Jews And Judaism In African History:

Jews and Judaism in African History Richard Hull, 2009 This timely book is the first to cover the history of Jews from the times of Alexander the Great and Caesar to Idi Amin and Nelson Mandela Jews have often been a marginalized minority yet they have played a role in the history of the continent hugely disproportionate to their numbers They have enriched Africa culturally and economically serving as innovators and middlemen government servants and educators Along the way they have been victims and victimizers mercenaries and proxies for others as well as adjuvants in long distance trade and sustainable development While some have converted to other religions and been assimilated into indigenous society most have retained their Jewish identity in various forms Jews and Judaism have practically disappeared from Africa today but the legacy of both endures This book covers topics such as Jews in Ptolemaic and Roman Egypt Jews in the western Mediterranean throughout the Inquisition New Christians and the making of the Atlantic world including the early phases of the modern sugar economy and the slave trade Jews in Ethiopia from antiquity to the 20th century Jewish communities in the Muslim world including Morocco and West Africa Sudanic civilizations from the 11th to the 21st century Jews in the making of modern South Africa and the relationship between modern Israel and Africa *The Black Jews of Africa* Edith Bruder, 2008-06-05 The last several decades have seen the emergence of a remarkable phenomenon a Jewish rebirth that is occurring throughout Africa A variety of different ethnic groups proclaim that they are returning to long forgotten Jewish roots and African clans trace their lineage to the Lost Tribes of Israel Africans have encountered Jewish myths and traditions in multiple forms and various ways The context and circumstances of these encounters have gradually led within some African societies to the elaboration of a new Jewish identity connected with that of the Diaspora This book presents one by one the different groups of Black Jews in western central eastern and southern Africa and the ways in which they have used and imagined their oral history and traditional customs to construct a distinct Jewish identity It explores the ways in which Africans have interacted with the ancient mythological sub strata of both western and African ideas of Judaism It particularly seeks to identify and to assess colonial influences and their internalization by African societies in the shaping of new African religious identities The book also examines how in the absence of recorded African history the eminently malleable accounts of Jewish lineage developed by African groups co exist with the possible historical traces of a Jewish presence in Africa This elegant and well researched book goes beyond the well known case of the Falasha of Ethiopia examining the trend towards Judaism in Africa at large and exploring too the interdisciplinary concepts of metaphorical Diaspora global and transnational identities and colonization [Africans and the Holocaust](#) Edward Kissi, 2019-08-22 This book is an original and comparative study of reactions in West and East Africa to the persecution and attempted annihilation of Jews in Europe and in former German colonies in sub Saharan Africa during the Second World War An intellectual and diplomatic history of World War II and the Holocaust Africans and the Holocaust looks at the period from the perspectives of the colonized subjects of the Gold

Coast Nigeria Sierra Leone Kenya Tanganyika and Uganda as well as the sovereign peoples of Liberia and Ethiopia who wrestled with the social and moral questions that the war and the Holocaust raised The five main chapters of the book explore the pre Holocaust history of relations between Jews and Africans in West and East Africa perceptions of Nazism in both regions opinions of World War II interpretations of the Holocaust and responses of the colonized and sovereign peoples of West and East Africa to efforts by Great Britain to resettle certain categories of Jewish refugees from Europe in the two regions before and during the Holocaust This book will be of use to students and scholars of African history Holocaust and Jewish studies and international or global history **Jews and Judaism in Africa** Source Wikipedia,2013-09 Please note that the content of this book primarily consists of articles available from Wikipedia or other free sources online Pages 34 Chapters African Jews Daggatun History of the Jews in the African diaspora Jews of Bilad el Sudan Ozar Hatorah

Between East and West André Chouraqui,1973 **African Zion** Edith Bruder,2012-03-15 Over the last hundred years in Africa and the United States through a variety of religious encounters some black African societies adopted or perhaps rediscovered a Judaic religious identity African Zion grows out of a joined interest in these diversified encounters with Judaism their common substrata and divergences their exogenous or endogenous characteristics the entry or re entry of these people into the contemporary world as Jews and the necessity of reshaping the standard accounts of their collective experience In various loci the bonds with Judaism of black Jews were often forged in the harshest circumstances and grew out of experiences of slavery exile colonial subjugation political ethnic conflicts and apartheid For the African peoples who identify as Jews and with other Jews identification with biblical Israel assumes symbolical significance This book presents the way in which the religious identification of African American Jews and African black Jews real ideal or imaginary has been represented conceptualized and reconfigured over the last century or so These essays grow out of a concern to understand Black encounters with Judaism Jews and putative Hebrew Israelite origins and are intended to illuminate their developments in the medley of race ethnicity and religion of the African and African American religious experience They reflect the geographical and historic mosaic of black Judaism permeated as it is with different meanings both contemporary and historical *Black Jews in Africa and the Americas* Tudor Parfitt,2013-02-04 Parfitt explains how many African peoples came to think of themselves as descendants of the ancient tribes of Israel Pursuing medieval and modern race narratives over a millennium in which Jews were cast as black and black Africans were cast as Jews he reveals a complex interaction between religious and racial labels and their political uses **African Religion and Culture: Oxford Bibliographies Online Research Guide** Oxford University Press,2010-06-01 This ebook is a selective guide designed to help scholars and students of the ancient world find reliable sources of information by directing them to the best available scholarly materials in whatever form or format they appear from books chapters and journal articles to online archives electronic data sets and blogs Written by a leading international authority on the subject the ebook provides bibliographic information supported by
