing wisdom to those who mourn a death to those who would help them and to those who face a loss of any kind Mourning Mitzvah teaches you the power and strength available to you in the fully experienced mourning process When the temple stood in the ancient city of Jerusalem mourners walked through the gates and into the courtyard along a specifically designated mourner's path As they walked they came face to face with all the other members of the community who greeted them with the ancestor of the blessing May God comfort you among the mourners of Zion and Jerusalem In this way the community embraced those suffering bereavement yet allowed for unique experiences of grief *The Jewish Body* Robert Jütte, 2020-11-27 An encyclopedic survey of the Jewish body as it has existed and as it has been imagined from biblical times to the present That the human body can be the object not only of biological study but also of historical consideration and cultural criticism is now widely accepted But why Robert Jütte asks should a historian bother with the Jewish body in particular And is the Jewish body as much a concept constructed over the course of centuries by Jews and non Jews alike as it is a physical reality To comprehend the notion and existence of a Jewish body he contends one needs to look both at the images and traits that have been ascribed to Jews by themselves and others and to the specific bodily practices that have played an important role in creating the identity of a religious and cultural community Jütte has written an encyclopedic survey of the Jewish body as it has existed and as it has been imagined from biblical times to the present often for anti Jewish

purposes He examines the techniques for caring for the body that Jews acquire in childhood from parents and authority figures and how these have changed over the course of a more than 2000 year history most of it spent in exile From consideration of traditional body stereotypes such as the so called Jewish nose to matters of gender and sexuality sickness and health and the inevitable end of the body in death **The Jewish Body** explores the historical foundations of the human physis in all its aspects **Jewish Views of the Afterlife** Simcha Paull Raphael,2019-04-15 Originally published in 1994 **Jewish Views of the Afterlife** is a classic study of ideas of afterlife and postmortem survival in Jewish tradition and mysticism As both a scholar and pastoral counselor Raphael guides the reader through 4 000 years of Jewish thought on the afterlife by investigating pertinent sacred texts produced in each era Through a compilation of ideas found in the Bible Apocrypha rabbinic literature medieval philosophy medieval Midrash Kabbalah Hasidism and Yiddish literature the reader learns how Judaism conceived of the fate of the individual after death throughout Jewish history In addition this book explores the implications of Jewish afterlife beliefs for a renewed understanding of traditional rituals of funeral burial shiva kaddish and more This newly released twenty fifth anniversary edition presents new material on little known Jewish mystical teachings on reincarnation a chapter on Spirits Ghosts and Dybbuks in Yiddish Literature and a foreword by the renowned scholar of Jewish mysticism Rabbi Arthur Green Both historical and contemporary this book provides a rich resource for scholars and laypeople and for teachers and students and makes an important Jewish contribution to the growing contemporary psychology of death and dying **Midrash & Medicine** William Cutter,2011 This volume examines the spiritual shortfalls of our current healing environment and explores how midrash can help you see beyond the physical aspects of healing to tune in to your spiritual source **Lived Mission in 21st Century Britain** Benjamin Aldous,2024-10-30 Nearly 30 years after South African missiologist David Bosch explored what he called elements of an emerging ecumenical missionary paradigm **Lived Mission in 21st Century Britain** propose that there is still work to be done ecumenically for missiology to inhabit rightfully its role as critical friend crosser of boundaries advocate for justice and intellectual ankle biter Bringing together a unique array of contributors the book considers what mission as practice looks like both through the eyes of those who are well established as theologians and reflective practitioners and those who are working on the ground and have written little on their daily lived experience Chapter authors include Jan Nowotnik Graham Adams Shemil Mathew Timothy Boniface Carroll Bisi Adenekan Elizabeth Joy Heather Major Tom Hackett James Woodward Raj Bhara Patta Paul Weller Niall Cooper Lisa Adjei Shermara Fletcher and Anupama Ranawana **Re-Designing Your Life** Sheila Macdonald Macgregor,2018-03-02 **Re Designing Your Life** A Practical Spirituality for the Second Half of Life is a timely and engaging book for living out the second half of your life with spiritual integrity In this study you are invited to think about your life as a house undergoing renovations where with God s grace you get to design something new and life giving Through practical exercises thought provoking discussion topics and memorable anecdotes **Re Designing Your Life** will guide you through

Coping with endings empty nesting and retirement Caring for self while caring for elderly parents and grandchildren Letting go of the things that get in the way of becoming your true self Creating a spiritual legacy Strengthening relationships and Finding your passion in your second half of life Re Designing Your Life is a must read for pastors congregations and individuals who want to discover God's calling in the second half of life Video resources for group studies are also available

Personhood, Illness, and Death in America's Multifaith Neighborhoods Lucinda Mosher, 2018-04-19 In this interfaith book Lucinda Mosher investigates different understandings of destiny loss death and remembrance in America's many religions Using stories and interviews with a variety of religious adherents and health professionals the book wrestles with questions such as how can our religion guide us in making decisions about certain kinds of medical treatment options What religion related issues would it be helpful for a healthcare provider to know How do different religious traditions help manage our grief In a globalized society religious traditions sit alongside each other as never before and the need for religious literacy and multifaith chaplaincy is increasingly recognized By looking at multireligious America this book provides an essential exploration of different attitudes to death helping members of all faith communities to become more literate with each other's religious traditions

Healing and the Jewish Imagination Rachel Adler, Arnold Eisen, Tamara Eskenazi, 2008-09 Essential reading for people interested in the Jewish healing spirituality and spiritual direction movements this groundbreaking volume explores the Jewish tradition for comfort in times of illness and Judaism's perspectives on the inevitable suffering with which we live Pushing the boundaries of Jewish knowledge scholars teachers artists and activists examine the aspects of our mortality and the important distinctions between curing and healing Topics discussed include the importance of the individual health and healing among the mystics hope and the Hebrew Bible from disability to enablement overcoming stigma Jewish bioethics and more Drawing from literature personal experience and the foundational texts of Judaism these celebrated thinkers show us that healing is an idea that can both soften us so that we are open to inspiration as well as toughen us like good scar tissue in order to live with the consequences of being human
