## **Jim Crow A Historical Encyclopedia Of The American Mosaic:**

**Jim Crow** Nikki Brown, Barry M. Stentiford, 2014-10-28 This one volume reference work examines a broad range of topics related to the establishment maintenance and eventual dismantling of the discriminatory system known as Jim Crow Many Americans imagine that African Americans struggle to achieve equal rights has advanced in a linear fashion from the end of slavery until the present In reality for more than six decades African Americans had their civil rights and basic human rights systematically denied in much of the nation Jim Crow A Historical Encyclopedia of the American Mosaic sheds new light on how the systematic denigration of African Americans after slavery known collectively as Jim Crow was established maintained and eventually dismantled Written in a manner appropriate for high school and junior high students as well as undergraduate readers this book examines the period of Jim Crow after slavery that is often overlooked in American history curricula An introductory essay frames the work and explains the significance and scope of this regrettable period in American history Written by experts in their fields the accessible entries will enable readers to understand the long hard road before the inception of the Civil Rights Movement in the 20th century while also gaining a better understanding of the experiences of minorities in the United States African Americans in particular Jim Crow Nikki L. M. Brown, Barry M. Stentiford, 2014 Jim Crow A Historical Encyclopedia of the American Mosaic sheds new light on how the systematic denigration of African Americans after slavery known collectively as Jim Crow was established maintained and eventually dismantled Written in a manner appropriate for high school and junior high students as well as undergraduate readers this book examines the period of Jim Crow after slavery that is often overlooked in American history curricula *The Jim Crow Encyclopedia* Nikki Brown, Barry M. Stentiford, 2008-09-30 Jim Crow refers to a set of laws in many states predominantly in the South after the end of Reconstruction in 1877 that severely restricted the rights and privileges of African Americans As a caste system of enormous social and economic magnitude the institutionalization of Jim Crow was the most significant element in African American life until the 1960s Civil Rights Movement led to its dismantling Racial segregation as well as responses to it and resistance against it dominated the African American consciousness and continued to oppress African Americans and other minorities while engendering some of the most important African American contributions to society This major encyclopedia is the first devoted to the Jim Crow era The era is encapsulated through more than 275 essay entries on such areas as law media business politics employment religion education people events culture the arts protest the military class housing sports and violence as well as through accompanying key primary documents excerpted as side bars This set will serve as an invaluable definitive resource for student research and general knowledge The authoritative entries are written by a host of historians with expertise in the Jim Crow era The quality content comes in an easy to access format Readers can quickly find topics of interest with alphabetical and topical lists of entries in the frontmatter along with cross references to related entries per entry Further reading is provided per entry Dynamic sidebars throughout give added insight

into the topics A chronology selected bibliography and photos round out the coverage Sample entries include Advertising Affirmative Action Armed Forces Black Cabinet Blues Brooklyn Dodgers Bolling v Sharpe Confederate Flag Congress of Racial Equality CORE Detroit Race Riot 1943 Ralph Ellison Eyes on the Prize G I Bill Healthcare Homosexuality Intelligence Testing Japanese Internment Liberia Minstrelsy Nadir of the Negro Poll Taxes Rhythm and Blues Rural Segregation Sharecropping Sundown Towns Booker T Washington Works Project Administration World War II     *The Great Black Migration* Steven A. Reich,2014-04-17 Treating broad themes as well as specific topics this guide to the Great Black Migration will introduce high school students to a touchstone critical to shaping the history of African Americans in the United States The movement of Southern blacks to the urban North and West over the course of the 20th century had a profound impact on black life affecting everything from politics and labor to literature and the popular arts This encyclopedia provides readers and researchers with a comprehensive reference work on this central topic of African American history exploring the breadth of the black migration experience from its origins in the agricultural economy of the post Civil War South to the return migration of the late 20th century Entries cover such topics as the destinations that attracted black migrants the impact of the Great Migration on black religion the relationship between migration and black politics and the patterns of discrimination and racial violence migrants encountered Unlike more general reference works on African American history each entry in the encyclopedia situates its subject within the context of black migration and articulates connections between the subject of the entry and the overall history of the migration     *Civil Rights and Civil Liberties in America* Michael C. LeMay,2021-04-21 This book covers civil rights and civil liberties politics in the United States from the ratification of the Bill of Rights to more recent controversies such as the travel ban and proposals to end birthright citizenship Civil Rights and Civil Liberties A Reference Handbook provides a thorough overview of civil rights in U S history detailing all the relevant amendments to the Constitution and reviewing key Supreme Court decisions and landmark cases on the topic Aimed at general readers as well as high school college and university students it focuses on the role of federal courts in civil rights and civil liberties politics It also profiles the primary actors in civil rights and civil liberties both organizations and people The volume comprises seven chapters Chapter 1 presents the history and background of the topic and Chapter 2 discusses problems controversies and solutions Chapter 3 consists of essays by contributors that round out the coauthors expertise Chapter 4 profiles important organizations and people while Chapter 5 offers relevant data and documents Chapter 6 is composed of an annotated list of important resources Finally Chapter 7 offers a useful chronology citing and describing the major events related to the topic from the nation s founding until 2019     *Reconstruction* Richard Zuczek,2015-11-10 Composed by the leading historians in the field this single volume encyclopedia on Reconstruction delivers the most concise focused and readable reference work available to educators and students In many ways the Civil War destroyed the American South the Democratic Party and slavery with much of the nation left in ruins What was to

