Johannes Cabal The Fear Institute Johannes Cabal Novels:

Johannes Cabal: The Fear Institute Jonathan L. Howard, 2013-10 Originally published London Headline Pub 2011 The Fear Institute Jonathan L. Howard, 2011 Johannes Cabal and his rather inexact powers of necromancy are back once more This time his talents are purchased by The Fear Institute as they hunt for the Phobic Animus the embodiment of fear *The Brothers Cabal* Jonathan L. Howard, 2014-09-30 Horst Cabal has risen from the dead Again Horst the most affable vampire one is ever likely to meet is resurrected by an occult conspiracy that wants him as a general in a monstrous army Their plan to create a country of horrors a supernatural homeland As Horst sees the lengths to which they are prepared to go and the evil they cultivate he realizes that he cannot fight them alone What he really needs on his side is a sarcastic amoral heavily armed necromancer As luck would have it this exactly describes his brother Join the brothers Cabal as they fearlessly lie quietly in bed fight dreadful monsters from beyond reality make soup feel slightly sorry for zombies banter lightly with secret societies that wish to destroy them and in passing set out to save the world The author wishes to point out that there are no zebras this time so don't get your hopes up on that count There is however a werebadger if that's something that's been missing from your life *The Fall of the House of Cabal* Jonathan L. Howard, 2025-08-22 Johannes Cabal a necromancer of some little infamy has come into possession of a vital clue that may lead him to his ultimate goal a cure for death The path is vague however and certainly treacherous as it takes him into strange territories that quite literally no one has ever seen before The task is too dangerous to venture upon alone so he must seek assistance comrades for the coming travails So assisted ably and otherwise by his vampiric brother Horst and by the kindly accompaniment of a criminologist and a devil he will encounter ruins and diableries mystery and murder the depths of the lowest pit and a city of horrors London to be exact Yet even though Cabal has risked such peril believing he understands the dangers he faces he is still underestimating them He is walking into a trap of such arcane complexity that even the one who drew him there has no idea of its true terrors As the snare closes slowly and subtly around them it may be that there will be no survivors at all The Fall of the House of Cabal is the fifth book in Jonathan L Howard's acclaimed Johannes Cabal series Johannes Cabal Jonathan L. Howard, 2025-09-23 A Darkly Gripping Comic Fantasy Beyond the wall of sleep lies the Dreamlands a world formed by dreams but not a dream itself For countless millennia it has been explored only by those with a certain detachment from mundane reality its strange seas navigated and its vast mountains climbed by philosophers mystics and poets Well those halcyon days are over beatniks Johannes Cabal is coming Cabal a necromancer of some little infamy is employed by the mysterious Fear Institute to lead an expedition into the Dreamlands an expedition to hunt and destroy the dread Phobic Animus the font of terrors the very source of all the world's fear They will enter exotic lands where magic is common and monsters abound Cabal will encounter witches vile abominations and far too many zebras And when they finally come close to their goal Cabal will have to face his own nightmares But for a man who communes easily with devils and the dead surely there is nothing left to fear *The*

Death of Me Jonathan L. Howard, 2013-09-10 A horror story from Tor.com set in the same dark world as Jonathan L. Howard's Johannes Cabal. The Necromancer Johannes Cabal, a necromancer of some little infamy, has this much in common with Emily Dickinson: because he could not stop for Death, she kindly stopped for him. Well, perhaps not that kindly. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

The Brothers Cabal Jonathan L. Howard, 2025-09-23 The Brothers Cabal is smart, funny, and dark in all the right places. Imagine Mycroft and Sherlock if one were a polite vampire and the other were a surly necromancer up against an army of monsters and magicians. Like Pratchett and Fforde, Jonathan L. Howard puts it all together and makes it look effortless. Christopher Farnsworth, author of *Blood Oath*, Horst Cabal has risen from the dead. Again, Horst, the most affable vampire one is ever likely to meet, is resurrected by an occult conspiracy that wants him as a general in a monstrous army. Their plan: to create a country of horrors, a supernatural homeland. As Horst sees the lengths to which they are prepared to go and the evil they cultivate, he realizes that he cannot fight them alone. What he really needs on his side is a sarcastic, amoral, heavily armed necromancer. As luck would have it, this exactly describes his brother. Join the Brothers Cabal as they fearlessly lie quietly in bed, fight dreadful monsters from beyond reality, make soup, feel slightly sorry for zombies, banter lightly with secret societies that wish to destroy them, and in passing, set out to save the world. The author wishes to point out that there are no zebras this time, so don't get your hopes up on that count. There is, however, a werebadger if that's something that's been missing from your life.

After the End of the World Jonathan L. Howard, 2024-08-06 This alternate reality novel is an entertaining and meticulously crafted mix of speculative history, suspense, sardonic humor, and cosmic horror. Publishers Weekly: The Unfolded World is a bitter and unfriendly place for Daniel Carter and Emily Lovecraft. In this world, the Cold War never happened because the Soviet Union ceased to exist in 1941. In this world, the Nazi Großdeutschland is the premier superpower and is not merely tolerated but indulged because in this world, the Holocaust happened behind the ruins of the Iron Curtain and consumed only Bolsheviks, Communists, and others. The West was glad to see gone. In this world, there are monsters, and not all of them are human. But even in the Unfolded World, there are still bills to pay and jobs to do. Carter finds himself working for the German secret security service to uncover the truth behind a major scientific joint project that is going suspiciously well. The trail takes Lovecraft and him to a distant, abandoned island and a conspiracy that threatens everything. To fight it, Lovecraft must walk a perilously narrow path between forbidden knowledge and soul-destroying insanity. Fortunately, she also has a shotgun. It's not often one sees the reboot of a series that's only one book old. But the second Carter and Lovecraft novel reboots the heck out of the series. This is a wonderful novel, ambitious on many levels and thoroughly successful. Its central characters are even more compelling than they were in their first appearance, and the story is diabolically clever and convoluted.

Booklist *A Long Spoon* Jonathan L. Howard, 2014-12-17 *A Long Spoon* is a dark steampunk fantasy novella from British author Jonathan L. Howard, a Tor.com Original story. You may have heard of Johannes Cabal; he is a necromancer and a little infamous. He is also very

sensitive to attempts on his life When a murder of crows tries to well murder him and the contents of his bath are transmuted into hot nitric acid he suspects someone may mean him harm The trail leads to one of the less travelled parts of Hell itself and there Cabal will need a guide As Dante had his Virgil so Cabal employs the services of a devil who is a monster a predator and most alien of all to Cabal a woman The devil Zarenia and he delve deep into Hell even into Satan s greatest mistake to confront challenges quite outside the ken of any mortal But one should always use a long spoon when supping with a devil and Cabal soon realises the unthinkable a horror beyond his experience He is actually beginning to like her At the Publisher s request this title is being sold without Digital Rights Management Software DRM applied **Carter &**
