Compiled and with an Introduction by the Earl of Birkenhead. (Second Edition.).** John Betjeman, Frederick Winston Furneaux SMITH (Earl of Birkenhead.), 1962 **John Betjeman** John Betjeman, 1975 *Harvest Bells* John Betjeman, 2019-06-27 A charming new collection of previously unpublished and uncollected poems by Sir John Betjeman John Betjeman s unforgettable poems on landscape and suburbia desire and death faith and doubt helped to establish him as the beloved voice of a nation Yet the ten books of poetry he published individually later assembled in the Collected Poems were an incomplete representation of his poetic oeuvre Many poems published in journals or magazines were excluded from Betjeman s books by him or his editors and a substantial number of finished poems were never printed at all remaining unknown to readers until now In this exquisite new edition of Betjeman s verse editor Kevin Gardner promises new treasures for Betj s admirers the world over Betjeman wrote many of these poems in the late 1920s and early 1930s when he was still developing his unique poetic voice They reveal a young poet experimenting with both Modernism and post Romanticism yet

influenced by Shelley and Pope among others Some of these poems are profoundly psychological personal and deeply affecting to read today Several have the delicate and eccentric touch of much of his early poetry and shed new light on his growth as a young poet while many others reflect the sustained maturity of his later verse Almost all are typically amusing and highly witty in the style typical of Betjeman some verge on the bawdy and even in one instance point towards homosexuality These charming and surprising new discoveries found in archives as far apart as Austin Texas and Christ Church Oxford will delight poetry lovers and introduce a whole new generation to Betjeman's unforgettable work Poems in the Porch Kevin J. Gardner, 2008-09-18 Between 1953-57 John Betjeman read a series of poems on The Faith in the West program airing on the BBC's West of England Home Service This series called Poems in the Porch was so popular that Betjeman received constant requests to publish the poems Although he deprecatingly referred to the poems as mere verses Betjeman at last capitulated to the public The result was a slim volume of six poems entitled Poems in the Porch What few people now realize is that Betjeman read at least 20 original poems on the radio in this series perhaps even more although owing to the haphazard records of both the BBC and Betjeman himself it is impossible to reconstruct with complete accuracy the history of this series Kevin Gardner has been able to identify and collect 26 of these poems and has written a fascinating introductory essay recounting the story of Betjeman as a radio poet and discussing the artistry of these poems Most have never been published and currently exist only in manuscript We know for certain of 20 occasions when Betjeman read his poems on the Faith in the West program and of these we know 16 specific titles Despite the gap between the BBC records on the one hand and the printed and manuscript texts on the other Gardner has been able to construct a relatively reliable edition of Betjeman's Poems in the Porch This book will cause a radical reassessment of his canon and will create great waves in the Betjeman community JOHN BETJEMAN'S COLLECTED POEMS. COMPILED AND WITH AN INTRODUCTION BY THE EARL OF BIRKENHEAD. John Betjeman, 1983 *John Betjeman's Collected Poems.