become of former slaves and of former confederates Yet the unprecedented turmoil that followed the war presented the United States with great opportunities How America tried to solve the problems and take advantage of opportunities after the Civil War is the focus of this encyclopedia which provides the core elements necessary for researching and understanding the complex period in U S history known as Reconstruction The volume offers a concise introduction to and chronology of the Reconstruction period scores of entries composed by subject experts and an appendix that features key primary documents The entries have been carefully chosen for their importance and relevance are written in language accessible to high school students and supply useful references for further investigation This volume will be indispensable for research into Reconstruction and affords anyone studying the United States during this period insight and perspective whether the topic be African American history the Civil War Abraham Lincoln or the coming of sharecropping

*Race and the Law in South Carolina* John Wertheimer, 2023-02-24 *Race and the Law in South Carolina* carefully reconstructs the social history behind six legal disputes heard in the South Carolina courts between the 1840s and the 1940s The book uses these case studies to probe the complex relationship between race and the law in the American South during a century that included slavery Reconstruction and Jim Crow Throughout most of the period covered in the book the South Carolina legal system obsessively drew racial lines always to the detriment of nonwhite people Occasionally however the legal system also provided a public forum perhaps the region's best within which racism could openly be challenged The book emphasizes how dramatically the degree of legal oppressiveness experienced by Black South Carolinians varied during the century under study based largely on the degree of Black access to political and legal power During the era of slavery both enslaved and nominally free Black South Carolinians suffered extreme legal disenfranchisement They had no political voice and precious little access to legal redress They could not vote serve in public office sit on juries or testify in court against whites There were no Black lawyers Black South Carolinians had essentially no claims making ability resulting unsurprisingly in a deeply oppressive thoroughly racialized system Most of these antebellum legal disenfranchisements were overturned during the post Civil War era of Reconstruction In the wake of abolition Reconstruction era reformers in South Carolina erased one racial distinction after another from state law For a time Black men voted and Black jurors sat in rough proportion to their share of the state's population The state's first Black lawyers and officeholders appeared Among them was an attorney from Pennsylvania named Jonathan Jasper Wright who ascended to the South Carolina Supreme Court in 1870 becoming the nation's first Black appellate justice By the turn of the twentieth century however an explicitly white supremacist movement had rolled back many of the egalitarian gains of the Reconstruction era and reimposed a legalized racial hierarchy in South Carolina The book explores three prominent features of the resulting Jim Crow system segregated schools racially skewed juries and lynching and documents the commitment of both elite and non elite whites to using legal and quasi legal tools to establish hierarchical racial distinctions It also shows how Black lawyers and others used the law to combat some of Jim Crow's worst

excesses In this sense the book demonstrates the persistence of many Reconstruction era reforms including emancipation Black education the legal language of equal protection Black lawyers and Black access to the courts

**The Great Black Migration** Steven A. Reich, 2014-04-17 Treating broad themes as well as specific topics this guide to the Great Black Migration will introduce high school students to a touchstone critical to shaping the history of African Americans in the United States The movement of Southern blacks to the urban North and West over the course of the 20th century had a profound impact on black life affecting everything from politics and labor to literature and the popular arts This encyclopedia provides readers and researchers with a comprehensive reference work on this central topic of African American history exploring the breadth of the black migration experience from its origins in the agricultural economy of the post Civil War South to the return migration of the late 20th century Entries cover such topics as the destinations that attracted black migrants the impact of the Great Migration on black religion the relationship between migration and black politics and the patterns of discrimination and racial violence migrants encountered Unlike more general reference works on African American history each entry in the encyclopedia situates its subject within the context of black migration and articulates connections between the subject of the entry and the overall history of the migration

[The Routledge History of Italian Americans](#) William Connell, Stanislao Pugliese, 2017-09-27 The Routledge History of Italian Americans weaves a narrative of the trials and triumphs of one of the nation's largest ethnic groups This history comprising original essays by leading scholars and critics addresses themes that include the Columbian legacy immigration the labor movement discrimination anarchism Fascism World War II patriotism assimilation gender identity and popular culture This landmark volume offers a clear and accessible overview of work in the growing academic field of Italian American Studies Rich illustrations bring the story to life drawing out the aspects of Italian American history and culture that make this ethnic group essential to the American experience

*Race and Racism in the United States* Charles A. Gallagher, Cameron D. Lippard, 2014-06-24 How is race defined and perceived in America today and how do these definitions and perceptions compare to attitudes 100 years ago or 200 years ago This four volume set is the definitive source for every topic related to race in the United States In the 21st century it is easy for some students and readers to believe that racism is a thing of the past in reality old wounds have yet to heal and new forms of racism are taking shape Racism has played a role in American society since the founding of the nation in spite of the words all men are created equal within the Declaration of Independence This set is the largest and most complete of its kind covering every facet of race relations in the United States while providing information in a user friendly format that allows easy cross referencing of related topics for efficient research and learning The work serves as an accessible tool for high school researchers provides important material for undergraduate students enrolled in a variety of humanities and social sciences courses and is an outstanding ready reference for race scholars The entries provide readers with comprehensive content supplemented by historical backgrounds relevant examples from primary documents and first

hand accounts Information is presented to interest and appeal to readers but also to support critical inquiry and understanding A fourth volume of related primary documents supplies additional reading and resources for research

illuminating important developments in American election history The book also contains a comprehensive annotated list of academic resources to guide the reader towards further research on topics of interest

**A Long Dark Night** J. Michael Martinez, 2016-04-14 For a brief time following the end of the U S Civil War American political leaders had an opportunity slim to be sure but not beyond the realm of possibility to remake society so that black Americans and other persons of color could enjoy equal opportunity in civil and political life It was not to be With each passing year after the war and especially after Reconstruction ended during the 1870s American society witnessed the evolution of a new white republic as national leaders abandoned the promise of Reconstruction and justified their racial biases based on political economic social and religious values that supplanted the old North South slavery abolitionist schism of the antebellum era A Long Dark Night provides a sweeping history of this too often overlooked period of African American history that followed the collapse of Reconstruction from the beginnings of legal segregation through the end of World War II Michael J Martinez argues that the 1880s ushered in the dark night of the American Negro a night so dark and so long that the better part of a century would elapse before sunlight broke through Combining both a top down perspective on crucial political issues and public policy decisions as well as a bottom up discussion of the lives of black and white Americans between the 1880s and the 1940s A Long Dark Night will be of interest to all readers seeking to better understand this crucial era that continues to resonate

throughout American life today      **History of African Americans** Thomas J. Davis, 2016-10-24 This rich cultural history of African Americans outlines their travails triumphs and achievements in negotiating individual and collective identities to overcome racism slavery and the legacies of these injustices from colonial times to the present One of every five Americans at the nation's beginning was an African American a fact that underscores their importance in U S growth and development This fascinating study moves from Africans early contacts with the Americas to African Americans 21st century presence exploring their role in building the American nation and in constructing their own identities communities and cultures Historian and lawyer Thomas J Davis's multi-themed narrative of compelling content provides a historical overview of the rise of African Americans from slavery and segregation in their anti racist quest to enjoy equal rights and opportunities to reach the American Dream of pursuing happiness The work features portraits of individuals and treats images of African Americans in their roles as performers producers consumers and creators and as the face of social problems such as crime education and poverty
